In this in depth engaging guide to the Mahabharata Hindu Studies scholar Nicholas Sutton explores the central messages of the work s core narratives and passages of instruction demonstrating how the questions the text poses are as relevant today as they were to those who composed this mighty treatise on human existence The Mahabharata is a truly vast work of early Sanskrit literature that reflects on a wide range of issues which have concerned people throughout different epochs Within the context of Indian culture the significance of the Mahabharata cannot be overstated as its themes characters narratives and preoccupations have reverberated across the region for centuries It is well known that the whole of the epic is structured around a central narrative that tells of an ancient conflict between two branches of the same royal house the Pandavas and Kauravas Yet it is also a clearly didactic work that addresses the fundamental meaning of human existence In [Light on the Mahabharata](#) A Guide to India s Great Epic Nicholas Sutton examines the multi faceted manner in which the Mahabharata does this elucidating the diverse and multi layered answers the text offers to the many questions it raises Sutton s book

explores why the main characters behave in the manner that they do the vision of life that motivates them and the extent to which they are able to prioritise enlightened wisdom over narrow self interest Unravelling the Sanskrit epic s myriad lines of reflection Light on the Mahabharata demonstrates that the questions the work poses and the range of answers it suggests are as relevant in the present day as they were in remote antiquity OXFORD CENTRE SERIES The Oxford Centre for Hindu Studies Publishing Series offers authoritative yet accessible introductions to a wide range of subjects in Hindu Studies Each book in the series aims to present its subject matter in a form that is engaging and readily comprehensible to persons of all backgrounds academic or otherwise without compromising scholarly rigour The series thus bridges the divide between academic and popular writing by preserving and utilising the best elements of both Other books in the series include The Bhagavad Gita A New Translation and Study Guide The Hindu Temple and Its Sacred Landscape and Women in the Hindu World EXPERT AUTHOR Nicholas Sutton has spent the four decades studying teaching and writing on the Mahabharata Sutton is the Director of the Continuing Education Department of the Oxford Centre for Hindu Studies an academy for the study of Hindu cultures societies philosophies religions and languages He received his PhD from Lancaster University writing his doctoral dissertation on the Mahabharata and currently writes and tutors online courses on Hindu religious traditions EDUCATION AID This book serves as a comprehensive resource for both classwork and independent study of Hinduism With the integration of discussion questions suggested further readings and glossary of Sanskrit terms Light on the Mahabharata offers an accessible introduction to this enduring Sanskrit epic Theatre Histories Phillip B. Zarrilli, 2010 Providing a clear journey through centuries of European North and South American African and Asian forms of theatre and performance this introduction helps the reader think critically about this exciting field through fascinating yet plain speaking essays and case studies The History of the Ancient World Susan Wise Bauer, 2007-03-17 A lively and engaging narrative history showing the common threads in the cultures that gave birth to our own This is the first volume in a bold series that tells the stories of all peoples connecting historical events from Europe to the Middle East to the far coast of China while still giving weight to the characteristics of each country Susan Wise Bauer provides both sweeping scope and vivid attention to the individual lives that give flesh to abstract assertions about human history Dozens of maps provide a clear geography of great events while timelines give the reader an ongoing sense of the passage of years and cultural interconnection This old fashioned narrative history employs the methods of history from beneath literature epic traditions private letters and accounts to connect kings and leaders with the lives of those they ruled The result is an engrossing tapestry of human behavior from which we may draw conclusions about the direction of world events and the causes behind them In the Valley of the Kauravas William S. Sax, 2024-01-02 The isolated valleys of Rawain in the Western Himalaya are ruled by local gods who control the weather provide justice and regularly travel through their territories to mark their borders and to ward off incursions by rival gods These identified with Karna and Duryodhana from the great Indian epic Mahabharata are regarded as divine kings whom

local persons serve as priests ministers patrons soldiers and servants Each divine king has an oracle who is regularly summoned enters into a trance and speaks with the god s voice appointing and dismissing officers confiscating property levying fines and ratifying the decisions of councils of elders The gods hear civil and sometimes criminal cases and through their oracles enforce their judgments through fines and penalties or by compelling disputants to reach a compromise In the Valley of the Kauravas seeks to describe how this system functions by closely examining the myths legends rituals and folklore associated with it and above all by providing a detailed ethnographic description of its day to day workings It contextualizes this system by comparing it with divine kingship throughout history in both South and Southeast Asia and seeks to embed this historical and ethnographic analysis in a theoretical discussion of the nature goals and limits of anthropological knowledge of multiple worlds The chapters of the book are organized in terms of the seven limbs of the classical Indian kingdom as described by the political philosopher Kautilya king land and people minister army treasury ally and enemy

Comparative Ethics in Hindu and Buddhist Traditions Roderick Hindery, 1978 The exploratory volume in the new field of comparative ethics serves the diverse goals of groups variously interested in International law and morality in comparative religious ethical ideals or simply in cross cultural literature and drama The author draws moral ideals from primary Hindu sources popular and formal literary and spiritual The same method is applied for Buddhist moral texts Introducing method in comparative ethics with a synopsis of Hindu mystical tradition the author discusses in detail ethics in the Rgveda Upanisads Laws of Manu Ramayana Gita other popular classics poetry drama philosophers and reformers After summarizing pluralism in Hindu ethics the author sketches ethical thought in Mahayana Buddhist texts The book contains elaborate notes two appendices critical textual matter a diagram of topical parallels a bibliography and an index
