MacDonald, Mary-Michelle DeCoste, 2014-04-23 What is Europe Who is European What do Europe and European identity mean in the twenty first century This collection of sixteen essays seeks to answer these questions by focusing on Europe as it is seen through its own eyes and through the eyes of others across a variety of cultural texts including sport film literature dance cartography and fashion These texts as interpreted here by emerging researchers as well as well established scholars enable us to engage with European identities in the plural and to understand what these identities mean in larger cultural and political contexts The interdisciplinary focus of this volume permits an exploration of European identity that reaches beyond the area of European studies to incorporate understandings of identity from the viewpoints of both insider and other Contributors explore diverse understandings of what it means to be other to a country a culture a society or a subgroup This book offers a fresh perspective on the evolving concept of identity in the context of Europe s past present and future and expands on the existing literature by considering the political tensions and social implications of the development of European identity as well as its literary artistic and cultural manifestations **The Accident** Mihail Sebastian, 2011-06-07 In the tradition of S ndor M rai Mihail Sebastian is a captivating Central European storyteller from the first half of the twentieth century whose work is being rediscovered by new generations of readers throughout Europe Latin America and the United States The 2000 publication of his *Journal 1935 1944 The Fascist Years* introduced his writing to an English speaking audience for the first time garnering universal acclaim Philip Roth wrote that Sebastian s *Journal* deserves to be on the same shelf as Anne Frank s *Diary* and to find as huge a readership Outside of the English speaking world Sebastian s reputation rests on his fiction This publication of *The Accident* marks the first appearance of the author s fiction in English A love story set in the Bucharest art world of the 1930s and the Transylvanian mountains it is a deeply romantic enthralling tale of two people who meet by chance Along snowy ski trails and among a mysterious family in a mountain cabin Paul and Nora united by an attraction that contains elements of repulsion find the keys to their fate Mihail Sebastian 1907 1945 was born in southeastern Romania and worked in Bucharest as a lawyer journalist novelist and playwright until anti Semitic legislation forced him to abandon his public career His long lost diary *Journal 1935 1944 The Fascist Years* was published in seven countries between 1996 and 2007 launching an international revival of his work Sebastian s novels and plays are available in translation throughout Europe and also have been published in Chinese Hindi Bengali and Hebrew **Latin American Identities After 1980** Gordana Yovanovich, Amy Huras, 2010-04-23 Latin

American Identities After 1980 takes an interdisciplinary approach to Latin American social and cultural identities With broad regional coverage and an emphasis on Canadian perspectives it focuses on Latin American contact with other cultures and nations Its sound scholarship combines evidence based case studies with the Latin American tradition of the essay particularly in areas where the discourse of the establishment does not match political social and cultural realities and where it is difficult to uncover the purposely covert This study of the cultural and social Latin America begins with an interpretation of the new Pax Americana designed in the 1980s by the North in agreement with the Southern elites As the agreement ties the hands of national governments and establishes new regional and global strategies a pan Latin American identity is emphasized over individual national identities The multi faceted impacts and effects of globalization in Bolivia Ecuador Mexico Cuba Brazil Chile Argentina and the Caribbean are examined with an emphasis on social change the transnationalization and commodification of Latin American and Caribbean arts and the adaptation of cultural identities in a globalized context as understood by Latin American authors writing from transnational perspectives *Speaking of Writing* Ann Clayton,2017-08-24 *SPEAKING OF WRITING* is a collection of interviews conducted by Ann Clayton with Canadian novelists including Janice Kulyk Keefer Alice Boissonneau Joy Kogawa Aritha van Herk Stephen Henighan Jane Urquhart and Barbara Gowdy **Canadian Cultural Exchange / Échanges culturels au Canada** Norman Cheadle,Lucien Pelletier,2011-04-07 The essays in *Canadian Cultural Exchange changes culturels au Canada* provide a nuanced view of Canadian transcultural experience Rather than considering Canada as a bicultural dichotomy of colonizer colonized this book examines a field of many cultures and the creative interactions among them This study discusses from various perspectives Canadian cultural space as being in process of continual translation of both the other and oneself Les articles réunis dans *Canadian Cultural Exchange changes culturels au Canada* donnent de l'expérience transculturelle canadienne une image nuancée Plutôt que dans les termes d'une dichotomie biculturelle entre colonisateur et colonisé le Canada y est vu comme un champ où plusieurs cultures interagissent de manière créative Cette étude présente sous de multiples aspects le processus continu de traduction d'autrui et de soi-même auquel l'espace culturel canadien sert de théâtre *A Report on the Afterlife of Culture* Stephen Henighan,2008-04-30 In this essay collection Henighan ranges across continents centuries and linguistic traditions to examine how literary culture and our perception of history are changing as the world grows smaller He weaves together daring literary criticism with front line reporting on events such as the end of the Cold War in Poland and African reactions to the G8 Summit *Blue River and Red Earth* Stephen Henighan,2018-04-12 These eleven short stories cover a wide range of territory from Toronto to Cuba to Eastern Europe And wide ranging over geography as they are they also cover an array of characters and situations that can only be situated in the twenty first century *The World of After* Stephen Henighan,2021-04-17 In a graduate student residence at Oxford University in the early 1990s Kevin an Irish Montrealer meets Leon a London Jew from a Communist family and Alex a Soviet defector's son brought up in Toronto When Alex begins

