The Lost Voices of World War I Tim Cross,1989      **The Lost Voices of World War I** Tim Cross,1988 This anthology looks at a broad international cross section of literary talent cut short by the 1914 18 War and is published to coincide with the Armistice Festival on the 70th anniversary of the end of World War I The writers include both the familiar names of Rupert Brooke Wilfred Owen Saki Edward Thomas Apollinaire and Alain Fournier and some who are receiving English translation for the first time such as Hungarian Geza Gyoni and Czech Frantisek Gellner or the German Alfred Sack In all some 70 writers from just about all the combatant nations are represented Extracts from their work are cited with introductory essays and biographical and bibliographical details while an appendix lists some 800 writers who are known to have been killed during the war Tim Cross is responsible for mounting the Armistice Festival the first international artistic commemoration of the fallen of World War I      **A History of World War One Poetry** Jane Potter,2023-01-12 Situating First World War poetry in a truly global context this book reaches beyond the British soldier poet canon A History of World War One Poetry examines popular and literary ephemeral and enduring poems that the cataclysm of 1914 1918 inspired Across Europe poets wrestled with the same problem how to represent a global conflict dominated by modern technology involving millions of combatants and countless civilians For literary scholars this has meant discovering and engaging with the work of men and women writing in other languages on other fronts and from different national perspectives Poems are presented in their original languages and in English translations some for the very first time while a Coda reflects on the study and significance of First World War poetry in the wake of the Centenary A History of World War One Poetry offers a new perspective on the literary and human experience of 1914 1918      A Companion to World War I John Horne,2012-01-30 A Companion to the First World War brings together an international team of distinguished historians who provide a series of original and thought provoking essays on one of the most devastating events in modern history Comprises 38 essays by leading scholars who analyze the current state of historical scholarship on the First World War Provides extensive coverage spanning the pre war period the military conflict social economic political and cultural developments and the war s legacy Offers original perspectives on themes as diverse as strategy and tactics war crimes science and technology and the arts Selected as a 2011 Outstanding Academic Title by CHOICE      J. Bourne,2000-11      International Poetry of the First World War Constance M. Ruzich,2020-10-15 Ranging far beyond the traditional canon this ground breaking anthology casts a vivid new light on poetic responses to the First World War Bringing together poems by soldiers and non combatants patriots and dissenters and from all sides of the conflict across the world International Poetry of the First World War reveals the crucial public role that poetry played in shaping responses to and the legacies of the conflict Across over 150 poems this anthology explores such topics as the following Life at the Front Psychological trauma Noncombatants and the home front Rationalising the war Remembering the dead Peace and the aftermath of the war With contextual notes throughout the book includes

poems written by authors from America Australia Austria Hungary Belgium Canada France Germany Great Britain India Ireland Italy New Zealand Russia and South Africa

**A War of Peoples 1914-1919** Adrian Gregory, 2014-05 This new perspective on the First World War offers a concise narrative of the war in its global context from the first military actions in July 1914 to the signing of the peace treaty by Germany in July 1919 and explores how our understanding of the war has changed over time

**Back to the Front** Stephen O'Shea, 2009-05-26 World War I is beyond the memory of almost everyone alive today Yet it has left as deep a scar on the imaginative landscape of our century as it has on the land where it was fought Nowhere is that more evident than on the Western Front the sinuous deadly line of trenches that stretched from the coast of Belgium to the border of France and Switzerland a narrow swath of land in which so many million lives were lost For journalist Stephen O Shea the legacy of the Great War is personal both his grandfathers fought on the front lines and cultural Stunned by viewing the immense wound still visible on the battlefield of the Somme and feeling that history is too important to be left to the professionals he set out to walk the entire 450 miles through no man s land to discover for himself and for his generation the meaning of the war Back to the Front is a remarkable combination of vivid history and opinionated travel writing As his walk progresses O Shea recreates the shocking battles of the Western Front many now legendary Passchendaele the Somme the Argonne Verdun and offers an impassioned perspective on the war the state of the land and the cultivation of memory His consummate skill with words and details brings alive the players famous and faceless on that horrific stage and makes us aware of why the Great War indeed history itself still matters An evocative fusion of past and present Back to the Front will resonate for all who read it as few other books on war ever have

**Letters From the Front: Letters and Diaries from the BEF in Flanders and France, 1914-1918** Kevin Smith, 2014-03-27 A generation raised on the British Empire confronted the unexpected horrors of modern war Never were a nation s expectations so different from the coming clash of the First World War Expecting a vigorous romp to victory soldiers endured a brutal quagmire Presenting letters diaries of soldiers themselves many unseen for nearly a hundred years Smith allows men from Field Marshall Dugly Haig to plain Private Smith to have a clear voice With enough narrative to recall how the Great War unfolded a wealth of vivid detail brings the miserable life in the trenches back to life What began with high hopes and horses ended with disillusion and tanks From the build up at the beginning of the war until the immediate post war reduction Letters from the Front Letters and Diaries from the BEF in Flanders and France 1914 1918 is enlivened with fascinating details and makes a moving entertaining and informative read

