Thomas Mann, 2024-02-22 *The Magic Mountain* is a novel by Thomas Mann first published in German in November 1924. It is widely considered to be one of the most influential works of twentieth century German literature. Mann started writing what was to become *The Magic Mountain* in 1912. It began as a much shorter narrative which revisited in a comic manner aspects of *Death in Venice*, a novella that he was preparing for publication. The newer work reflected his experiences and impressions during a period when his wife, who was suffering from a lung complaint, resided at Dr. Friedrich Jessen's Waldsanatorium in Davos, Switzerland, for several months. In May and June 1912, Mann visited her and became acquainted with the team of doctors and patients in this cosmopolitan institution. According to Mann in the afterword that was later included in the English translation of his novel, this stay inspired his opening chapter, *Arrival*. The outbreak of World War I interrupted his work on the book. The savage conflict and its aftermath led the author to undertake a major re-examination of European bourgeois society. He explored the sources of the destructiveness displayed by much of civilised humanity. He was also drawn to speculate about more general questions related to personal attitudes to life, health, illness, sexuality, and *Magic Mountain* [*Der Zauberberg*]. Thomas Mann, 1927 *The Adventures of Captain Bonneville, U. S. A. in the Rocky Mountains and the Far West* Washington Irving, 1871 **Perspectives on Max Frisch** Gerhard F. Probst, Jay F. Bodine, 2014-07-15 Max Frisch, with his countryman Friederich Diirrenmatt, shares the place of eminence in contemporary Swiss literature. Indeed, he ranks high among the recent leading writers in the German language. But although several of his works, novels and plays, have been translated into English, he remains little known in America. In this collection of essays, an international group of scholars provides a fresh introduction to this noted author. The three leading essays review Frisch's work in the forms he has used most extensively: drama, narrative fiction, and the personal diary. The remaining nine essays focus on specific works or topics. Among the works examined are *I m Not Stiller*, *A Wilderness of Mirrors*, *Wilhelm Tell*, and the recent *Man in the Holocene*. Among the topics are Frisch's use of language and images, his treatment of women, and the element of parody. Concluding the volume is the most complete bibliography on Frisch to appear in English to date. **The Everything Family Guide to the Disneyland Resort, California Adventure, Universal** Betsy Malloy, 2007-09-01 If your idea of the perfect vacation involves sunny days, thrilling rides, and movie magic, *The Everything Family Guide to the Disneyland Resort California Adventure*, Universal Studios and the Anaheim Area, 2nd Edition, will help you make the most of your trip out West. Containing the most up-to-date, accurate information, this family-focused travel guide contains everything you need to plan the perfect Southern Californian getaway. Anaheim Area 2nd Edition is the perfect resource for families planning the vacation of a lifetime

The magic mountain (Der Zauberberg) tr. from the German Thomas Mann, 1927

Thomas Mann's The Magic Mountain Rodney Symington, 2011-09-22

Thomas Mann's novel *The Magic Mountain* presents a panorama of European society in the first two decades of the 20th century and depicts the philosophical and metaphysical dilemmas facing people in the modern age. In the years leading up to the First World War the fundamental elements of human nature were thrown into sharp relief by the political tensions that resulted in the ultimate metaphor for the innate destructiveness of humankind: the War itself. If such a war is the true expression of human tendencies, what hope is there for the future? Through the figure of the main character of the novel, Thomas Mann explores the alternative philosophies of life available to human beings in the modern age and invites the reader to undertake a personal odyssey of discovery with a view to adopting a positive approach in an era that seems to offer no clear-cut answers. This book is a comprehensive commentary on Thomas Mann's seminal novel, one of the key literary artefacts of the 20th century. The author has taken upon himself the task of explaining all the references and allusions contained in the novel and of providing readers who know little or no German with enough explanatory comment to enable them to understand the novel and extract the maximum reading pleasure from it.

In the Shadow of the Magic Mountain Andrea Weiss, 2024-05-31

A biography of Thomas Mann's two eldest children that provides intriguing insight into both their lives and the political and cultural shifts at the same time. Thomas Mann's two eldest children, Erika and Klaus, were unconventional, rebellious, and fiercely devoted to each other. Empowered by their close bond, they espoused vehemently anti-Nazi views in a Europe swept up in fascism and were openly even defiantly gay in an age of secrecy and repression. Although their father's fame has unfairly overshadowed their legacy, Erika and Klaus were serious authors, performance artists before the medium existed, and political visionaries whose searing essays and lectures are still relevant today. And as Andrea Weiss reveals in this dual biography, their story offers a fascinating view of the literary and intellectual life, political turmoil, and shifting sexual mores of their times. *In the Shadow of the Magic Mountain* begins with an account of the make-believe world the Manns created together as children, an early sign of their talents as well as the intensity of their relationship. Weiss documents the lifelong artistic collaboration that followed, showing how, as the Nazis took power, Erika and Klaus infused their work with a shared sense of political commitment. Their views earned them exile, and after escaping Germany, they eventually moved to the United States, where both served as members of the U.S. armed forces. Abroad, they enjoyed a wide circle of famous friends, including André Gide, Christopher Isherwood, Jean Cocteau, and W.H. Auden, whom Erika married in 1935. But the demands of life in exile, Klaus's heroin addiction, and Erika's new allegiance to their father strained their mutual devotion, and in 1949, Klaus committed suicide. Beautiful, never-before-seen photographs illustrate Weiss's riveting tale of two brave nonconformists whose dramatic lives open up new perspectives on the history of the twentieth century.
