**When Dempsey Fought Tunney** Bruce J. Evensen, 1996 The 1926 heavyweight match pitting champion Jack Dempsey against challenger Gene Tunney was billed as the greatest battle since the Silurian Age and millions of Americans were determined not to miss it A record breaking crowd of 130 000 jammed the Philadelphia stadium where the fight was held while some 39 million radio listeners nationwide gathered at city centers storefronts drugstores athletic clubs and theaters to hear live coverage of the event No previous civic spectacle in the United

**Hustling Hitler** Walter Shapiro,2016-06-14 From acclaimed journalist Walter Shapiro the true life story of how his great uncle a Jewish vaudeville impresario and exuberant con man managed to cheat Hitler s agents in the run up to WWII All his life journalist Walter Shapiro assumed that the outlandish stories about his great uncle Freeman were exaggerated family lore some cockamamie Jewish revenge fantasies dreamt up to entertain the kids and venerate their larger than life relative Only when he started researching Freeman Bernstein s life did he realize that his family was actually holding back the man had enough stories vocations and IOUs to fill a dozen lifetimes Freeman was many people a vaudeville manager boxing promoter stock swindler card shark and self proclaimed Jade King of China But his greatest title perhaps the only man who can claim such infamy was as The Man Who Hustled Hitler A cross between *The Night They Raided Minsky s* and *Guys and Dolls* Freeman Bernstein s life was itself an old New York sideshow extravaganza one that Shapiro expertly stages in *Hustling Hitler* From a ragtag childhood in Troy New York Shapiro follows his great uncle s ever crooked trajectory through show business from his early schemes on the burlesque circuit to marrying his star performer May Ward and producing silent

films released only in Philadelphia Of course all of Freeman s cons and schemes were simply a prelude to February 18 1937 the day he was arrested by the LAPD outside of Mae West s apartment in Hollywood The charge Grand larceny for cheating Adolf Hitler and the Nazi government In the capstone of his slippery career Freeman had promised to ship thirty five tons of embargoed Canadian nickel to the F hrer when the cargo arrived the Germans found only huge useless quantities of scrap metal and tin It was a blow to their economy and war preparations and Hitler did not take the bait and switch lightly Told with cinematic verve and hilarious perspective Hustling Hitler is Shapiro s incredible investigation into the man behind the myth By reconstructing his great uncle s remarkable career Shapiro has transformed Freeman Bernstein from a barely there footnote in history to the larger than life eternal hustler who forever changed it [Hot Potato](#) Bob Kuska,2004-03-29 When Edwin Henderson introduced the game to Washington D C in 1907 he envisioned basketball as a way for more outstanding black student athletes to excel at northern white colleges and debunk negative stereotypes of the race Almost simultaneously black basketball was catching on quickly in New York Kuska establishes that these two cities served as the birthplace of the black game **Deadly Dozen** Robert K. DeArment,2012-03-30 For every Wild Bill Hickok or Billy the Kid there was another western gunfighter just as deadly but not as well known Robert K DeArment has earned a reputation as the premier researcher of unknown gunfighters and here he offers twelve more portraits of men who weren t glorified in legend but were just as notorious in their day Those who think they already know all about Old West gunfighters will be amazed at this new collection Here are men like Porter Stockton the Texas terror who bragged that he had killed eighteen men and Jim Levy who killed a man for disparaging his Irish blood though he was also the only known Jewish gunfighter These stories span eight decades from the gold rushes of the 1850s to the 1920s Telling of gunmen such as Jim Masterson the brother of Bat Masterson or the real Whispering Smith the man behind the fictionalized persona whose career spanned four decades DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long The product of iron clad research this newest Deadly Dozen delivers the goods for gunfighter buffs in search of something different Together the Deadly Dozen volumes constitute a Who s Who of western outlaws and prove that there s more to the Wild West than Jesse James **The Human Face of the Alaska Gold Rush** Steve Levi,2021-01-01 It is the land of the Alaska Gold Rush where nuggets were said to be the size of goose eggs where men froze to death in search of the elusive yellow metal and dancehall girls lured overnight millionaire sourdoughs into marriage Honky tonk pianos punctuated the howl of the north wind in towns that were half tent and half ramshackle collections of driftwood whalebone and packing cases It was a time of whiskey and gold and long lonely trails behind a dogsled It was in a word ALASKA In cities rugged men and women walked on planks set across streets so deep with spring mud horses could be swallowed On the tundra life was a living hell with mosquitoes gnats white socks and biting flies descending in clouds on warm blooded creatures On the flip side of the season temperature could drop to 50 or 60 degrees below zero cold enough to freeze a can of oil so solid it could