**Young Jewish Poets Who Fell as Soviet Soldiers in the Second World War** Rina Lapidus, 2014-09-15 This book deals with the work of fifteen young Jewish poets who were killed died of wounds or were executed in captivity while serving in the Red Army in the Second World War All were young all were poets most were thoroughly assimilated into Soviet society whilst at the same time being rooted in Jewish culture and traditions Their poetry written mostly in Russian Yiddish and Ukrainian was coloured by their backgrounds by the literary and cultural climate that

prevailed in the Soviet Union and was deeply concerned with their expectation of impending death at the hands of the Nazis. The book examines the poets' backgrounds, their lives, their poetry, and their deaths. Like the experiences and poetry of the British First World War poets, the lives and poems of these young Jewish poets are extremely interesting and deeply moving.

*A Deep Cry* Anne Powell, 2014-10-06. The lives, deaths, poetry, diaries, and extracts from letters of sixty-six soldier poets are brought together in this limited edition of Anne Powell's unique anthology, a fitting commemoration for the centenary of the First World War. These poems are not simply the works of well-known names such as Wilfred Owen; though they are represented, they have been painstakingly collected from a multitude of sources, and the relative obscurity of some of the voices makes the message all the more moving. Moreover, all but five of these soldiers lie within forty-five miles of Arras. Their deaths are described here in chronological order, with an account of each man's last battle. This in itself provides a revealing gradual change in the poetry, from early naïve patriotism to despair about the human race and the bitterness of *Dulce et Decorum Est*.

**Everything to Nothing** Geert Buelens, 2016-02-16. The poets' Great War, violence, revolution, and modernism. The First World War changed the map of Europe forever. Empires collapsed, new countries were born, revolutions shocked and inspired the world. This tumult, sometimes referred to as the literary war, saw an extraordinary outpouring of writing. The conflict opened up a vista of possibilities and tragedies for poetic exploration, and at the same time, poetry was a tool for manipulating the sentiments of the combatant peoples. In Germany alone, during the first few months, there were over a million poems of propaganda published. We think of war poets as pacifistic protestors, but that view has been created retrospectively. The verse of the time, particularly in the early years of the conflict, in Fernando Pessoa or Filippo Tommaso Marinetti, for example, could find in the violence and technology of modern warfare an awful and exhilarating epiphany. In this cultural history of the First World War, the conflict is seen from the point of view of poets and writers from all over Europe, including Rupert Brooke, Anna Akhmatova, Guillaume Apollinaire, Gabriele D'Annunzio, Vladimir Mayakovsky, Rainer Maria Rilke, and Siegfried Sassoon. *Everything to Nothing* is the award-winning panoramic history of how nationalism and internationalism defined both the war itself and its aftermath: revolutionary movements, wars for independence, civil wars, the treaty of Versailles. It reveals how poets played a vital role in defining the stakes, ambitions, and disappointments of postwar Europe.

**Cambridge Poets of the Great War** Michael Copp, 2001. This anthology contains 155 poems by forty-nine poets, all of whom have connections with Cambridge University. The poems have been selected to represent a comprehensive range of responses: patriotic, protest, satirical, realistic, elegiac, pastoral, and homoerotic. The introduction provides analytical notes on all the poems. Three appendixes discuss Charles Sorley's comments on Rupert Brooke, Siegfried Sassoon's statement of protest, and A. E. Tomlinson's scathing attack on Brooke. [Edinburgh Companion to the First World War and the Arts](#)

Ann-Marie Einhaus, 2017-05-24. A new exploration of literary and artistic responses to WW1 from 1914 to the present. This authoritative reference work examines literary and artistic responses to the war's upheavals across a wide range of media and

genres from poetry to pamphlets sculpture to television documentary and requiems to war reporting Rather than looking at particular forms of artistic expression in isolation and focusing only on the war and inter war period the 26 essays collected in this volume approach artistic responses to the war from a wide variety of angles and where appropriate pursue their inquiry into the present day In 6 sections covering Literature the Visual Arts Music Periodicals and Journalism Film and Broadcasting and Publishing and Material Culture a wide range of original chapters from experts across literature and the arts examine what means and approaches were employed to respond to the shock of war as well as asking such key questions as how and why literary and artistic responses to the war have changed over time and how far later works of art are responses not only to the war itself but to earlier cultural production Key Features Offers new insights into the breadth and depth of artistic responses to WWI Establishes links and parallels across a wide range of different media and genres Emphasises the development of responses in different fields from 1914 to the present

