E. Pauline Johnson,1913 Inventing Stanley Park Sean Kheraj,2013-05-24 In the early hours of 15 December 2006 a windstorm of a ferocity not known for more than forty years ripped through Vancouver In the crisp light of dawn the city s residents awoke to discover that Stanley Park their city s most treasured park had been transformed into a tangle of splintered and uprooted trees In the weeks that followed people toured Stanley Park by car and by foot like a procession of mourners at a funeral Their anguish revealed more than just an attachment to the memory of a park it marked the end of a romanticized vision of timeless natural space In Inventing Stanley Park environmental historian Sean Kheraj examines how this tension between popular expectations of idealized wilderness and the volatility of complex ecosystems helped shape one of the world s most famous urban parks Drawing on a wealth of illustrations and the insights of environmental history Kheraj not only describes and depicts the natural and cultural forces that shaped the park s landscape he also reveals the roots of our complex relationship with nature Released to coincide with Stanley Park s 125th anniversary this book offers a revealing meditation on the interrelationship between nature culture parks policy and public memory **The Farmers' Advocate**
