The Lost and Found Collection: The Treasure of Hope by C. B. Wallis is an inspiring non-fiction work with a strong literary tone and a high spiritual message. Part memoir, part inspirational advice, the book combines deep human insights, rich Christian wisdom, and an authentic voice that shares personal experiences in stories and contemplative memories, poetic and scriptural nuggets, and faith-based witnessing. Much of the book is told in the first person, recounting the author's experiences that carry relevant messages of overcoming challenges, recovering from calamities, and sustaining hopes for the future. In an eerily appropriate scene, the author recounts the beginning of her spiritual journey as she picked up a new Bible on New Year's Day and opened it to see the words "Let there be light" (Genesis 1:3). Indeed, this book sheds light not only on the author's eventful life's journey but also on life itself and the ways in which the modern world challenges one's sensibilities and sensitivities. Perhaps the most valuable thread in The Lost and Found Collection: The Treasure of Hope is its message of optimism in the face of hardship. The author's personal journey mirrors that of the scriptures' advice; she appropriately quotes when troubles come your way, "consider it an opportunity for great joy. For when your faith is tested, your endurance has a chance to grow" (James 1:24). Drawing on her own life's trials and tribulations as well as joys and gifts, the author discusses a wide spectrum of subjects of great relevance to all: fears and worries, love and care, generosity and dignity, mental health and physical illness, adoption and family, friendship and enmity, life and death, and even war and peace as they apply to survivors and veterans. In summary, The Lost and Found Collection: The Treasure of Hope by C. B. Wallis is an uplifting spiritual memoir sprinkled with gems of wisdom and faith. Readers will enjoy this book and benefit from it on several levels. It is a fascinating journey of personal growth and empowerment, a series of well-told memorable stories, intriguing insights into life's most trying moments, and invaluable guidance when confronted with an unexpected crisis. Highly recommended.

Lewis Creek Lost and Found Kevin T. Dann, 2001. Well known for his imaginative treatment of environmental issues, Kevin Dann presents a natural history of the Lewis Creek watershed in Vermont's Champlain Valley, told largely through the lives and thought of three individuals whose investigations brought them into close contact with the area. Congregationalist minister John Perry (1825-1872) conducted paleontological research on the region's Paleozoic rock and attempted to negotiate his era's confrontation between science

and religion Rowland Robinson 1833 1900 was a Quaker farmer and author artist whose historical fiction often dealt with issues of human impact on this watershed The first plant hunting expeditions of another Quaker farmer and noted plant collector Cyrus Pringle 1838 1911 took place in this watershed as well Dann s account of these three men whose lives span nearly a century graphically illustrates contemporary human nature relationships at the same time that it suggests the limits of science in circumscribing our experience of the physical landscape The experience of pain and loss is documented along with the stories of success and celebration since as Dann writes Genuine places like human hearts have dark recesses within them and by examining these recesses within the Lewis Creek watershed we take a small step toward demythologizing Vermont Summer of Lost and Found Rebecca Behrens,2016-05-24 Nell s a city girl forced to spend her summer in Roanoke North Carolina but when she meets historical reenactor Ambrose they explore for clues as to what really happened to the lost colonists turning her once boring vacation into an adventure **The Garden of Lost and Found** Harriet Evans,2019-04-18 Don t miss the STUNNING new novel from Sunday Times bestselling author Harriet Evans THE BELOVED GIRLS is available to buy now font size Spellbinding Independent My top book of 2019 DINAH JEFFRIES Her best yet i newspaper Gripping Irish Times Gorgeous VERONICA HENRY A poignant story of love and loss Daily Mail MUST READS I can t remember the last time I was so enthralled Red Epic absorbing full of intrigue and emotion Fabulous A sweeping novel you won t put down Katie Fforde Who would choose to destroy what they love the most Nightingale House 1919 Liddy Horner discovers her husband the world famous artist Sir Edward Horner burning his best known painting The Garden of Lost and Found days before his sudden death Nightingale House was the Horner family s beloved home a gem of design created to inspire happiness and it was here Ned painted The Garden of Lost and Found capturing his children on a perfect day playing in the rambling Eden he and Liddy made for them One magical moment Before it all came tumbling down When Ned and Liddy s great granddaughter Juliet is sent the key to Nightingale House she opens the door onto a forgotten world The house holds its mysteries close but she is in search of answers Something shattered this corner of paradise But what font size 1 Lose yourself in this unputdownable tale of the enduring power of family love told by three generations of extraordinary women Readers love The Garden of Lost and Found This sweeping tale is by turns painfully sad and heart lifting with characters that stay with you Good Housekeeping Evans storytelling feels both authentic and satisfying An immersive mystery Woman Home Evans tells a poignant tale of the Horner family and their magical mysterious country home Woman Engrossing and clever and funny and beautifully observed I recommend it wholeheartedly Clothes in Books blog font size 1 Discover THE BELOVED GIRLS your next unputdownable novel of family secrets betrayal and one golden summer Out now font size *Voices of the Lost and Found* Dorene O'Brien,2007-05-10 A gripping and original debut collection of short stories from Michigan writer Dorene O'Brien Voices of the Lost and Found is the first full length collection of fiction from accomplished Metro Detroit writer Dorene O'Brien In eleven first person stories a variety of authentic and unexpected voices
