Maimed The Unspoken Side Of Sex:

Maimed Eva OdeZ,2004-05-01 *Bitten by Twilight* Melissa A. Click,Jennifer Stevens Aubrey,Elizabeth Behm-Morawitz,2010 This lively collection of essays explores the narrative riches of the Twilight stories themselves even as it looks seriously at the ways they have been marketed and taken up both by their passionate fans and by critics who see them as evidence of a range of cultural and political problems Janice Radway Author of Reading the Romance Women Patriarchy and Popular Literature Professor of Communication Studies Rhetoric and Gender Studies and American Studies Northwestern University *Avenue of Mysteries* John Irving,2015-11-03 Thoroughly modern accessibly brainy hilariously eccentric and beautifully human The New York Times Book Review John Irving returns to the themes that established him as one of our most admired and beloved authors in this absorbing novel of fate and memory In *Avenue of Mysteries* Juan Diego a fourteen year old boy who was born and grew up in Mexico has a thirteen year old sister Her name is Lupe and she thinks she sees what s coming specifically her own future and her brother s Lupe is a mind reader she doesn t know what everyone is thinking but she knows what most people are thinking Regarding what has happened as opposed to what will Lupe is usually right about the past without your telling her she knows all the worst things that have happened to you Lupe doesn t know the future as accurately But consider what a terrible burden it is if you believe you know the future especially your own future or even worse the future of someone you love What might a thirteen year old girl be driven to do if she thought she could change the future As an older man Juan Diego will take a trip to the Philippines but what travels with him are his dreams and memories he is most alive in his childhood and early adolescence in Mexico As we grow older most of all in what we remember and what we dream we live in the past Sometimes we live more vividly in the past than in the present *Avenue of Mysteries* is the story of what happens to Juan Diego in the Philippines where what happened to him in the past in Mexico collides with his future *Henry James: Travel Writings Vol. 1 (LOA #64)* Henry James,1993-09-01 Collected in this Library of America volume and its companion for the first time Henry James s travel books and essays display his distinctive charm and vivacity of style his sensuous response to the beauty of place and his penetrating sometimes sardonically amusing analysis of national characteristics and customs Observant alert imaginative these works remain unsurpassed guides to the countries they describe and they form an important part of James s extraordinary achievement in literature This volume brings together James s writing on Great Britain and America The essays of *English Hours* 1905 convey the freshness of James s wonderments and judgments and emotions on first encountering the country that became his adopted home for half a century James includes the vivid account of a New Year s weekend at a perfectly appointed country house midsummer dog days in London and the spectacle of the Derby at Epsom Joseph Pennell s delightful illustrations which appeared in the original edition are reprinted with James s text In *The American Scene* 1907 James revisits his native country after a twenty year absence traveling throughout the eastern United States from Boston to Florida James s poignant rediscovery of what

remained of the New York of his childhood the precious stretch of street between Washington Square and Fourteenth Street contrasts with his impression of the modern commercial New York a new city representing a particular type of dauntless power Edmund Wilson who praised *The American Scene* s magnificent solidity and brilliance remarked that it was as if his emotions had suddenly been given scope his genius for expression liberated Sixteen essays on traveling in England Scotland and America conclude this volume The essays most of which have never been collected range from early pieces on London Saratoga and Newport to articles on World War One that are among James s final writings LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

The Rowman & Littlefield Handbook of Transgender Studies J. E. Women, Horse Sports and Liberation Erica Munkwitz, 2021-07-13 Shortlisted for the 2022 Lord Aberdare Literary Prize This book is the first full length scholarly examination of British women s involvement in equestrianism from the eighteenth through the twentieth centuries as well as the corresponding transformations of gender class sport and national identity in Britain and its Empire It argues that women s participation in horse sports transcended limitations of class and gender in Britain and highlights the democratic ethos that allowed anyone skilled enough to ride and hunt from chimney sweep to courtesan Furthermore women s involvement in equestrianism reshaped ideals of race and reinforced imperial ideology at the zenith of the British Empire Here British women abandoned the sidesaddle which they had been riding in for almost half a millennium to ride astride like men thus gaining complete equality on horseback Yet female equestrians did not seek further emancipation in the form of political rights This paradox of achieving equality through sport but not through politics shows how liberating sport was for women into the twentieth century It brings into question what emancipation meant in practice to women in Britain from the eighteenth through twentieth centuries This is fascinating reading for scholars of sports history women s history British history and imperial history as well as those interested in the broader social gendered and political histories of the nineteenth and twentieth