to tutor a charming yet troubled upper class English undergraduate the dynamics in their conflicted three way friendship culminate in Kevin and Leon playing a prank on Alex The act s disastrous outcome binds the three young men together emotionally even as it dispatches them on separate courses through the 1990s Ranging from a precisely and ironically evoked Oxford which parodies that of Evelyn Waugh s Brideshead Revisited to post Referendum Montreal war ravaged former Yugoslavia London Moscow Poland and Berlin The World of After depicts the 1990s as an interlude of freedom and confused but enriching self discovery between the rigidity of the Cold War and the stark divisions of the post September 11 2001 world Kevin struggles to find love recover a friendship he has betrayed and chart a world he no longer understands as Leon dodges his past and Alex descends into a criminal culture that leads to a confrontation with his own values When Words Deny the World Stephen Henighan,2002 It s the liveliest most cogently argued most provocative and most infuriatingly self satisfied work of literary criticism to be published in this country in at least the last decade **A Grave in the Air** Stephen Henighan,2007 Sweeping from Nazi Germany in 1939 to the war in Bosnia in the 1990s Stephen Henighan s A Grave in the Air is a masterful sequence of stories In these tales dominated by Central and Eastern European themes readers are transported across borders and into the lives of characters who have something serious at stake people enmeshed in acts of destruction and people redeemed through honour and grace These narratives bear Henighan s cosmopolitan stamp but they do not take place in a sanitized global village There are no stereotypes on which to hang a plot no filtered sense of the human condition There are stories of betrayal such as Beyond Bliss where a young British woman uses sex duplicity and her connections to an Eastern European exile to become a partner in a Canadian literary press luminous studies of introspection and character such as Freedom Square in which a Romanian photographer s desire to escape her mother country yields to surrender to it and ironic stories of historical displacement such as A Sense of Time in which an erotic memory takes life for a Canadian expatriate in England and Duty Calls where a Hungarian Montrealer experiencing divorce becomes the unsuspecting catalyst for another couple s commitment The two long stories which bracket the collection summarize its themes In the opening story a British businessman relies on the sporting spirit to try to avert the onset of the Second World War in the title story a weary foreign correspondent shaken by his encounter with a band s disturbing groupie must face his own truth about ethnic cleansing in Bosnia Whether moving readers to reflection or providing engaging entertainment Henighan s prose is sharp and clean Once again he is as instructive in his understanding of peoples and cultures as he is instinctive in taking us inside the worlds that shape them **The Book Review Digest** ,2003 **Romania & Moldova** ,2007 *The Language of the Moldovans* Matthew H. Ciscel,2007-06-07 Who are the Moldovans The Language of the Moldovans explores this question from the perspective of debates about the languages spoken by the people of this ex Soviet state Locating language as a central point of both cohesion and conflict in the region s recent history the peculiarities of the Moldovans are illustrated by a survey of language attitudes a series of ethnographic

interviews and extensive observations by the author The result is an image of an emerging nation that is at once similar to the experiences of other ex Soviet states and uniquely complex Much of that complexity lies in the population s extensive multilingualism and in uncertainty about the Romanian ness of the official language This cross discipline volume is of great interest to advanced students and researchers of linguistics political science and Eastern European studies *Canadian Books in Print.
