Musorgsky His Life And Works:

Musorgsky David Brown, 2010-05-14 Modest Musorgsky was one of the towering figures of nineteenth century Russian music Now in this new volume in the Master Musicians series David Brown gives us the first life and works study of Musorgsky to appear in English for over a half century Indeed this is the largest such study of Musorgsky to have appeared outside Russia Brown shows how Musorgsky though essentially an amateur with no systematic training in composition emerged in his first opera Boris Godunov as a supreme musical dramatist Indeed in this opera and in certain of his piano pieces in Pictures at an Exhibition Musorgsky produced some of the most startlingly novel music of the whole nineteenth century He was also one of the most original of all song composers with a prodigious gift for uncovering the emotional content of a text As Brown illuminates Musorgsky's work he also paints a detailed portrait of the composer's life He describes how unlike the systematic and disciplined Tchaikovsky Musorgsky was a fitful composer When the inspiration was upon him he could apply himself with superhuman intensity as he did when composing the initial version of Boris Godunov Sadly Musorgsky deteriorated in his final years suffering periods of inner turmoil when his alcoholism would be out of control Finally unemployed and all but destitute he died at age forty two His failure to complete his two remaining operas Khovanshchina and Sorochintsy Fair Brown concludes is one of music's greatest tragedies Written by one of the leading authorities on nineteenth century Russian composers Musorgsky is the finest available biography of this giant of Russian music

The Curve of the Sacred Constantin V. Ponomareff, Kenneth A. Bryson, 2006-01-01 This interdisciplinary book examines the nature of spirituality and the role it plays in the search for meaning Spirituality is a loving tendency towards the sacred In a secular environment the sacred is taken to be a power greater than self In a religious environment the Sacred refers to God or Higher Power The book examines the developments of the Sacred in great works of art and literature as well as in medicine theology psychology philosophy and religion Spirituality also functions as an unloving tendency towards disunity or a force for evil The first part of the book examines the ways of the spiritual as a force for good and evil We have just witnessed one of the bloodiest centuries in

human history The experience of two World Wars leaves a legacy of brokenness Where Nossack's reminiscences bore poetic compassionate and personal witness to the disaster Eliot's poetry reads more like a sacred and religious poem taking contemporary Western European civilization to task much like the biblical prophets of old for its spiritual bankruptcy Albert Einstein Edvard Munch's Madonna and Carl Jung's unconscious touch the curve of the Sacred in more promising places The second part examines how the search for meaning works The distinction between being human and being a person plays a central role in the life of the spiritual the spiritual is manifest in the activities taking place in the central self The central self is the locus of all thoughts feelings acts of reason and judgment conscious and unconscious processes alike The central self is the place where social relationships and environmental relationships are processed The essential feature of the central self is that it does not exist outside these processes The same spiritual energies that light up great works of art also light up our destructive side only the associations change *Nikolay Andreevich Rimsky-Korsakov* Gerald Seaman,2014-12-17 Nikolay Andreevich Rimsky Korsakov A Research and Information Guide Second Edition is an annotated bibliography of all substantial relevant published resources relating to the Russian composer First published in 1988 this revised and expanded volume incorporates new information about the composer appearing over the last two decades including literary publications articles and reviews Other sections provide a brief biographical sketch selective discography chronology and list of Rimsky Korsakov's works **Musorgsky: Pictures at an Exhibition** Michael Russ,1992-08-28 Publisher Description **A History of Western Choral Music** Chester Lee Alwes,2015 Comprehensive history of western choral music from the Medieval era to the beginnings of the Romantic period Unique in its detailed analysis and breadth of Western choral music and key composers Ample musical examples to supplement discussion In depth discussions of historical connections Modest Mussorgsky, His Life and Works, by M.
