Anderson, Jonathan Kearney, 2018-04-19 Drawing on the work of leading figures in biblical religious historical and cultural studies in Ireland and beyond this volume explores the reception of the Bible in Ireland focusing on the social and cultural dimensions of such use of the Bible This includes the transmission of the Bible the Bible and identity formation engagement beyond Ireland and cultural and artistic appropriation of the Bible The chapters collected here are particularly useful and insightful for those researching the use and reception of the Bible as well as those with broader interests in social and cultural dimensions of Irish history and Irish studies The chapters challenge the perception in the minds of many that the Bible is a static book with a fixed place in the world that can be relegated to ecclesial contexts and perhaps academic study Rather as this book shows the role of the Bible in the world is much more complex Nowhere is this clearer than in Ireland with its rich and complex religious cultural and social history This volume examines these very issues highlighting the varied ways in which the Bible has impacted Irish life and society as well as the ways in which the cultural specificity of Ireland has impacted the use and development of the Bible both in Ireland and further afield **Literary Digest**, 1914 *Journey Through the Old Testament*, 2015-06-15 Whoever starts on a Journey should be prepared for surprises The Old Testament offers a wealth of wonderful stories The stories talk about people who are on a quest for God with all their heart and soul About skeptics unhappy people and enthusiasts About people just like you and me About life as it is With all its worries anxieties and unfairness But also about God who makes His face shine upon us Who does not abandon us We should not deprive our children of this hope If we read these stories with them we can awaken their longing for God We may perhaps also arouse their curiosity And touch their heart and move their mind with pictures from two thousand years of art Thus igniting a life long journey in search of God With easy to understand picture explanations for children and textual commentaries for adults A read aloud book for children ages 5 and up a book to be read on one's own for children ages 8 and up and a book to lose yourself in for adults of all ages **A Case for Latter-Day Christianity** Robert Starling, 2019-08-26
