Maigret And The Calame Report:

Maigret and the Calame Report Georges Simenon, 1987 The Inspector must enter the unsavory world of politics to help a conscientious politician Maigret is secretly summoned by a distraught cabinet minister who needs help in recovering a document the Calame report an engineering study that warned that a government funded children s sanitarium was of unstable design The study was hushed up the report stolen and the disaster made reality with 128 children killed in the building s collapse Now Maigret must plumb the depths of government corruption to find the thief and the report and let the compromised government fall where it may Maigret and the Minister Georges Simenon, 2018-03-06 A writer as

comfortable with reality as with fiction with passion as with reason John Le Carr When a public tragedy threatens to expose a scandal within the Paris government the Minister of Public Works calls in a favor to Maigret A public project has collapsed and resulted in the death of 128 children after a report warning officials about the unsafe structure was disregarded Now that report has resurfaced along with allegations that several politicians and contractors involved with the project may have suppressed its findings to avoid a scandal Maigret must enter the shifty world of politics dodged by members of the security police wherever he goes In an unfamiliar world of decadent diplomatic officials fanatic followers of political parties and suspicious staff in politicians entourages Maigret grimly sticks to what he knows best finding the perpetrators of criminal acts Maigret and the Toy Village Georges Simenon, 1979 Why was Jules Lapie who was spending a peaceful old age in his

new house near Poissy murdered Maigret has a presentiment that F licie Lapie s maid who went out shopping at the time of the murder knows something but she remains silent her behavior irritates and intrigues the commissioner who hardly leaves her during his investigation This young girl with a sour manner is sensitive and to escape her hard life she transposes into reality the dreams and fantasies resulting from her reading Now Maigret must play cat and mouse with F licie hoping to find the actual murderer *Maigret and the Fortuneteller* Georges Simenon, 1989 Absorbing mystery from the French master

Maigret, Simenon and France Bill Alder, 2012-12-10 Georges Simenon 1903 1989 was a phenomenally successful author of crime fiction His 75 Maigret novels and 28 Maigret short stories were published between 1931 and 1972 to great international acclaim he is the only non anglophone crime writer to have achieved such renown His Maigret stories are regarded by many as having established a new direction in crime fiction emphasizing social and psychological portraiture rather than focussing on a puzzle to be solved or on action This book examines the importance of social class and social change in the Maigret stories giving a particular emphasis to the early formative novels and the development of plot characterization and setting The author seeks to establish the extent to which Simenon s portrait of French society is historically accurate and the nature of the influence of the author s own class position and ideology on his fiction Maigret and the Dead Girl Georges Simenon, 2018-02-06 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr When the body of a young girl is found in a Montmartre park Maigret must team up with a rival
