Magic Names Of Fashion:

Magic Names of Fashion Ernestine Carter, 1980 **The A to Z of the Fashion Industry** Francesca Sterlacci, Joanne Arbuckle, 2009-10-26 The history of clothing begins with the origin of man and fashionable dress can be traced as far back as 25 000 years ago Recent scientific explorations have uncovered graves in northern Russia with skeletons covered in beads made of mammoth ivory that once adorned clothing made of animal skin The Ancient Egyptians Greeks and Romans each made major contributions to fashion s legacy from their textile innovations unique clothing designs and their early use of accessories cosmetics and jewelry During the Middle Ages fashion trends emerged as trade and commerce thrived allowing the merchant class to afford to emulate the fashions worn by royals However it is widely believed that fashion didn t become an industry until the industrial and commercial revolution during the latter part of the 18th century Since then the industry has grown exponentially Today fashion is one of the biggest businesses in the world with hundreds of billions of dollars in turnover and employing tens of millions of workers It is both a profession an industry and in the eyes of many an art The A to Z of the Fashion Industry examines the origins and history of this billion dollar industry This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced entries on designers models couture houses significant articles of apparel and fabrics trade unions and the international trade organizations *The Magic of Fashion* Brian Moeran, 2016-06-16 Drawing on 20 years of ethnographic fieldwork and anthropological theory anthropologist Brian Moeran argues that fashion magazines are able to cast a spell over their readers by using practices and rituals found in age old magical and religious rites **Historical Dictionary of the Fashion Industry** Francesca Sterlacci, Joanne Arbuckle, 2017-06-30 From the first animal skin body coverings to today s high fashion collections fashion has held an important role in the evolution of mankind The fashion industry has and continues to make major contributions to our cultural and social environment It is an industry that responds to our inherent longing for tribal belonging our socio economic needs individual lifestyles status stratification and profession apparel requirements The fashion industry is fast paced complex and ever changing in response to consumer needs Throughout the world vast numbers of people contribute to this industry each with the shared goal of supplying an end product of a particular price point directed at a target consumer This second edition of Historical Dictionary of the Fashion Industry contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 400 cross referenced entries on designers models couture houses significant articles of apparel and fabrics trade unions and the international trade organizations This book is an excellent resource for students researchers and anyone wanting to know more about the fashion industry Who's Who in Fashion Holly Price Alford, Anne Stegemeyer, 2014-09-25 Students of fashion design are eager to explore the history of their chosen field as well as keep up with new and emerging designers Who s Who in Fashion captures the energy drama and excitement of the luminaries who make up the world of fashion Profiles include design philosophies mentors and sources of inspiration

tracing the careers of many of the men and women who have contributed to fashion Not only are today's major figures and legendary designers of the past profiled but lesser known individuals and newcomers worth watching are included as well Also included are the interesting nonconformists free spirits who prefer to work off the main fashion path The picture would not be complete without the style makers those with an instinct and an eye for fashion who interpret it for the public the editors photographers and artists

The Fashion Handbook Tim Jackson, David Shaw, 2004-09-20 The Fashion Handbook is the indispensable guide to the fashion industry It explores the varied and diverse aspects of the business bringing together critical concepts with practical information about the industry's structure and core skills as well as offering advice on real working practices and providing information about careers and training Tracing the development of the fashion industry this book looks at how fashion can be understood from both social and cultural perspectives Each chapter contributes to the knowledge of a particular academic or vocational area either through building on existing research or through the dissemination of new research undertaken into specialist vocational disciplines The Fashion Handbook uses case studies interviews and profiles and includes chapters written by recognised academics and fashion industry experts Specialist topics include fashion culture luxury brands fashion journalism fashion buying design and manufacturing retailing PR and styling The Fashion Handbook includes a unique and wide overview of the fashion industry chapters on specialist topics contributions from recognised experts in both academia and the fashion industry expert advice on careers in fashion retailing A must for all students of the fashion world

Tim Gunn's Fashion Bible Tim Gunn, 2013-09-03 A meticulously researched history of Western fashion shares authoritative insights into everything from suits and sportswear to high heels and blue jeans while assessing the contributions of revolutionary designers **The Great Fashion Designers** Brenda Polan, Roger Tredre, 2009-10-01 Over the course of the last 180 years designers have propelled fashion from an elite craft into a cornerstone of popular culture This brilliantly written guide to the lives and collections of 55 iconic fashion designers draws on the latest academic research and the best of fashion journalism including the authors own interviews with designers Beginning with 19th century couturier Charles Frederick Worth and concluding with the star names of the 2010s Polan and Tredre detail each designer's working methods and career highlights with engaging essays that capture the spirit of their times This revised edition has hundreds of inspiring colour photos and features five new designer profiles Hedi Slimane Raf Simons Phoebe Philo Alessandro Michele and Demna Gvasalia It's also been updated throughout to reflect a fashion world in constant ferment with designers swapping jobs and fashion houses at unprecedented speed The industry has expanded into a global phenomenon and designers have emerged as true celebrities The Great Fashion Designers explores their passion and flair showing us fashion at its most inspirational Modernizing Costume Design, 1820-1920 Annie Holt, 2020-10-14 Annie Holt identifies the roots of contemporary Euro American practices of costume design in which costumes are an integrated part of the dramaturgy rather than a reflection of an individual performer's taste or status She argues that in the period 1820-1920 as part of the larger project of modernism across the artistic and cultural field the functions of clothing and costume diverged Onstage apparel took on a more specific semiotic task acting as a fresh channel for the flow of information between the performer the literary text and the spectator Modernizing Costume Design traces how five kinds of artists directors performers writers couturiers and painters made key contributions to this new model of costume design Holt shows that by 1920 costume design shifted in status from craft to art *Make It Ours* Robin Givhan, 2025-06-24 Virgil Abloh's iconic rise to the top of the fashion industry embodied a groundbreaking transformation of the relationship between who we are and what we wear Abloh's appointment as head of menswear for Louis Vuitton in 2018 shocked the fashion industry as he became the first Black designer to serve as artistic director in the brand's 164 year history But as Pulitzer Prize winning culture critic Robin Givhan reveals Abloh's story encompasses so much more than his own journey Using Abloh's surprising path to the top

of the luxury establishment Givhan unfolds the larger story of how the cloistered exclusive fashion world faced a revolution from below in the form of streetwear and designers unafraid to storm the gates how their notions of what was luxury simultaneously anticipated and upended consumer preferences and how a simple T shirt held as much cultural power as a haute couture gown As Givhan relays Abloh rose during a time of existential angst for a fashion industry trying to make sense of its responsibilities to a diverse audience and the challenges of selling status to a generation of consumers who fetishized sneakers and prioritized comfort How that moment came to be how someone like Abloh who had no formal training in patternmaking or tailoring could come to symbolize and embody the industry's way forward is the story at the heart of this book Make It Ours is at once a remarkable biography of a singular creative force and a powerful meditation on fashion and race taste and exclusivity genius and luxury With access to Abloh's family friends collaborators and contemporaries and featuring a cast of fascinating characters ranging from visionary Black designers like Ozwald Boateng to Abloh's mercurial but critical employer and mentor Kanye West Givhan weaves a spellbinding tale of a young man's rise amid a cultural moment that would upend a century's worth of ideas about luxury and taste
