Maid In The Usa:

Maid in the USA Mary Romero, 2016-05-13 This is a classic work in the fields of Women's Studies and Sociology. On its 10th Anniversary it is still a vital and moving study of the lives of immigrant domestic workers and is constantly cited in the research. Romero's new introduction will offer a fresh look at the material including more recent events proving that the issues discussed in the book are still very relevant to today's world.

Maid in the U.S.A. Mary Romero, 1992 Studies of household labor have largely neglected the employment of domestic workers nor have they sufficiently addressed the issue of unpaid housework. Focusing on both paid and unpaid domestic work, *Maid in the USA* expands the theoretical understanding of reproductive labor to explain the dynamics of race, class, and gender in housework. Through interviews with 25 Chicana private household workers, Mary Romero provides a unique exploration of their working conditions and the social constraints which shape their personal lives.

Maid in the USA Judy Angelo, 2012-05-03 WHO EVER SAID BILLIONAIRE BACHELORS AND MODEST MAIDS DON'T MIX Celine Santini couldn't have been more shocked when billionaire bachelor Pierce D Amato offers her a job as nanny to his four-year-old charge. After all, he hardly even knows her. But after finding herself thrown into an unexpectedly intimate encounter with him, are they really strangers? Celine is captivated by the green-eyed heartthrob who takes her heart ransom, but how can she give in to her feelings when they're from two totally different worlds? From the first day he lays eyes on the dark-eyed beauty, Pierce D Amato knows he is lost. He immediately devises a plan to get her under his roof, and it works. But the more he gets to know the sweetly seductive Celine Santini, the more he realizes there's a lot more to this woman than he could ever have imagined. Her intriguing combination of sophistication and innocence keeps him forever off balance, and before he knows it, his bachelor heart turns traitor. The heart knows what the heart wants, and it wants Celine Santini, whatever the cost. A thrilling romance with twists and turns that will keep you turning the pages.

Maid in America Rosemary Everton, 2025-11-11 In *Maid in America*, Rosemary Everton shares an extraordinary tale of resilience, determination, and the true meaning of the American Dream. Born into a working-class family on Delaware's Eastern Shore, Rosemary's life took an unexpected turn when she became pregnant at fifteen, married young, and seemed destined for a challenging path. But destiny had other plans. Against overwhelming odds, Rosemary refused to be defined by her circumstances. While juggling motherhood, night school, and work, she and her husband Mike built a cleaning business from the ground up, transforming a small residential service into a multimillion-dollar commercial cleaning enterprise. Her journey is a testament to the power of perseverance, hard work, and unwavering commitment. The book chronicles not just a business success story but a deeply personal narrative of overcoming tragedy. From losing children to navigating family challenges, financial struggles, and workplace obstacles, Rosemary demonstrates an incredible capacity for resilience. Her story takes an unexpected turn when President George H. W. Bush publicly celebrates her achievements during

a high school graduation speech bringing her remarkable journey into the national spotlight More than a memoir *Maid in America* is a masterclass in entrepreneurship Rosemary shares candid insights into building a successful business including lessons on patience consistency trust and never burning professional bridges Her wisdom extends beyond business offering profound reflections on marriage family and maintaining hope through life s most difficult moments With raw honesty and inspiring optimism Rosemary Everton proves that with determination faith and hard work anyone can transform their dreams into reality Her story is a powerful reminder that the American Dream is alive and accessible to those willing to persevere adapt and believe in themselves