be cut in half with a saw With wind blasting at 100 miles an hour the chill factor could go down to 100 degrees below zero cold enough to freeze a person to death in a matter of minutes if he could not find proper shelter In whiteout conditions visibility could diminish to a foot in a matter of minutes It was in a word ALASKA      *My Adventures with Your Money* T. D. Thornton,2024-06-04 Today we talk about Bernard Madoff but in the early 20th century they talked about George Graham Rice Born Jacob Simon Herzig in 1870 he later changed his name just as he would frequently change his swindles to make himself into one of the most colorfully successful villains in American history T D Thornton now tells the story of Rice s life as it unfolded against the dark rise of American greed in the early 20th century In the early 1900s Rice made market manipulation killings valued at billions in today s dollars by inventing fictitious boom towns in Death Valley and flagrantly exaggerating worthless mining claims throughout the West As a shameless racetrack tipster Rice cultivated a national following of 100 000 daily subscribers who paid for the privilege of being tipped to bet on hopeless nags Vilified by securities regulators as the Jackal of Wall Street Rice sparked riots in Manhattan s financial district by perfecting the art of bucket shop trading with the sole purpose of bilking the public blind He was capable of pulling off everything from street corner rip offs for pocket change to elaborately scripted gambling hoaxes all while being vilified by old guard profiteers like J P Morgan and befriended by gangsters like Arnold Rothstein In *My Adventures With Your Money* T D Thornton has given us a real life version of *The Sting* with one of America s most colorful con men at it s center      Joe Gans Colleen Aycock,Mark Scott,2014-11-21 Joe Gans captured the world lightweight title in 1902 becoming the first black American world title holder in any sport Gans was a master strategist and tactician and one of the earliest practitioners of scientific boxing As a black champion reigning during the Jim Crow era he endured physical assaults a stolen title bankruptcy and numerous attempts to destroy his reputation Four short years after successfully defending his title in the 42 round Greatest Fight of the Century Joe Gans was dead of tuberculosis This biography features original round by round ringside telegraph reports of his most famous and controversial fights a complete fight history photographs and early newspaper drawings and cartoons      **The First Superstar** Gary K. Disagreement came in the ways and means of how organized hockey especially at the elite level should be managed Hence some coordination by way of governing bodies was required to maintain a semblance of order These early administrative bodies tried to maintain a structure that would help to coordinate the various interests set up standards of behaviour and impose mechanisms to detect and punish violators of governance In 1917 the NHL held its first games and by 1936 had become the dominant governing body in professional hockey Having performed extensive research in the NHL archives including league meeting minutes letters memos telegrams as well as gate receipt reports John Chi Kit Wong traces the commercial roots of hockey and argues that in its organized form the sport was rarely if ever without some commercial aspects despite labels such as amateur and professional The Lords of the Rinks is the only truly comprehensive and scholarly history of the league and the business of hockey Electronic Format Disclaimer The image on page 22 has been removed at the request of the rights holder

**Joining the Clubs** J. Andrew Ross, 2015-05-21 How did a small Canadian regional league come to dominate a North American continental sport Joining the Clubs The Business of the National Hockey League to 1945 tells the fascinating story of the game off the ice offering a play by play of cooperation and competition among owners players arenas and spectators that produced a major league business enterprise Ross explores the ways in which the NHL organized itself to maintain long term stability deal with its labor force and adapt its product and structure to the demands of local regional and international markets He argues that sports leagues like the NHL pursued a strategy that responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning Leagues successfully used the cartel form an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey along with a focus on locally branded clubs to manage competition and attract spectators to the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries Joining the Clubs pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age
