## Maigret In Court:

**Maigret in Court** Georges Simenon, 2018-05-03 His artistry is supreme John Banville They suddenly found themselves in an impersonal world where everyday words no longer seemed to mean anything where the most mundane details were translated into unintelligible formulae The judges black gowns the ermine the prosecutor's red robe further added to the impression of a ceremony set in stone where the individual counted for nothing Maigret receives an anonymous phone call concerning the brutal murder of a woman and young child The tip off concerns the woman's nephew a mild mannered man by the name of Gaston Meurant Maigret remains unconvinced of the man's guilt and at his trial exposes some shocking truths about Meurant's private life that may prove his innocence One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian *Maigret in Court* Georges Simenon, 2003 In a great courtroom drama Maigret has to explain why he does not believe that Gaston Meurant was capable of slitting his aunt's throat for money and smothering a small child But in saving him from the gallows Maigret must expose some dark secrets about Meurant's life **Maigret in Court** Georges Simenon (pseud), 1961 Maigret's World Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself **Maigret's Secret** Georges Simenon, 2018-12-04 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr At a lavish dinner party Inspector Maigret recounts the tale of an old case that has haunted him for years At one of his friends frequent dinner parties Maigret shares the story of a case from a few years back that haunts him to this day in which a man named Adrien Josset was found guilty and was executed for the murder of his wife Christine Adrien had been a weak willed mild mannered man but Christine who was much wealthier than he had used her connections to land him an influential position in an important career Maigret had interviewed Adrien only once when the examining magistrate took over the case and successfully moved to have him executed But though all the clues pointed to Adrien's guilt Maigret remained unconvinced and years later he still doubts the murderer's true identity Maigret's Secret is a thought provoking dive into the machinations of justice and the ways in which they can sweep away an innocent man's life *Maigret's Patience* Georges Simenon, 2019-02-07 Compelling remorseless brilliant John Gray Maigret finds himself back on the Rue des Acacias just ten days after cracking another case there This time it is the murder of a criminal Maigret has known for over twenty years and one he always suspected was behind a string of jewellery robberies in the city Maigret's patience is tested as he eliminates neighbour by neighbour in his hunt for the

*Maigret Enjoys Himself* Georges Simenon,2017-12-07 His artistry is supreme John Banville Standing here at the window in the middle of the morning vaguely observing the comings and goings in the street he had a feeling that reminded of certain days in his childhood when his mother was still alive and he was off school because he had the flu or it was the end of term It was the feeling of finding out what went on when he wasn't there Inspector Maigret is meant to be taking a holiday but he can't resist following the development of his colleague Janvier's case in the papers and playing a few tricks on the way This novel has been published in a previous translation as *Maigret's Little Joke* One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian Investigating Simenon Russell Campbell,2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works
