Simon Newcomb,1886 **Lost Souls Recovered** Eric Walker,2022-10-18 One man s journey toward a better life When the wife of a plantation owner dies on a fateful night in 1887 John Billingsly makes the gut wrenching decision to leave his mother and everything he knows to flee their slave cabin in Richmond Virginia Instructed by his mother to find a cousin in Mt Hope Alabama John wends his way south in hope of a better life With the plantation owner shadowing him every step of the way his journey is perilous One misstep could cost him his freedom and his life Inspired by a true story *Lost Souls Recovered* is a mesmerizing historical family saga of loss and gain survival and self reinvention and one family s fight for freedom in the midst of the post Civil War American South Common-sense and the Muses David Graham,1925 A Love Offensive Fanny Emily Penny,1918 Iron Bravo Carsten Stroud,2012-02-01 First Sergeant Dee Crane a Vietnam Eleven Bravo recounts his experiences alongside his men his duties at the National Training Center in the Mojave Desert and his most recent encounters in the Persian Gulf **Sunday Afternoon** ,1879 *The Waltons* Mike Chopra-Gant,2013-04-16 The period in which *The Waltons* appeared on television screens was socially and politically volatile a testing time in which Americans grappled with stagflation rising oil prices defeat in Vietnam political corruption at the highest levels and the aftermath of the seismic political shifts that originated in the countercultural movements of the preceding decade In this fascinating book Mike Chopra Gant demonstrates how the *Waltons* offered 1970s America a reassuring vision of itself at this turbulent time and displayed a nostalgic desire for a return to traditional conservative and paternalistic family values in the face of the shifts taking place in society He examines its deployment of key myths of Americanness and positions the vision of family life offered by the show in the context of changing images of the family on television from the conformity of the 1950s family in shows like *Father Knows Best* through the strange families of the 1960s such as *The Munsters* and *The Addams Family* and through to contemporary representations exemplified by the dysfunctional families of *The Simpsons* *Family Guy* and *American Dad* He also explores the show s representations of masculinity through three generations of men and its ambiguous depiction of strong women whose demands for equality are met by apparent concessions that actually amount to a regressive restoration of female domesticity The Gospel of Mark – Eternity and Readiness George Andrew,2014-10-15 In Mark s gospel a little over sixteen chapters God messages Its plan regarding eternity via Jesus It is Mark s description of Jesus s sermon on the topic of His experience of eternity As the first gospel writer Mark initiates the discussion of daily life physical existence and spirituality holiness and their relationship as dramatized by Jesus His vocation of readiness meets God s flowing plan daily and proposes the same readiness for us George Andrew s journal undertakes to understand this intersection of eternity and readiness He proposes the lifeblood of faith as the sole root of readiness He also suggests numerous points of view in his eight year encounter with long used fundamental words and concepts Engaging Mark for over eight years the author transports the reader through the gospel and to the Mystery of Life called God The source of the book is the existential experience faced by most men and women Simply we experience the world from dawn until dusk daily as

primarily uncaring This is true whether you re rich or poor any color age creed or gender living or near death whatever your ancestry If you can fully grasp this you have some choices First you can succumb to the terror of life and turn into an opportunist as a vegetable a person with no moral compass Or second you may use the tools that life readily offers reason senses yes even religion and think matters through to their ends go the next step and unearth what is meet and right to do in order to live life as a human being This is the beginning of faith and what Jesus pointed to as the vineyard This book calls us to a muscular Christianity one that is strong and of today and enables us to address the spiritual exhaustion shallowness and the questioning torpidity of our time
