Escaping the Mark of the Beast Terry Gage,2009-05 Gage reveals unique solutions to the deepest mysteries in the book of Revelation He exposes the actual identity of the beast the true meaning of the mark of the beast the dreadful fate of those left behind after the rapture and the mystery of the Red Heifer Sacrifice

The Mark of the Beast Revelation 13 Ezra Celestin,2014-07-18 Christians view the mark of the beast as something futuristic The receiving of the mark of the beast commands the wrath and indignation of God and the consequences are severe Many Christians has already accepted the mark of the beast unbeknownst to them They do not have a clear vision as to whom or what is the beast Each denomination has their interpretation of the beast and how and when it will manifest The word says And the third angel followed them saying with a loud voice If any man worship the beast and his image and receive his mark in his forehead or in his hand the same shall drink of the wine of the wrath of God which is poured out without mixture into the cup of his indignation and he shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb Revelation 14 9 10 Many Christian denominations believe the prophecy points to the papacy as the beast However in scripture the Papal system has never been a beast is not a beast and will never be a beast To call that system the beast is to take the word of God on a very long stretch This horn functions both politically and as a Christian Church It persecuted and killed any Christian who disagrees with its dogmas The word says the Saints shall be given into his hand until a time and times and the dividing of time and he would come to his end unto the end Nowhere in scripture is it indicated that this horn power will regain its dominion to persecute the saints of God as it did for over twelve hundred years Then who is the beast This book has the answer Reviewed by Online Book Club Official Review

Revelation and the Mark of the Beast Z. Richard Sawan M.D.,2011-08-17 No longer do I want you to be afraid of Revelation as I was but rather embrace the inevitable future that God has planned for us This book is a passport to the future of humanity and will explain the end times in simple ways for the most part based on Biblical interpretation and not on widely accepted views or mine Most of the prevalent views on Revelation that you have learnt or learning are incorrect Not knowing the future with respect to God s plan could jeopardize the timing of your salvation which could put one in the receiving end of God s plagues Revelation was written for us today in the end times and not for the Jews and ancient Romans 2000 years ago This book will prove this to be true beyond a shadow of a doubt Revelation cannot be interpreted

without key scriptures in books in the Old Testament thus proving that there is divine intervention in the Bible as a whole It is impossible for different human authors to write so many different books with hundreds to thousands of years in between and have the same conclusions and interpretations IMPOSSIBLE We are presently near the end of the Great Tribulation with the Day of our Lord fast approaching Already five of the seven seals have been opened with the sixth approaching rapidly The beast of Revelation chapter 13 is alive and well and the mark of the beast is already in use A limited nuclear war is on the horizon and world domination by the Son of Satan by means of a 200 million man army would follow There is good news though Read this book **Revelation** Floyd Nelson,Wanda Nelson,2011-05 *The Ultimate Choice* Dr W. the Book of Revelation Odell Furtick Jr.,2018-03-23 Odell Furtick begins this exposition by saying Do you believe Its a question that everyone must answer personally Its been over two thousand years since anyone has seen Jesus on earth after his ascension and now the believers are told to wait for his return Has humanity grown weary in their belief and lost faith in the promises of God Dr Furtick leads his readers through the book of Revelation verse by verse reassuring the readers that Gods final words are reliable and precise The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols This book brings to life a concise knowledge of the mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ The book of Revelation is relevant in the twenty first century and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God

The Book of Revelation James Beverlin Ramsey,1977 An incomplete commentary by an unknown author on a book which has already had so many expositors may seem a surprising addition to the Geneva Series As publishers our prejudice against an imcomplete commentary was overcome by the sheer worth of these pages

Bible Verses About Mark Of The Beast Vern Sanez,2021-03-23 The book of Revelation has many references to the beast What or who is the beast What does it do What does God tell us to do about the beast Satan s mark is supposedly 666 the number of men while 777 represents perfection Man and woman were created on the sixth day Man labors six days only The sixth commandment is Thou shalt not murder Six words are used for man Adam ish Enosh gehver anthropos anar Also 6 x 6 36 36 35 34 33 32 5 4 3 2 1 666 666 is the number of the antichrist This means that the name of the antichrist in Greek adds up to 666 This is a mockery of the Trinity We can come close mimic perfection but only for a short time The book s content includes sections 1 The Focus 2 Context Context Context 3 The Making of an Evil Empire 4 The Image 5 Constructing a god 6 The Number of Man 7 Multiple Marks 8 Separate Classes 9 Technologies of the Marks 10 World Wide Economy 11 Why Does it Even Matter 12 The Tale of Two Kings

Mark(s) of the Beast Martin Sondermann,2019-04-22 The World has been conditioned to think that the Mark of the Beast is simply the number 6 6 6 However that is not exactly what the Bible teaches This book will use the lens of the Scripture to look closer at the famous passage found in the book of Revelation relating to the Mark of the Beast and lay the groundwork for the theory that there may be two or even three separate marks This book will challenge the reader to search the Scriptures on this topic and find out why it s so important to this current generation This book also looks at amazing and incredible technologies now in use which may or may not be utilized by the coming evil kingdom and its identifying mark The book s author has been a Bible teacher for over 20 years He holds a B A in Communication from Boise State University and an M A in Apologetics from Liberty University In his 25 years of Christian ministry he has served as a Youth Pastor Teaching Pastor Missionary Pastor Bible Teacher and most recently as a Prison Chaplain and Managing Director of a Christian Non Profit Ministry This book is the first of 20 books to be published under the series title of Countdown Collection The goal of these books is to bring a practical study to Christians and non Christians

A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

The Winepress of God's Wrath Steve A. Hamilton, 2021-06-29 Without exception this is the most revealing commentary of the book of Revelation in decades This fresh and historically researched commentary reveals what early Christians had known so many years ago about the apocalypse After 1 900 years present day Christians finally have a reliable document that explains Christ's prophetic book This commentary contains amazing insights One of the main adversaries in the book of Revelation was a prominent historical figure He was known as the savior of the church People looked up to him and worshipped him The apostle Paul called him the man of sin and the son of perdition 2 Thessalonians 2 3 The apostle John in one of his earlier writings called him the Antichrist 1 John 2 18 Those who failed to get their names written in the Book of Life marveled at his presence in eternal punishment Revelation 17 8 That person is identified by name in this commentary Armageddon is more than a great battle in the book of Revelation It is the one defining event that will

affect everyone's life The number of combatants is as the sand of the sea Yet the battle will be over before it ever begins Revelation 20 8 9 The bowls of God's wrath were poured out on a wicked and unsuspecting world Historically a foul and loathsome sore came upon the men who had the mark of the beast and those who worshipped his image Revelation 16 2 This plague was described in detail by writers who lived as it occurred This commentary includes their firsthand accounts The Winepress of God's Wrath depicts God's anger at a wicked society while providing hope and comfort to believers The theme in the book of Revelation is clear the wicked will not escape destruction Only obedient Christians will avoid the winepress of God's wrath The Book of Revelation James Henry McConkey,1921 **Revelation** Jon Michael McCahan,2007-05
