Insane Sisters Gregg Andrews, 1999-09-30 Insane Sisters is the extraordinary tale of two sisters Mary Alice Heinbach and Euphemia B Koller and their seventeen year property dispute against the nation s leading cement corporation the Atlas Portland Cement Company In 1903 Atlas built a plant on the border of the small community of Ilasco located just outside Hannibal home of the infamous cave popularized in Mark Twain s most acclaimed novels The rich and powerful Atlas quickly appointed itself as caretaker of Twain s heritage and sought to take control of Ilasco However its authority was challenged in 1910 when Heinbach inherited her husband s tract of land that formed much of the unincorporated town site On grounds that Heinbach s husband had been in the advanced stages of alcoholism when she married him the year before some of Ilasco s political leaders and others who had ties to Atlas challenged the will charging Heinbach with undue influence To help fight against the local lawyers and politicians who wanted Atlas to own the land Heinbach enlisted the help of her shrewd and combative sister Euphemia Koller by making her co owner of the tract In a complex case that went to the Missouri Supreme Court four times the sisters fiercely sought to hang on to the tract However in 1921 the county probate court imposed a guardianship over Heinbach and a circuit judge ordered a sheriff s sale of the property After Atlas purchased the tract Koller waged a lonely battle to overturn the sale and expose the political conspiracies that had led to Ilasco s conversion into a company town Her efforts ultimately resulted in her court ordered confinement in 1927 to Missouri s State Hospital Number One for the Insane where she remained until her death at age sixty eight Insane Sisters traces the dire consequences the sisters suffered and provides a fascinating look at how the intersection of gender class and law shaped the history and politics of Ilasco The book also sheds valuable new light on the wider consolidation of corporate capitalism and the use of guardianships and insanity to punish unconventional women in the early twentieth century
