Lost Bodies Laura E. Tanner, 2018-07-05 If the dying body makes us flinch and look away struggling not to see what we have seen the lost body disappears from cultural view buried along with the sensory traces of its corporeal presence from the Introduction American popular culture conducts a passionate love affair with the healthy fit preferably beautiful body and in recent years theories of embodiment have assumed importance in various scholarly disciplines But what of the dying or dead body Why do we avert our gaze speak of it only as absence This thoughtful and beautifully written book illustrated with photographs by Shellburne Thurber and other remarkable images finds a place for the dying and lost body in the material intellectual and imaginary spaces of contemporary American culture Laura E Tanner focuses her keen attention on photographs of AIDS patients and abandoned living spaces newspaper accounts of September 11 literary works by Don DeLillo Donald Hall Sharon Olds Marilynne Robinson and others and material objects including the AIDS Quilt She analyzes the way in which these representations of the body reflect current cultural assumptions revealing how Americans read imagine and view the dynamics of illness and loss The disavowal of bodily dimensions of death and grief she asserts deepens rather than mitigates the isolation of the dying and the bereaved *Lost Bodies* will speak to anyone imperiled by the threat of loss

Disaster Recovery Brenda D. Phillips, 2009-05-06 Disaster recovery is often unplanned for in the emergency management life cycle Yet recovery is the key stage where funds programs professional expertise and volunteer efforts are applied to affected cities states and regions to get them up and running again Providing a unique perspective on a highly focused area Disaster Recovery is the fi

Learning from 9/11--understanding the Collapse of the World Trade Center United States. Congress. House. Committee on Science, 2003 **A Plague of Prisons** Ernest Drucker, 2013-05-28 When Dr John Snow first traced an outbreak of cholera to a water pump in the Soho district of London in 1854 the field of epidemiology was born Ernest Drucker's *A Plague of Prisons* takes the same concepts and tools of public health that have successfully tracked epidemics of flu tuberculosis and AIDS to make the case that our current unprecedented level of imprisonment has become an epidemic Drucker passionately argues that imprisonment originally conceived as a response to the crimes of individuals has become mass incarceration a destabilizing force a plague upon our body politic that undermines families and communities damaging the very social structures that prevent crime Described as a towering achievement Ira Glasser and the clearest and most intelligible case for a reevaluation of how we view incarceration *Spectrum Culture A Plague of Prisons* offers a cutting edge perspective on criminal justice in twenty first century America that could help to shame the U S public into demanding remedial action *The Lancet*

Mothers, Infants and Young Children of September 11, 2001 Beatrice Beebe, Phyllis Cohen, K. Mark Sossin, Sara Markese, 2013-09-13 The group of papers presented in this volume represents ten years of involvement of a group of eight core therapists working originally with approximately forty families who suffered the loss of husbands and fathers on September 11 2001 The project focuses on the families of

women who were pregnant and widowed in the disaster or of women who were widowed with an infant born in the previous year This book maps the support and services provided without cost to the families by the primary prevention project the September 11 2001 Mothers Infants and Young Children Project organised by a highly trained group of therapists specialising in adult child mother infant and family treatment as well as in nonverbal communication The demands of the crisis led these therapists to expand on their psychoanalytic training fostering new approaches to meeting the needs of these families They sought out these families offering support groups for mothers and their infants and young children in the mothers own neighbourhoods They also brought the families to mother child videotaped play sessions at the New York State Psychiatric Institute at Columbia University followed by video feedback and consultation sessions In 2011 marking the 10th anniversary of the World Trade Center tragedy the Project continues to provide services without cost for these mothers who lost their husbands for their infants who are now approximately ten years old and for the siblings of these children This book was originally published as a special issue of the Journal of Infant Child and Adolescent Psychotherapy

The Rule of Law in an Era of Change George J. Andreopoulos, Rosemary L. Barberet, Mahesh K. Nalla, 2018-07-16 This forward thinking volume examines the rule of law from a global perspective in the context of a growing array of transnational challenges and threats As the United Nations UN notes the rule of law constitutes the basis on which fair and just societies are built The contributions to this volume provide insights to several emerging debates about what the rule of law means in the modern era of warfare and of massive and systematic human rights violations that call for robust and transparent accountability mechanisms and processes The authors of this work examine several controversial topics including The growing use of drones and the morality of long distance use The UN Security Council s evolving counterterrorism policies and practices Victims Rights and the effort to provide meaning and justice to victims and survivors of terrorism The relationship between the International Criminal Court ICC and Truth and Reconciliation Commissions TRCs The effectiveness of the international criminal justice process overall with an eye to procedural fairness and justice This timely work will be of interest to researchers in criminal justice particularly with a focus on counter terrorism and international justice as well as international law human rights and international studies

September 11 health effects in the aftermath of the World Trade Center attack : testimony before the Subcommittee on National Security, Emerging Threats, and International Relations, Committee on Government Reform, House of Representatives / , CRASH! Randy Malamud, 2024-12-12 CRASH explores the fascinating revealing and surprising cultural impact of plane crashes across art literature music media and creative nonfiction Plane crashes are covered extensively but they are not analyzed very deeply beyond rote media reports and forensic accident investigations This is despite the voluminous diverse and fascinating cultural materials poems and novels songs films art TV series and on and on that emerge in the wake of aviation disasters Randy Malamud reanimates these tragic events and identifies how they persist

and resonate through our culture more than we might have imagined and in intricately far reaching ways A unique and extraordinarily wide ranging cultural examination CRASH takes the reader on a journey that includes reflections on flight phobia themes of crash survival with asides on Lord of the Flies The Little Prince and Ernest Hemingway s two day two crash adventure the existentialism of pilots last words the day the music died deep dives into modernist plane wreck paintings kamikaze pilots and their Zen death poems plane crashes before planes race crash and gender and the cultural aftermath of 9 11 Ultimately Malamud shows that crashes do not bring about complete and total destruction we accomplish some degree of restoration by shoring fragments against the ruins The plane is dead long live the plane *The 2/26 Before 9/11 @ The World Trade Center* Clifford N. Oporum,2024-10-01 This book is based on a true eyewitness account of what actually happened on that uneventful gloomy snowy and cold early afternoon on Friday February 26 1993 at America s famous landmark the World Trade Center As one of the living survivors of that first attack in 1993 I realized that the 9 11 2001 story would be incomplete without the knowledge and clear understanding of the tragic and sad events of 2 26 1993 which shook many Americans and citizens of other nations who called the World Trade Center their home for business I also thought that it would be morally and psychologically unfair to the thousands of men women and children who were directly or indirectly victimized by that particular incident which took six innocent lives and left hundreds of people wounded and traumatized and several families devastated in its aftermath You will agree with me that one life lost is one too many **The**
