Killing the Indian Maiden M. Marubbio, 2006-12-15 Killing the Indian Maiden examines the fascinating and often disturbing portrayal of Native American women in film M Elise Marubbio examines the sacrificial role in which a young Native woman allies herself with a white male hero and dies as a result of that choice In studying thirty four Hollywood films from the silent period to the present she draws upon theories of colonization gender race and film studies to ground her analysis in broader historical and sociopolitical context and to help answer the question What does it mean to be an American The book reveals a cultural iconography embedded in the American psyche As such the Native American woman is a racialized and sexualized other A conquerable body she represents both the seductions and the dangers of the American frontier and the Manifest Destiny of the American nation to master it The Medieval Murders Tom Chiodo, 1996 Son of Gun in Cheek Bill Pronzini, 2018-05-16 Follow up to the Edgar Award nominated Gun in Cheek further celebrates neglected classics of substandard mystery writing uncovering even more twisted treasures for connoisseurs of hideous prose The Wolf Victims Nasser Aghapour, 2009-02 A savage psychological chiller unlocks the memory of a retired police detective as he reveals the brutal accounts of the sadistic murder of a woman in Seattle John O Connor informs a journalist about his time as a police detective when the savage murder of a woman captured everyone's attention Her body and the bodies of similar victims are found severely mangled as though they were attacked by animals As the police tries to entrap the killer he plays psychological games with them making it difficult to capture him After finally solving a puzzle he strategically lays out for them the life of one of his victims is saved and she reveals his identity to the police The murderer is killed before the police get a chance to apprehend him An investigation reveals that the killer had a relationship with a social worker and a senior police officer Who are they Did they have anything to do with his murder watch closely as the vicious mystery of The Wolf Victims unfolds Author Nasser Aghapour enjoys writing he plans on pursuing his writing career and gives special thanks to his wife Parisa **Heavy Metal** Deena Weinstein, 2000-04-07 The definitive study of heavy metal culture that does for metal what Greil Marcus's Lipstick Traces did for the Sex Pistols Chicago Sun Times The Monstered Self Eduardo González, 1992 Viewing stories and novels from an ethnographic perspective Eduardo González here explores the relationship between myth ritual and death in writings by Borges Vargas Llosa Cortázar and Roa Bastos He then weaves this analysis into a larger cultural fabric composed of the

works of Chaucer Shakespeare Joyce Benjamin H G Wells Kafka Poe and others What interests Gonz lez is the signature of authorial selfhood in narrative and performance which he finds willfully and temptingly disfigured in the works he examines horrific and erotic subservient and tyrannical charismatic and repellent Searching out the personal image and plot Gonz lez uncovers two fundamental types of narrative one that strips character of moral choice and another in which characters choices deprive them of personal autonomy and hold them in ritual bondage to a group Thus *The Monstered Self* becomes a study of the conflict between individual autonomy and the stereotypes of solidarity Written in a characteristically allusive elliptical style and drawing on psychoanalysis religion mythology and comparative literature *The Monstered Self* is in itself a remarkable performance one that will engage readers in anthropology psychology and cultural history as well as those specifically interested in Latin American narrative

Maiden's Prayer Joan

Fleming, 2012-09-06 To Miss Maiden the mysterious Mr Aladdin with his Persian origins his charm and his flavour of the exotic East appeared like the answer to a prayer It was perhaps odd that anybody should be called Mr Aladdin but it was even odder that Miss Maiden did not enquire more deeply into Mr Aladdin's past Had she done so she almost certainly would not have allowed him to help her in the management of her business affairs and she might have avoided her macabre fate

The Cherrywood Murders Penny Blackwell, 2023-05-25 My new favourite cosy crime series A DOLLOP OF JAM A SPOT OF TEA A SLICE OF MURDER It has been a year since Tess had to trade the hustle and bustle of London life for pulling pints and moonlighting as a Cher impersonator in a backwater country pub The sleepy Yorkshire village of Cherrywood would always be home but a return to rural life wasn't quite the path she'd paved for herself Still being back with her oldest friends Raven and Oliver was a definite upside and she was beginning to settle into the slower pace That is until Clemmie Ackroyd a stalwart member of the community is brutally murdered Ruled a robbery gone wrong it's an open and shut case for the police but something isn't quite adding up for Tess Then an unexpected face from the past shows up in the village pointing fingers and Tess finds herself resolving to get to the bottom of Clemmie's death even if that means getting up to her neck in jam Jerusalem and deadly secrets at the Women's Guild Readers LOVE *The Cherrywood Murders* Truly this was one of the best starts to a new British cosy series I have read in a while I loved it and I hope this is the start of a long series of Cherrywood books Love the drama and romance The lovely British setting and a great bunch of characters Looking forward to book 2 I loved this British cozy mystery And the characters were so good Cleverly written with a good air of mystery I really enjoyed this novel Wow what an amazing book This is a great read for all the Thursday Murder Club fans A wonderfully charming and quintessentially British cosy murder mystery packed full of witty one liners and an eclectic cast of characters Perfect for fans of Fiona Leitch Hannah Hendy and Robert Thorogood

Monsters and Monarchs Debbie Felton,2021-07-27 Jack the Ripper Jeffrey Dahmer John Wayne Gacy Locusta of Gaul If that last name doesn t seem to fit with the others it s likely because our modern society largely believes that serial killers are a recent phenomenon Not so argues Debbie Felton in fact there s ample evidence to show that serial killers stalked the ancient world just as they do the modern one Felton brings this evidence to light in
