Danny didn't know what she was looking for when she and her mother spread out a map of the United States and Danny put her finger down on Tempest California. What she finds are the Grays, a group of friends who throw around terms like queer and witch like they're ordinary and everyday, though they feel like an earthquake to Danny. But Danny didn't just find the Grays. They cast a spell that calls her halfway across the country because she has something they need; she can bring back Imogen, the most powerful of the Grays, missing since the summer night she wandered into the woods alone. Dragons of a Lost Star Margaret Weis, Tracy

Hickman, 2011-05-24. New York Times bestseller. Amidst the chaos of the War of Souls, a band of brave and selfless heroes struggles against an immortal power. Crying the praises of the One God, a mystical young woman named Mina has appeared out of a magical storm and overrun the land with her army of dark armored knights. The elven land of Silvanesti has fallen prey to their might. The young elf king has fallen prey to Mina's amber eyes. Meanwhile, the great dragon overlord Beryl launches an attack against the people living under her rule. As her dragon army swarms the Citadel of Light, Palin and Tasslehoff are forced to flee and are rescued only by the interference of a mysterious person from their past. The elves of Qualinesti must choose between exile from their beloved homeland or death by a dragon's wrath. Even Goldmoon leaves her people compelled to follow a growing river of souls that flows northward to a dark and dreaded land. It seems no one can stand against the powerful and relentless entity guiding the devastating events on Krynn. At last, one lone dragon seeks out an old enemy, vowing at any cost to find the answers to the mystery that is the One God.
