is at the heart of becoming a competent and confident social worker. It is both a key element of learning and development on social work courses and an important aspect of social work practice. This accessible and introductory text explores a range of approaches to reflective practice that aims to help students become more confident in answering key questions including what is reflective practice, how do I develop as a reflective practitioner, how do I maintain reflective practice in key contexts. There are sections on writing reflective journals, communicating well with service users and carers, and reflective practice while on placements.

**Social Policy for Social Work, Social Care and the Caring Professions** Steve J Hothersall, Janine Bolger, 2020-11-29. This revised second edition analyses social policy in Scotland since devolution in 1999 and reflects the nascent and distinctively Scottish policy agenda. Along with updated chapters, there are two new inclusions: a chapter analysing post-devolution Scotland and a chapter on the likely impacts of Brexit on and within Scotland. Providing diagrams, tables, and a range of activities, the book maintains an innovative and pedagogic emphasis to introduce students to a wealth of materials, ideas, and practical responses to the increasingly complex and diverse situations faced by social workers and other professionals. Part 1 of the book looks at what social policy is, how and why it is made, and highlights the importance of the relationship between social policy and the law. Part 2 refers to specific themes of social exclusion, poverty, and more visible for this revised edition, austerity, considering their complex and multidimensional forms and discussing the range of policies currently extant that aim to combat such disadvantage. Part 3 provides a comprehensive overview of policy for practice, considering concepts of health inequality, mental health, older people, disability, children and families, education, substance use, criminal justice, asylum, and immigration and homelessness. This book will be of interest to undergraduate and postgraduate students as well as post-qualified professionals seeking to understand the complexities of the social policy landscape in Scotland and its influence on social work and related forms of professional practice.

**Social Work Practice with Children and Families** Carolyn Spray, Beverley Jowett, 2011-11-15.
