Maids Tale:

The Maid's Tale Tom Quinn, Rose Plummer, 2011-09-15 Praise for *Lives of the Servants* Reading this fascinating book is likely to unleash almost anyone's inner Bolshevik Daily Mail a fascinating portrait of the drudgery and servility of a domestic's life The Age captures the subtleties of the English class system to an extraordinary degree Midstate Observer If the Brothers Grimm had ended Cinderella where she was being forced to clean the house by her stepsisters they might have accidentally been writing Rose Plummer's biography The maid's story makes for harsh heartbreaking fascinating reading The Daily Telegraph NZ Born in 1910 Rose Plummer grew up in an East End slum where she and fought an unending battle with hunger and squalor At the age of fifteen Rose started work as a live in maid and despite the poverty of her childhood nothing could have prepared her for the long hours the backbreaking work and the harshness of a world in which servants were treated as if they were less than human But however difficult life became Rose found something to laugh about and her remarkable spirit and gift for friendship shines through in her memories of a now vanished world

The Housekeeper's Tale Tessa Boase, 2014-05-19 Working as a housekeeper was one of the most prestigious jobs a nineteenth and early twentieth century woman could want and also one of the toughest A far cry from the Downton Abbey fiction the real life Mrs Hughes was up against capricious mistresses low pay no job security and gruelling physical labour Until now her story has never been told The Housekeeper's Tale reveals the personal sacrifices bitter disputes and driving ambition that shaped these women's careers Delving into secret diaries unpublished letters and the neglected service archives of our stately homes Tessa Boase tells the extraordinary stories of five working women who ran some of Britain's most prominent households There is Dorothy Doar Regency housekeeper for the obscenely wealthy 1st Duke and Duchess of Sutherland at Trentham Hall Staffordshire There is Sarah Wells a deaf and elderly Victorian in charge of Uppark West Sussex Ellen Penketh is Edwardian cook housekeeper at the sociable but impecunious Erddig Hall in the Welsh borders Hannah Mackenzie runs Wrest Park in Bedfordshire Britain's first country house war hospital bankrolled by playwright J M Barrie And there is Grace Higgins cook housekeeper to the Bloomsbury set at Charleston farmhouse in East Sussex for half a century an era defined by the Second World War Revelatory gripping and unexpectedly poignant The Housekeeper's Tale champions the invisible women who ran the English country house Normal0falsefalsefalseEN GBX NONEX NONE Resist! Giuliana Monteverde, Victoria McCollum, 2020-09-04 Resist pays close attention to popular culture it examines the political ramifications of Kanye West's support of Donald Trump the significance of Aaron Sorkin's language to American political discourse and the casting of female emotion as a political force in House of Cards and The Handmaid's Tale In doing so the collection traverses the formal world of the political as it relates to presidential elections and referenda while emphasising the sociocultural and political significance of popular texts which have played a critical role in exploring critiquing and shaping culture in the twenty first century Popular culture is often considered trivial or irrelevant to more pressing political

concerns and celebrities are often reprimanded for their forays into the political sphere Resist pays close attention to texts that are too often excluded when we think about politics and explores the cultural and political fall out of a reality TV president and a divisive public vote on increasingly connected global audiences In examining the cultural politics of popular media this collection is inherently interdisciplinary and the chapters utilise methods and analysis from a range of social science and humanities disciplines Resist is both creative and timely and offers a crucial examination of a fascinating and frightening political and cultural moment

Once upon a Time Sarah A. Appleton, 2009-10-02 While it is often acknowledged that Margaret Atwood's novels are rife with allusions from the oral tradition of myth legends fables and fairy tales the implications of her liberal usage bear study The essays in this volume have been written by some of the most influential Margaret Atwood scholars internationally each exploring Atwood's use of primal indeed archetypal narratives to illuminate her fiction and poetry These essays interact with all types of such narratives from fairy tales and legends to Greek Roman Biblical and pagan mythologies to contemporary processes of myth and tale creation And as the works in this collection demonstrate Atwood's use of myths and fairy tales allows for an abundance of old yet fresh material for contemporary readers By reconciling yet by also revisioning the archetypal motifs characters and narratives Atwood's writings present a familiar yet unique reading experience

