Neo-Avant-Garde Mark Silverberg,2016-02-17 New York City was the site of a remarkable cultural and artistic renaissance during the 1950s and 60s In the first monograph to treat all five major poets of the New York School John Ashbery Barbara Guest Kenneth Koch Frank O Hara and James Schuyler Mark Silverberg examines this rich period of cross fertilization between the arts Silverberg uses the term neo avant garde to describe New York School Poetry Pop Art Conceptual Art Happenings and other movements intended to revive and revise the achievements of the historical avant garde while remaining keenly aware of the new problems facing avant gardists in the age of late capitalism Silverberg highlights the family resemblances among the New York School poets identifying the aesthetic concerns and ideological assumptions they shared with one another and with artists from the visual and performing arts A unique feature of the book is Silverberg s annotated catalogue of collaborative works by the five poets and other artists To comprehend the coherence of the New York School Silverberg demonstrates one must understand their shared commitment to a reconceptualized idea of the avant garde specific to the United States in the 1950s and 60s when the adversary culture of the Beats was being appropriated and repackaged as popular culture Silverberg s detailed analysis of the strategies the New York School poets used to confront the problem of appropriation tells us much about the politics of taste and gender during the period and suggests new ways of understanding succeeding generations of artists and poets Brainstorming Your Presentation Dirk Haun,2016-04-05 The very first step when working on a presentation is to brainstorm what you re actually going to be speaking about But how exactly do you brainstorm and how do you do it in an effective way Brainstorming Your Presentation has the answers the how tos and the tools In the introduction to Presenting for Geeks I wrote Writing down what you know about a topic and what you consider important in other words brainstorming is actually a good way to start preparing for a presentation While the book did go into a little more detail it took me a while to realise that many people are still struggling with this first but important step for their presentation How do you brainstorm effectively Are there any tools and techniques that you can use And what exactly does it even mean to brainstorm Brainstorming Your Presentation delivers the answers to these questions As the title suggests it focusses on helping you brainstorm when you re working on a presentation The book has two parts In the first part you ll learn how to brainstorm for a presentation and how to do it effectively The second part discusses examples how tos and tools that will help you brainstorm in a modern world The Complete Home Learning Sourcebook Rebecca Rupp,1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level *Library of Congress Magazine* ,2015 **Magnets** Jennifer Overend Prior,1999 A captivating and comprehensive collection of lesson ideas designed for use with primary students **Whisper Essential Friend** Cmlethane,2005 Jack Olsen

Forty Rooms Olga Grushin,2016-02-16 The internationally acclaimed author of *The Dream Life of Sukhanov* now returns to gift us with *Forty Rooms* which outshines even that prizewinning novel Totally original in conception and magnificently executed *Forty Rooms* is mysterious withholding and ultimately emotionally devastating Olga Grushin is dealing with issues of women s identity of women s choices that no modern novel has explored so deeply *Forty rooms* is a conceit it proposes that a modern woman will inhabit forty rooms in her lifetime They form her biography from childhood to death For our protagonist the much loved child of a late marriage the first rooms she is aware of as she nears the age of five are those that make up her family s Moscow apartment We follow this child as she reaches adolescence leaves home to study in America and slowly discovers sexual happiness and love But her hunger for adventure and her longing to be a great poet conspire to kill the affair She seems to have made her choice But one day she runs into a college classmate He is sure of his path through life and he is protective of her He is also a great cook They drift into an affair and marriage What follows are the decades of births and deaths the celebrations material accumulations and home comforts until one day her children grown and gone her husband absent she finds herself alone except for the ghosts of her youth who have come back to haunt and even taunt her Compelling and complex *Forty Rooms* is also profoundly affecting its ending shattering but true We know that Mrs Caldwell for that is the only name by which we know her has died Was it a life well lived Quite likely Was it a life complete Does such a life ever really exist Life is after all full of trade offs and choices Who is to say her path was not well taken It is this ambiguity that is at the heart of this provocative novel
