Gray,2018-03-23 In Money Matters Richard Gray investigates the discourses of aesthetics and philosophy alongside economic thought arguing that their domains are not mutually exclusive The transition in Germany from an agrarian or proto industrial economy to a capitalist industrial economy which was paralleled by a shift from the exchange of money in coin to the use of paper currencies occurred simultaneously with an efflorescence of German language literature and philosophy Based on close readings of canonical literary and philosophical texts Gray explores how this confluence led to a rich cross fertilization between economic and literary thought in Germany during this period Money Matters documents the surprising degree to which literature and philosophy participated in the creation of modern economic paradigms as well as the extent to which economics influenced literature and philosophy The cultural artifacts of the period demonstrate the existence of an economic unconsciousness persistent notions of value and exchange that inflect the aesthetic and thematic dimensions of literary and philosophical texts This book offers a thought provoking and original analysis of literature and ideas in the critical transition period from Kant and Goethe through the German Romantics to Marx      *Hard to Love* Kelsey Browning,2016-03-31 He's been a very bad boy Talented artist Greer Maddox jumps restlessly from one project to the next desperately searching for something to satisfy her That satisfaction evades her until the day leather tooler Alejandro Villanueva strolls into town looking like ten kinds of sexy trouble and he sure as hell doesn't deserve a sweet hometown girl After surviving his dark and dangerous past all Alex craves is a quiet future Alone where his former life and mistakes won't hurt him Or anyone else But the sound of Greer's dulce de leche voice and the sight of her curvy body immediately tempt him even though screwing around with a hometown girl is his worst idea ever but that won't keep him from taking what she's so willingly offering When Greer gets between Alex and a business opportunity that will secure his future he's inclined to wave adios But the lure of her smile her kiss and her bed are too much for him to resist Then Alex's past comes calling and he's forced to choose between hiding from his sins and saving the woman he loves      *Electra* ,1883      The Oxford Dictionary of Idioms Judith Siefring,2005-11-10 Did you know that flavour of the month originated in a marketing campaign in American ice cream parlours in the 1940s when a particular flavour would be specially promoted for a month at a time And did you know that off the cuff refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public These and many more idioms are explained and put into