Paperwork Kevin McLaughlin, 2011-06-03 The Paper Age is the phrase coined by Thomas Carlyle in 1837 to describe the monetary and literary inflation of the French Revolution an age of mass produced Bank paper and Book paper Carlyle's phrase is suggestive because it points to the particular substance paper that provides the basis for reflection on the mass media in much popular fiction appearing around the time of his historical essay Rather than becoming a metaphor however paper in some of this fiction seems to display the more complex and elusive character of what Walter Benjamin evocatively calls the decline of the aura The critical perspective elaborated by Benjamin serves as the point of departure for the readings of paper proposed in Paperwork Kevin McLaughlin argues for a literary critical approach to the impact of the mass media on literature through a series of detailed interpretations of paper in fiction by Poe Stevenson Melville Dickens and Hardy In this fiction he argues paper dramatizes the withdrawal as Benjamin puts it of the here and now of the traditional work of art into the dispersing or distracting movement of the mass media Paperwork seeks to challenge traditional concepts of medium and message that continue to inform studies of print culture and the mass media especially in the wake of industrialized production in the early nineteenth century It breaks new ground in the exploration of the difference between mass culture and literature and will appeal to cultural historians and literary critics alike

Quiet Defiance David W. Seitz, 2025-01-15 Quiet Defiance The Rhetoric of Silent Protest focuses on the rhetorical dimensions and power of silent protest Bridging the gap between the study of protest and the study of rhetorical silence strategic silence meant to communicate to and influence an audience this book is the first of its kind to concentrate solely on the phenomenon and tradition of silent protest The contributors to this volume hail from different cultures disciplines and fields They examine

past and present day cases of silent protest with different research questions and paradigmatic perspectives in mind and methodological approaches at hand Collectively however their original chapters offer a rich multifaceted understanding of the potentialities limits nature effects risks and rewards of silent acts of protest individual or otherwise against oppressive unjust regimes and systems of power Wishfulfillment and Symbolism in Fairy Tales Franz Ricklin,1915 **The Literary World** ,1879 **Catalogue of the General Assembly Library of New Zealand** New Zealand. The winter's tale William Shakespeare,1908 *Turandot's Sisters* Christine Goldberg,2019-06-03 There are a number of outstanding dissertations in folklore which warrant a wider readership and which belong in the library of any educational institution or individual with a serious interest in folklore A few of these are in fact already well known to professional folklorists who may have bothered to send for them through inter library loan or in more recent times purchased copies from University Microfilms International in Ann Arbor Michigan However it should be noted that not all dissertations are available through UMI The appearance for selected folklore dissertations and theses both old and new in the Folklore Library series will make it much easier for libraries and individuals to obtain these significant studies Among the most important hitherto unpublished folklore dissertations are such works as motif and or tale type indices historic geographic comparative in depth studies of single folktales or ballads and surveys of specialized folklore scholarship e g of a particular country or group There are in addition valuable filed collections of folklore data to be found in dissertations First published in 1993 Routledge is an imprint of Taylor Francis an informa company **The Pilgrim and the Dark God** Brooks Horsley,2021-11-10 The journey of Erin Milesdottur from our 21st century to the medieval age of a sister world is an exceptionally strange story told in *Against a Fell Current* Erin s circumstances in her new world are unusual she is the copilot in her own body while Loki the dark Norse god is pilot Loki takes control intermittently and only under unusual circumstances so most of the time Erin is in charge and possessed of godlike powers Truly helping other people is tricky and difficult especially if you re twenty first century and they are medieval but Erin with tact wisdom and imagination manages this difficult feat brilliantly The only thing truly beyond her reach is getting home to her own world Or is it **Evelyn Prentis Bundle: A Nurse in Time/A Nurse in Action** Evelyn Prentis,2012-03-15 Desperate circumstances were something Evelyn Prentis had to get very used to when she began her life as a nurse It was in 1934 that Evelyn left home for the first time to enrol as a trainee at a busy Nottingham hospital in the hope of 25 a year *A Nurse in Time* is Evelyn s affectionate and funny account of those days of dedication and hardship when never ending nightshifts strict Sisters and permanent hunger ruled life and joy was to be found in a late night pass and a packet of Woodbines The second memoir in this collection is *A Nurse in Action* Surprising Matron as well as herself Evelyn Prentis managed to pass her Finals and become a staff nurse Encouraged she took the brave leap of moving from Nottingham to London brave not least because war was about to break Not only did the nurses have to cope with stray bombs and influxes of patients from as far away Dunkirk but there were also RAF men stationed nearby which caused

