Mailer A Biography:

Mailer Mary V. Dearborn, 1999 As the biographer of both Henry Miller one of Mailer's heroes and the radical journalist Louise Bryant Dearborn is uniquely sensitive to Mailer's best and worst sides **BOOK JACKET** **Norman Mailer: A Double Life** Michael Lennon, 2013-10-15 An authorized biography of the provocative chronicler of the second half of the twentieth century that reflects Mailer's dual identities journalist and activist devoted family man and notorious philanderer intellectual and fighter writer and public figure and Jew and atheist **Mailer** Peter Manso, 2008-11-18 For more than 50 years Norman Mailer was at the forefront of American letters and popular culture In this work originally published to acclaim 20 years ago Manso reveals the man behind the legend like never before or since Photos throughout **The Lives of Norman Mailer** Carl Edmund Rollyson, 1991 Through a chronological critique of Mailer's major novels essays and reportage Carl Rollyson observes that Mailer has always used his mutability to explore themes of American identity and to cut across the boundaries of fact and fiction This controversial expose shows how inseparable the writer and his work have become 8 pages of photographs **Mailer** Hilary Mills, 1984 *Norman Mailer* Carl Rollyson, 2017-11-20 Norman Mailer The Last Romantic gets at the sources of Mailer's obsession with violence whilst also portraying a major literary figure in the making From his fabulous debut war novel *The Naked and the Dead* to his final bid for literary fame *The Castle in the Forest* a brooding foray into 20th century evil Rollyson reveals all Born to Isaac Barney Mailer a Lithuanian Jewish immigrant from South Africa and his wife Fanny on 31st January 1923 Mailer was already showing signs of greatness at the tender age of six Impressing his teachers his mother soon realised that Mailer had great prospects only helped by the fact that he was a good looking boy with a personality that drew people to him From an early age Mailer was comfortable talking about all manner of topics and his underlying obsession with violence and sex merged into his personal life Married many times Mailer was unable to keep his desires at bay and had a total of nine children from all his marriages though his relationships with women were not limited to his wives Norman Mailer *The Last Romantic* shows the great Norman Mailer in an entirely new and focused light revealing all the trials and tribulations of his life and the successes of his many works Praise for Carl Rollyson Meticulous narrative New York Times Book Review Recommended for both lay readers and scholars Library Journal Carl Rollyson is a writer whose biographies include *Beautiful Exile* *The Life of Martha Gellhorn* *Lillian Hellman Her Life and Legend* and *Marie Curie Honesty in Science* A well known scholar of biography he has also published *Reading Biography* *Essays in Biography* *Lives of the Novelists* and *British Biography A Reader* **Marilyn** Norman Mailer, 1973 Profiles the Hollywood star's tragic life and explores her complexity as a woman and actress Norman Mailer Robert Merrill, 1978 It is easy to hold an opinion about Norman Mailer without having read a single sentence he has written His tumultuous personal life and provocative opinions on contemporary social issues may at one time have made him in his own words the second most unpopular man in America surpassed only by Richard Nixon What is difficult is to hold an opinion about Mailer's writing that is not influenced

by his image as a public figure Robert Merrill's *Norman Mailer Revisited* while acknowledging the unavoidable connection between Mailer's life and his works screens out distracting gossip and biographical speculation to concentrate on a long overdue assessment of Mailer's aesthetic achievements Critics assume Mailer's books will not sustain detailed aesthetic consideration Merrill writes but it is only by making these aesthetic distinctions that we will ever arrive at a just assessment of Mailer's importance as a writer Three common assumptions about Mailer are that his ideas are more interesting than his art his personality is more interesting than anything he has written and his substantial literary gift has been squandered on works that fail precisely because Mailer is too little the conscious artist By focusing on literary structure and narrative form rather than theme and the influence of Mailer's personal biography Merrill provides a basis for distinguishing Mailer's most successful work from his frequent failures and for comparing Mailer's creative output with that of his contemporaries Merrill addresses the gamut of Mailer's literary intentions over the 40 odd years of his career from trivial publicizing to serious contemplation of world shaking issues He recognizes Mailer's uneven accomplishment ranging from almost unreadable pontification to well shaped considered works such as *The Naked and the Dead* *The Deer Park* *Armies of the Night* and *The Executioner's Song* Merrill speculates convincingly on the reasons Mailer was unable to find subjects to follow up his spectacular success in creating a nonfiction novel *Armies of the Night* winner of the Pulitzer Prize and the National Book Award in 1969 and on the limitations of the genre In assessing Mailer's entire fiction and nonfiction output Merrill ultimately places him among the handful of writers who have most influenced both genres since World War II Many critics agree on Mailer's importance as a cultural icon yet easily dismiss the possibility that he will influence future generations of writers and thinkers Merrill argues that the literary and artistic merits of Mailer's work will survive his reputation as the wild man of letters
