Mark In Time Portraits Poetrysan Francisco By:

Mark in Time Christa Fleischmann, 1971 The Columbia Granger's Guide to Poetry Anthologies William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology

ruth weiss Estibaliz Encarnación-Pinedo, Thomas Antonic, 2021-10-04 *ruth weiss* born in Berlin in 1928 to Austrian Jewish parents arrived in San Francisco in 1952 after hitchhiking through the United States Crowned years later as the Goddess of the Beat Generation by San Francisco Chronicle critic Herb Caen *weiss* has worked for almost seven decades with a plurality of artistic forms Despite her extensive poetry career and very active participation in the West Coast buzzing artistic community since the early 1950s *weiss* has remained an essentially overlooked figure in poetry history This neglect might be representative of the overshadowing of female artists within the Beat Generation as a marginalized group within an already marginalized bohemia Johnson The volume taps directly into this lacuna by proving the first close study on one of the most prolific members of the so called Beat Generation Offering diverse and comprehensive points of entrance into *weiss* s oeuvre the essays in this volume adopt a multidisciplinary approach that attests to the cross pollination between art forms in postwar counterculture In addition the volume also includes shorter non academic contributions and previously unpublished archival material Bringing together scholars academics and artists from around the world this volume represents a timely and much needed response to the increasing interest in *weiss* s work in the last decades The Works of Allen Ginsberg, 1941-1994 Bill Morgan, 1995-02-28 Avant garde poet and popular culture icon Allen Ginsberg has been one of the world s most important writers for over 40 years This comprehensive bibliography covering the years 1941 to 1994 was prepared with the cooperation of the poet himself All books periodicals photographs recordings films and miscellaneous appearances are listed here Entries are grouped in chapters according to type of work and each entry provides full descriptive bibliographic information Allen Ginsberg is perhaps the most famous poet of our time as well as one of our most prolific writers His subjects range from Buddhist studies to drug research to gay rights to political issues of every description from Vietnam to censorship Ginsberg gave the author access to personal files and as a result every appearance of Ginsberg s writings in the English language is noted This bibliography is a comprehensive descriptive record of all of Ginsberg s works The volume contains descriptive annotations of every book pamphlet and broadside by Ginsberg It also contains complete descriptions of every contribution by Ginsberg to the works of others In addition all periodical contributions recordings films and miscellaneous publications are listed Due to Ginsberg s recent acceptance as a photographer of note a special section identifies all of his published photographs Entries are arranged in chapters according to the type of work to facilitate ease of use As a result this book presents a history of Ginsberg s works and traces the evolution of his writings over a period of publications and revisions **Historical Dictionary of the Beat Movement** Paul Varner, 2012-06-21 The Beat Movement was one of the most radical and innovative literary and arts movements of the 20th century and the history of the Beat

Movement is still being written in the early years of the 21st century Unlike other kinds of literary and artistic movements the Beat Movement is self perpetuating After the 1950s generation headlined by Jack Kerouac Allen Ginsberg and William S Burroughs a new generation arose in the 1960s led by writers such as Diane Wakoski Anne Waldman and poets from the East Side Scene In the 1970s and 1980s writers from the Poetry Project at St Mark s Church and contributors to World magazine continued the movement The 1980s and 1990s Language Movement saw itself as an outgrowth and progression of previous Beat aesthetics Today poets and writers in San Francisco still gather at City Lights Bookstore and in Boulder at the Jack Kerouac School of Disembodied Poetics and continue the movement It is now a postmodern movement and probably would be unrecognizable to the earliest Beats It may even be in the process of finally shedding the name Beat But the Movement continues The Historical Dictionary of the Beat Movement covers the movement s history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 700 cross referenced entries on significant people themes critical issues and the most significant novels poems and volumes of poetry and prose that have formed the Beat canon This book is an excellent access point for students researchers and anyone wanting to know more about the Beat Movement

Jubilee Hitchhiker William Hjortsberg, 2012-04-01 Confident and robust Jubilee Hitchhiker is an comprehensive biography of late novelist and poet Richard Brautigan author of Troutfishing in America and A Confederate General from Big Sur among many others When Brautigan took his own life in September of 1984 his close friends and network of artists and writers were devastated though not entirely surprised To many Brautigan was shrouded in enigma erratic and unpredictable in his habits and presentation But his career was formidable an inspiration to young writers like Hjortsberg trying to get their start Brautigan s career wove its way through both the Beat influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s while he never claimed direct artistic involvement with either period Jubilee Hitchhiker also delves deeply into the spirited times in which he lived As Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer s world Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life Part history part biography and part memoir this etches the portrait of a man destroyed by his genius

Beat Generation Writers A. Robert Lee, 1996-01-20 Focuses on some of the most popular writers of the last forty years One of the few books to explore the role of women and gender in the Beat movement

New Collected Poems George Oppen, 2002 Gathers in one volume all of the poet s books published in his lifetime 1908-84 as well as his previously uncollected poems and a selection of his unpublished work Oppen who won a Pulitzer Prize in 1969 has long been acknowledged as one of America s foremost modernists this book replaces the earlier Collected Poems of 1975 Bookjacket
