Sleepless in Sicily Emma Jackson, 2021-07-29 Under the starry Italian skies anything can happen For most women getting locked into a storeroom with movie star and undeniable heartthrob Rowan during a pre production shoot in London would be the stuff of dreams But for shy makeup artist Lila it s more like a nightmare It doesn t matter that Rowan is kind easy to talk to and even more gorgeous up close With her social anxiety she can t bear the idea of being embroiled in gossip and rumours about what exactly they were doing together More scandal is also not an option for outspoken Rowan whose agency is threatening to drop him if he doesn t toe the line After the two make their escape they promise to keep the incident a secret and when they meet again on set in stunning Sicily they pretend not to know each other But between the blue skies and sizzling Italian heat it becomes impossible to ignore the attraction simmering between them Lila and Rowan couldn t be more different but can they find a way to bring their worlds together For fans of Sandy Barker Mandy Baggot and Samantha Parks Sleepless in Sicily is the perfect summer holiday read Bearing Yhwh's Name at Sinai Carmen Joy Imes, 2023-06-21 The Name Command NC is usually interpreted as a prohibition against speaking Yhwh s name in a particular context false oaths wrongful pronunciation irreverent worship magical practices cursing false teaching and the like However the NC lacks the contextual specification needed to support the command as speech related Taking seriously the narrative context at Sinai and the closest lexical parallels a different picture emerges one animated by concrete rituals and their associated metaphorical concepts The unique phrase ns shm is one of several expressions arising from the conceptual metaphor election as branding that finds analogies in high priest regalia as well as in various ways of claiming ownership in

the Ancient Near East such as inscribed monuments the use of seals and the branding of slaves The NC presupposes that Yhwh has claimed Israel by placing Yhwh s own name on her In this light the first two commands of the Decalogue reinforce the two sides of the covenant declaration I will be your God you will be my people The first expresses the demand for exclusive worship and the second calls for proper representation As a consequence the NC invites a richer exploration of what it means to be a people in covenant with Yhwh a people bearing his name among the nations It also points to what is at stake when Israel carries that name in vain The image of bearing Yhwh s name offers a rich source for theological and ethical reflection that cannot be conveyed nonmetaphorically without distortion or loss of meaning
