WINNER A monumental work of erudition and irony sexual tension and intellectual ferment *The Magic Mountain* is an enduring classic With this dizzyingly rich novel of ideas Thomas Mann rose to the front ranks of the great modern novelists winning the Nobel Prize in Literature in 1929 *The Magic Mountain* takes place in an exclusive tuberculosis sanatorium in the Swiss Alps a community devoted to sickness that serves as a fictional microcosm for Europe in the days before the First World War To this hermetic and otherworldly realm comes Hans Castorp an ordinary young man who arrives for a short visit and ends up staying for seven years during which he succumbs both to the lure of eros and to the intoxication of ideas

The Witch and the Magic Mountain Howard Goodall,Renata Allen,1991 **South-Mountain Magic** Madeleine Vinton Dahlgren,1882 *The Magic Mountain* Thomas Mann,2025-09-07T22:50:38Z Hans Castorp is a young man ready to start a career in shipbuilding but before he does he decides to visit his cousin Joachim a patient residing at a tuberculosis sanatorium in the mountains of Switzerland Castorp enjoys meeting and chatting with the wide array of colorful personalities living at the sanatorium until its director delivers some bad news Castorp too has symptoms of disease and must remain at

the sanatorium indefinitely Thus begins a black comedy spanning years in which he lives and learns in this self contained world in the mountains The Magic Mountain is a bildungsroman and an allegory of the years surrounding World War I in which Castorp a naive blank slate symbolizing the Weimar Republic spends time with the motley crew in the sanatorium who each represent the nations and ideologies of Europe vying for his attention World War I broke out and concluded as Mann was writing the novel at first he was opposed to the Weimar Republic but he later changed his mind and this development in his personal philosophy is reflected in how Castorp and the patients interact over the years and in Castorp s ultimate fate Adding to the novel s staying power are its many layers of allegory and allusion including Greek mythology European fable music opera and theater literature mysticism numerology medicine and philosophy Above these layers is Mann s overarching message of illness and death as necessary struggles to overcome before reaching a fulfilled life a theme from his earlier novella Death in Venice that he explicitly wished to revisit and expand upon This book is part of the Standard Ebooks project which produces free public domain ebooks

Thomas Mann's The Magic Mountain Rodney Symington,2011-09-22 Thomas Mann s novel The Magic Mountain presents a panorama of European society in the first two decades of the 20th century and depicts the philosophical and metaphysical dilemmas facing people in the modern age In the years leading up to the First World War the fundamental elements of human nature were thrown into sharp relief by the political tensions that resulted in the ultimate metaphor for the innate destructiveness of humankind the War itself If such a war is the true expression of human tendencies what hope is there for the future Through the figure of the main character of the novel Thomas Mann explores the alternative philosophies of life available to human beings in the modern age and invites the reader to undertake a personal odyssey of discovery with a view to adopting a positive approach in an era that seems to offer no clear cut answers This book is a comprehensive commentary on Thomas Mann s seminal novel one of the key literary artefacts of the 20th century The author has taken upon himself the task of explaining all the references and allusions contained in the novel and of providing readers who know little or no German with enough explanatory comment to enable them to understand the novel and extract the maximum reading
