A Companion to Jean Renoir Alastair Phillips, Ginette Vincendeau, 2013-04-11 A Companion to Jean Renoir An extraordinary collection of essays that more than fulfills the aims of its editors Alastair Phillips and Ginette Vincendeau The essays offer exciting original work from younger scholars as well as long established authorities all of which offer invaluable insights into the films writings and life of Jean Renoir Receiving particular attention are questions about the singularity or multiplicity of what the editors call the many Renoirs French American Indian even transnational especially from the early 1930s through the early 1960s Whether mining relatively unexplored archive materials deploying newly current methodological approaches interrogating one of a wide range of topics and issues or engaging in close textual analysis the contributors construct a tantalizing series of innovative road maps for future researchers to pursue Richard Abel University of Michigan Alastair Phillips and Ginette Vincendeau have brought together essays that bring new perspectives to both the best known and the lesser known of Renoir s films Both French cinema specialists and viewers new to Renoir s work will find much of interest in this outstanding collection Judith Mayne Ohio State University Dubbed simply the best director by François Truffaut Jean Renoir is a towering figure in world film history This exhaustive survey of his work and life features a comprehensive analysis of his films from the multiple critical perspectives of the world s leading Renoir scholars Renoir s career spanned four decades and four countries and included an extraordinary body of films some of which *La Grande illusion* 1937 and *La Règle du jeu* 1939 are universally recognized masterpieces Fathered by the celebrated painter Pierre Auguste Renoir the filmmaker lived through much of the twentieth century beginning his career in the silent era and ending it in full Technicolor His films are notable for their paradoxical combination of strong internal coherence and thematic breadth and diversity and they provide a rich source for today s scholars of film history and French culture This handbook the largest volume on Renoir ever produced in the English language ranges in scope from extreme close up analysis of individual films to long shot explorations of his aesthetics and the social and cultural contexts in which he worked The most ambitious critical study of Renoir to date this book will appeal to film enthusiasts as much as scholars and specialists

Love in Contemporary British Drama Korbinian Stöckl, 2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama *Love in Contemporary British Drama* reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love s compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book

demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned *Love Inspired November 2023 Box Set - 2 of 2* Pamela Desmond Wright, Betsy St. Amant, Danielle Thorne, 2023-10-24 Love Inspired brings you three new titles Enjoy these uplifting contemporary romances of faith forgiveness and hope This box set includes **BONDING OVER THE AMISH BABY** by Pamela Desmond Wright After a car accident Dr Caleb Sutter is stranded in a Texas Amish community Then he suddenly becomes the temporary guardian to a newborn along with pretty Amish teacher Rebecca Schroder But the baby soon raises questions about his family history leading Caleb to a crossroads between his past and a future love **THEIR HOLIDAY SECRET** by Betsy St Amant Preston Green will do anything for a fake girlfriend even bid on one at a charity auction Lulu Boyd is the perfect choice to stop his mother's matchmaking And it's just for one holiday family dinner Soon it feels all too real but another secret might make this their last Christmas together **THE DOCTOR'S CHRISTMAS DILEMMA** by Danielle Thorne Once upon a time Ben Cooper left town to become a big city doctor Now he's back to run his father's clinic and spend Christmas with his daughter Not to fall for old love McKenzie Price But when McKenzie helps Ben reconnect with his little girl will Ben accept this second chance at love For more stories filled with love and faith look for Love Inspired November 2023 Box Set 1 of 2 *Louise Erdrich's Love Medicine* Hertha Dawn Wong, 2000 This is a casebook on Louise Erdrich's first novel Love Medicine which came out in 1984 to instant national acclaim winning a National Book Circle Critics Award and launching a tetralogy which it would take Erdrich ten years to complete **The New Grove Book of Operas** Stanley Sadie, 1996 This book combines meticulous scholarship with a lightness of touch that will delight the opera goer The fascinating illustrations bring an amusing dimension showing how opera has been staged from its beginnings to modern deconstructed productions The operas are listed in alphabetical order In addition to a full synopsis of every plot there is a cast list and a note of the singers in the original production as well as information about the origins of the work and its literary and social background Each contribution concludes with a brief comment on its place in operatic history There is also a listing by composer a glossary and indexes of the names of operatic characters and the first lines of arias so if you are not sure which opera Gilda or Agathe sings in or are apt to confuse Vespina with Despina your problem is quickly solved