**War, Culture, and the Media** Ian Stewart, Susan L. Carruthers, 1996 What is the role of the British media in our perception of warfare Are the impressions which we glean from war films television news reports and newspaper stories reliable What are the issues practical and political involved in bringing reports of armed conflict to our television screens Are British military institutions fairly represented and how are enemy forces portrayed How are ideas of nationalism and patriotism incorporated into the presentation of war These are some of the questions addressed in this new collection of essays The book is intended to provide students and general readers with a concise introduction to the main arguments and issues surrounding war and the moving image media in 20th century Britain as well as contributing new perspectives to this increasingly important area of debate Among the subjects discussed are the media build up to the Gulf War representations of the First World War reporting terrorism British imperialism in film transmission technologies and the news reporting of armed conflict the meaning of war toys and war games and postmodernism and military history

**Aesthetics of Religion** Alexandra K. Grieser, Jay Johnston, 2017-12-18 This volume is the first English language presentation of the innovative approaches developed in the aesthetics of religion The chapters present diverse material and detailed analysis on descriptive methodological and theoretical concepts that together explore the potential of an aesthetic approach for investigating religion as a sensory and mediated practice In dialogue with yet different from other major movements in the field material culture anthropology of the senses for instance it is the specific intent of this approach to create a framework for understanding the interplay between sensory cognitive and socio cultural aspects of world construction The volume demonstrates that aesthetics as a theory of sensory knowledge offers an elaborate repertoire of concepts that can help to understand religious traditions These approaches take into account contemporary developments in scientific theories of perception neuro aesthetics and cultural studies highlighting the socio cultural and political context informing how humans perceive themselves and the world around them Developing since the

1990s the aesthetic approach has responded to debates in the study of religion in particular striving to overcome biased categories that confined religion either to texts and abstract beliefs or to an indisputable *sui generis* mode of experience This volume documents what has been achieved to date its significance for the study of religion and for interdisciplinary scholarship

**Isonzo** John R. Schindler, 2001-04-30 This is the first account in English of a much overlooked but important First World War battlefield located in the mountains astride the border between Italy and the Austro Hungarian Empire Not well known in the West the battles of Isonzo were nevertheless ferocious and compiled a record of bloodletting that totaled over 1 75 million for both sides In sharp contrast to claims that neither the Italian nor the Austrian armies were viable fighting forces Schindler aims to bring the terrible sacrifices endured by both armies back to their rightful place in the history of 20th century Europe The Habsburg Empire he contends lost the war for military and economic reasons rather than for political or ethnic ones Schindler's account includes references to remarkable personalities such as Mussolini Tito Hemingway Rommel and the great maestro Toscanini This Alpine war had profound historical consequences that included the creation of the Yugoslav state the problem of a rump Austrian state looking to Germany for leadership and the traumatic effects on a generation of young Italian men who swelled the ranks of the fascists After nearly a century Isonzo can assume its proper place in the ranks of the tragic Great War clashes alongside Verdun the Somme and Passchendaele

*Take Flight to God* Reinhard Sorge, 2024-04-17 The religious poetry of Reinhard Sorge speaks of his journey to Christian belief and the final joy and deep love of God that he eventually found This is the first time a book entirely of Sorge's poetry has been published in the English Language and the riches revealed by John Gallas's elegant translations show this extraordinary poet in a new light This collection is translated from a selection published in 1925 by Dr Martin Rockenbach entitled *Nachgelassene Gedichte* simply Posthumous Poems Gallas retains the structure of the original poems while crafting new and appealing works in the English language offering readers a window into the heartfelt passion and faith of the original poetry

**Stand in the Trench, Achilles** Elizabeth Vandiver, 2010-02-18 Elizabeth Vandiver examines the ways in which British poets of the First World War used classical literature culture and history as a source of images ideas and even phrases for their own poetry Vandiver argues that classics was a crucial source for writers from a wide variety of backgrounds from working class poets to those educated in public schools and for a wide variety of political positions and viewpoints Poets used references to classics both to support and to oppose the war from its beginning all the way to the Armistice and after By exploring the importance of classics in the poetry of the First World War Vandiver offers a new perspective on that poetry and on the history of classics in British culture

**Verdun and the Somme** Harro Grabolle, 2004 Analysis of British and German prose fiction written between 1916 and 1937 with different ideological points of view Authors represented include from Germany Fritz von Unruh Josef M Wehner Werner Beumelburg Arnold Zweig and from Britain Alec J Dawson Alan P Herbert Arthur D Gristwood Frederic Manning and David Jones