considerable entertainment and disappointment and a good number of marriages But despite all the disruption to the hospital routine Evelyn s warm and compelling account of a nurse in action shows a nurse s life would always revolve around the comforting discomfort of porridge and rissoles bandages and bedpans *New York Court of Appeals. Records and Briefs*. New York (State)., *I Pass as White* William "Tex" Pointer,2021-10-25 This book was written in the 1950s by our dad The manuscript was found after he passed away This is his story of what hate ignorance poverty and racism can do to a nation What if you could change the direction of your life Would you have the strength to make sacrifices to get there Bill Pointer had that strength In these pages you will see the price he paid for security and happiness His life started out just like most people There was mom dad friends school several jobs and the ambition to get ahead But that is where the similarity ends Bill s journey through life was full of pain and misery and fear Every day was an uncertainty to Bill This story is about the past and the future of a race as well as that of a person **The Lady's Magazine, Or, Entertaining Companion for the Fair Sex, Appropriated Solely to Their Use and Amusement** ,1789 *Music and the Environment in Dystopian Narrative* Heidi Hart,2018-10-31 Music and the Environment in Dystopian Narrative Sounding the Disaster investigates the active role of music in film and fiction portraying climate crisis From contemporary science fiction and environmental film to Anthropocene opera the most arresting eco narratives draw less on background music than on the power of sound to move fictional action and those who receive it Beginning with a reflection on a Mozart recording on the 1970s Voyager Golden Record this book explores links between music and violence in Lidia Yuknavitch s 2017 novel The Book of Joan songless speech in the opera Persephone in the Late Anthropocene interrupted lyricism in the eco documentary Expedition to the End of the World and dread inducing hurricane music in the Brecht Weill opera Rise and Fall of the City of Mahagonny In all of these works music allows for a state of critical vulnerability in its hearers communicating planetary crisis in an embodied way [I Belong Here](#) Anita Sethi,2021-04-29 WINNER OF THE 2021 BOOKS ARE MY BAG READERS AWARD FOR NON FICTION SHORTLISTED FOR THE 2021 WAINWRIGHT PRIZE I knew in every bone of my body in every fibre of my being that I had to report what had happened not only for myself but to help stop anyone else having to go through what I did I knew I could not remain silent or still I could not stop walking through the world A journey of reclamation through the natural landscapes of the North brilliantly exploring identity nature place and belonging Beautifully written and truly inspiring I Belong Here heralds a powerful and refreshing new voice in nature writing Anita Sethi was on a journey through Northern England when she became the victim of a race hate crime The crime was a vicious attack on her right to exist in a place on account of her race After the event Anita experienced panic attacks and anxiety A crushing sense of claustrophobia made her long for wide open spaces to breathe deeply in the great outdoors She was intent on not letting her experience stop her travelling freely and without fear The Pennines known as the backbone of Britain runs through the north and also strongly connects north with south east with west it s a place of borderlands and limestone of rivers and scars of fells and

forces The Pennines called to Anita with a magnetic force although a racist had told her to leave she felt drawn to further explore the area she regards as her home to immerse herself deeply in place Anita's journey through the natural landscapes of the North is one of reclamation a way of saying that this is her land too and she belongs in the UK as a brown woman as much as a white man does Her journey transforms what began as an ugly experience of hate into one offering hope and finding beauty after brutality Anita transforms her personal experience into one of universal resonance offering a call to action to keep walking onwards Every footstep taken is an act of persistence Every word written against the rising tide of hate speech such as this book is an act of resistance *Women of Substance in Homeric Epic* Lilah Grace

Canevaro, 2018-09-04 Women in Greek epic are treated as objects as commodities to be exchanged in marriage or as the spoils of warfare However women in Homeric epic also use objects to negotiate their own agency subverting the male viewpoint by utilizing on their own terms the very form they themselves are thought by men to embody Such female objects can transcend their physical limitations and be both symbolically significant and powerfully characterizing They can be tools of recognition and identification They can pause narrative and be used agonistically They can send messages and be vessels for memory *Women of Substance in Homeric Epic* offers a new and insightful approach to the Iliad and Odyssey bringing together Gender Theory and the burgeoning field of New Materialisms new to classical studies and thereby combining an approach predicated on the idea of the woman as object with one which questions the very distinction between subject and object This productive tension leads us to decentre the male subject and to put centre stage not only the woman as object but also the agency of women and objects The volume comes at a turning point in the gendering of Homeric studies with the publication of the first English translations by women of the Iliad in 2015 and the Odyssey in 2017 by Caroline Alexander and Emily Wilson respectively It makes a significant contribution to scholarship by demonstrating that women in Homeric epic are not only objectified but are also well versed users of objects this is something that Homer portrays clearly that Odysseus understands but that has often escaped many other men from Odysseus alter ego Aethon in Odyssey 19 to modern experts on Homeric epic **The Winter's Tale, Volume 16** William Shakespeare, 1918 This romance revolves around a theme that occupied Shakespeare later in life reconciliation Wrongs committed by one generation here a wife unjustly accused of adultery are made right by the next generation
