Lost Daughter Of Happiness:

The Lost Daughter of Happiness Geling Yan, 2001-04-18 In the late 1860s a young woman named Fusang is kidnapped from China and sold into prostitution in San Francisco's Chinatown. Chris, her first customer, is twelve years old. For weeks he has spied on her; now he meets the object of his obsession and can only gaze at her, stunned by her beauty. *The Lost Daughter of Happiness* is an epic and moving love story of individuals intoxicated with one another and yet repeatedly separated by prejudice and mistrust. The relationships are full of passion and rage, and the novel chronicles the lives of the main characters over decades against a backdrop of social turmoil: the anti-Chinese hysteria that plagued San Francisco. Fusang is an extraordinary character, both powerful and resigned. Chris finds himself torn between the security of his staid white world and the sensual allure of hers. And then there is the gangster Da Yong, who is rumored to carry daggers dipped in ancient poison, who wears a ring on every finger and who sells his naked photograph, which is used as a talisman, evil to ward off evil. He enters Fusang's life with brutal force, but when his world and Chris's eventuate...

The Lost Daughter of Happiness Geling Yan, 2010 Geling Yan traces the lives of two individuals separated by prejudice and mistrust but bound forever by their passion for one another. Fusang is a Chinese girl shanghai'd from her village in China, brought to California and sold into the seedy underworld of prostitution. Soon she falls into an obsessive relationship with a young boy, Chris. But many barriers are laid between the lovers by Chris's wealthy family and, most menacingly, by Fusang's murderous pimp who bestrides Chinatown with a clutch of daggers at his waist. *Immigrant Fictions* Rebecca Walkowitz, 2010-03-01 *Immigrant Fictions* is a groundbreaking collection that brings together studies of world literature, book history, narrative theory, and the contemporary novel to challenge methods of critical reading based on national models of literary culture. Contributors suggest that contemporary novels by immigrant writers need to be read across several geographies of production, circulation, and translation. Analyzing work by David Peace, George Lamming, Caryl Phillips, Iva Pekarkova, Yan Geling, Theresa Hak Kyung Cha, Anchee Min, and Monica Ali, these essays take up a range of critical topics, including the transnational book and the migrant writer, the comparative reception history of postcolonial fiction, transnational criticism, and Asian American literature in the U.S., mobility and feminism in translation, linguistic mediation, and immigrating fictions, migration, and the politics of narrative form.

The Missing Heiress Joseph Fletcher (Dramatist), 1881

The Lost Daughters of China Karin Evans, 2008-10-02 In 1997, journalist Karin Evans walked into an orphanage in southern China and met her new daughter, a beautiful one-year-old baby girl. In this fateful moment, Evans became part of a profound, increasingly common human drama that links abandoned Chinese girls with foreigners who have traveled many miles to complete their families. At once a compelling personal narrative and an evocative portrait of contemporary China, *The Lost Daughters of China* has also served as an invaluable guide for thousands of readers as they navigated the process of adopting from China. However, much has changed in terms of the Chinese government's policies on adoption since this book was originally published, and in this revised and updated edition, Evans addresses these developments. Also new to this edition is a riveting chapter in which she describes her return to China in 2000 to adopt her second daughter, who was nearly three at the time. Many of the first girls to be adopted from China are now in the teens. China only opened its doors to adoption in the 1990s, and this edition includes accounts of their experiences growing up in the US and, in some cases, of returning to China in search of their roots. Illuminating the real-life stories behind the statistics, *The Lost Daughters of China* is an unforgettable account of the red thread that winds from China's orphanages to loving families around the globe.

Translation Review, 2001

The Ingredients of Happiness Lucy Burdette, 2023-07-04 Is there a recipe for the perfect life? Thirty-two-year-old happiness guru Dr. Cooper Hunziker has it all: a dream job as assistant psychology professor at Yale University, a soon-to-be-published self-help book, *The Happiness Connection*, and the perfect guy. But there's a problem: Cooper isn't happy. Of course, it doesn't help that she's facing cut-throat competition for her tenure at Yale, an accusation of plagiarism that could cost her everything, or that her new book has irritated the department chairman, who assigns her to co-lead a happiness group at the New Haven library. As her friendship with the other ladies in the group flourishes, Cooper finds herself questioning her choices. Forced to face a life-changing betrayal, a gargoyle's wisdom, and her own traumatic past, can she navigate her own path to happiness?

Mayumi and the Sea of Happiness Jennifer Tseng, 2015-05-26 Finalist for the

2016 PEN AWARD for Debut Fiction Books may be Mayumi Saito's greatest love and her one source of true pleasure. Forty-one years old, disenchanted wife and dutiful mother, Mayumi's work as a librarian on a small island off the coast of New England feeds her passion for reading and provides her with many occasions for wry observations on human nature, but it does little to remedy the mundanity of her days. That is, until the day she issues a library card to a shy seventeen-year-old boy and swiftly succumbs to a sexual obsession that subverts the way she sees the library, her family, the island she lives on, and ultimately herself. Wary of the consequences of following through on her fantasies, Mayumi hesitates at first. But she cannot keep the young man from her thoughts. After a summer of overlong glances and nervous chitchat in the library, she finally accepts that their connection is undeniable. In a sprawling house emptied of its summer vacationers, their affair is consummated and soon consolidated thanks to an explosive charge of erotic energy. Mayumi's life is radically enriched by the few hours each week that she shares with the young man, and as their bond grows stronger, thanks not only to their physical closeness but also to their long talks about the books they both love, those hours spent apart seem to Mayumi increasingly bleak and intolerable. As her obsession worsens in a frantic attempt to become closer to the young man, Mayumi nervously befriends another librarian, patron, the young man's mother. The two women forge a tenuous friendship that will prove vital to both in the most unexpected ways when catastrophe strikes. Exquisitely written, Mayumi and the Sea of Happiness is part wry confession, part serious meditation. At its most anxious, it's a book about time; at its most ecstatic, it's a deeply human story about pleasure. From the Trade Paperback edition.

Meguriai Faith Nobuko Araki Barcus, 2010. Meguriai in Japanese means chance meeting. Meguriai Nobuko's American Journey is about a Japanese girl named Nobuko who dreamed of studying in America just as her father had done in the early 20th century. Nobuko was born in Tokyo, Japan, in 1927 to a U.S.-educated father and at that time, uncommonly free-thinking mother. After seeing smiling faces in old photos of her father's American friends in Ohio, she wanted to visit this magical country called America when she grew up. Nobuko majored in English to prepare herself for the life in America. The World War II was not in her equation. Nobuko personally experienced the U.S. firebombing of Tokyo, but her dream of going to America never wavered. To create friendship between the victor and the vanquished, the leaders of the U.S. occupation forces created a joint Messiah Chorus and called out to the universities in Tokyo. Nobuko and several of her friends at her college signed up, hoping for the opportunity to practice English. The choral group, made up of 200 American and Japanese people, performed at the Hibiya Performance Hall, accompanied by the Japan Philharmonic Orchestra, on Christmas Day 1945, four months after the war ended. The romance between Nobuko in the alto section and Earle in the base section blossomed and eventually led to their marriage in 1947. A year later, they moved to Champaign, Illinois. Nobuko's American Journey is about how Nobuko learned to cope with the very different culture and values and to raise her bi-racial children.
