Magic . . . Naturally! Vicki Cobb,1993-05-13 Explains and demonstrates scientific principles by using them to create magic tricks Magic...Naturally: Science Entertainments & Amusements Vicki Cobb,1976 Scientific principles are explained and demonstrated by using them to create magic tricks **StoryCraft** Martha Seif Simpson,Lynne Perrigo,2001-04-23 While storytelling is a great favorite of preschoolers many elementary age children are more drawn to crafts and other activities StoryCraft is an award winning library program that combines storytelling with crafts in an exciting and engaging activity for children in first through third grades Each one hour program includes storytelling a craft movement activities music and discussion This collection of StoryCraft programs presents 50 fun and educational theme based sessions Each includes suggestions for promotion music crafts activities and stories The sessions also include bibliographies to help direct young readers toward additional reading as well as diagrams detailed instructions and supply lists for the crafts The themes range from a Jungle Safari to Math Mayhem to a Western Roundup all encouraging children to enjoy reading in a variety of ways Each session has plenty of suggestions so that the program can be customized Helpful Hints for implementing the program can help any librarian volunteer or parent turn a ho hum storytime into a dazzling StoryCraft time *Reading Programs for Young Adults* Martha Seif Simpson,1997-07-15 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs Chemical Magic from the Grocery Store Andy S. W. Sae,1998-11 This book contains sixty activities many of which can be used by teachers of all grades Teachers and parents with little or no background in science or chemistry can understand and conduct these activities Students can do them too if supervision is provided The catchy title of each activity and the magic show approach are meant to capture attention arouse curiosity and dispel chemophobia Preface v
