**Ten sermons** Henry Charles Knight, 1849      **Spirits Realm** Ross Rozani, 2018-11-26 The spirit realm is just like a fantasy world as spirits are invisible to the eyes and impossible to prove their existence The only guide we have is from religious scriptures The acceptance is very much dependent on the strength of faith of the one who s seeking them Experiences are often rebuked or circumvented and that is how we lose the opportunity to understand the unseen s existence When belief and

science collide we struggle and start taking sides based on the only knowledge we have at the time and life goes on as if nothing else matters Age is a factor that reminds us that we are mortal and will inevitably cease to be one day Only then do we realize that we have a double life to lead which is the physical and the spiritual life That is when we appreciate that we do have a spiritual life that we should take care of To unravel the mystery of the spirit world is not an easy task it requires serious dedication and a lot of passion to eliminate baseless hearsay Understanding and appreciation of the spiritual world and their activities are delicate and only the strength of faith can bestow these upon us      *The Spirit-scenes of the Bible, and the Life to Come* Rev. Arthur Riky Hogan, 1877
