considering faith or are new believers **The Passion of Jesus and Its Hidden Meaning** Fr. James Groenings, 1987-01-17
The Passion of Jesus and Its Hidden Meaning shows how every person in the world whether he realizes it or not is personally involved in the sufferings and death of Jesus Christ It was because of our sins and the seriousness of these sins that Our Lord underwent so cruel a torture Using only classic Catholic Commentaries on the Scriptures Fr Groenings demonstrates the historical context and spiritual significance of each episode of the Passion of Jesus From the Agony in the Garden through Our Lord s death and burial every page of this book is replete with vailable lessons and superabundance of material for meditation and reflection Drawing from both the Old and New Testaments Fr Groenings is able to illustrate the meaning of every event and episode showing how to apply these lessons to our lives today Far from being merely an act of unspeakable brutality the Passion and death of Jesus Christ are shown to be the greatest proof of God s love and mercy to each of us

In the Beginning SJ Alty, 2019-04-24 In the beginning the truth will set you free Yes it s not original but if it starts the writings of the Bible it s good enough for me I have always had what I call a knowing Others call it psychic clairvoyance etc This is nothing new There were many instances of knowing ability in human beings throughout history In biblical times they used to call them prophets In fact the writing you are about to hopefully enjoy have been given to me by this very medium that I think is referred to as automatic writing written simply so there can be no misinterpretation of the story and the message it contains I am aware that this book will invoke emotional responses from all who have read the Bible and follow the associated religion This book is not written for any religion or cult on earth all without exception because God and Jesus have nothing to do with them Suffice to say all religions are about control especially over women and about conquering the minds of the population Religion is a man made concept God however exists and is freedom and everlasting life There are already many versions of religious beliefs The world is bursting with them but supposing that there is an alternative to the culture of being brainwashed from birth into a judgmental religious zealot This stands regardless of where you just happened to be born in this world Brainwashing or culture starts from birth from our parents from school education and from the work you do culminating in the church or religion you are a member of Imagine no religion only God I hope to show the reader what I have been told through my psychic walk on the other side Have you ever heard the story of Chinese whispers One that sticks out in my mind is Send reinforcements We re going to advance After the whisper goes around it finally reaches the final person who says Send three and four pence We re going to a dance Add to this concept that the Bible was written three hundred years after the year of our Lord AD then it isn t wrong to assume that this is exactly how the Word of God and religion has developed Inherited Cosmic Intelligence: Vincent L. Di Paolo, 2022-09-19 Inherited Cosmic Intelligence is a continuation to Cosmic Visions within the Microcosm of My Right Hemisphere It will give the reader a foundation on the beginning of a star s life and how a galaxy develops its galactic black hole The reader will learn how healthy fertile stars like our Sun fuse hydrogen into helium and all the necessary elements to develop life in their fertile planets eventually developing

intelligent beings The main subject is how we inherited intelligence within our DNA and how our intelligence keeps evolving as dormant parts of our DNA awakens This book will also educate parents and teachers on brain growths how nutrition affects myelination which will allow children to learn quicker at school and at home Finally Inherited Cosmic Intelligence will educate every reader on how to continue to nurture your brain and body for the rest of your life **The Gospel of Mary**

Magdalena And Me Rethy Devi,2021-08-31 I m pleased to introduce my novel I have invested last 10 years of my life researching writing and rewriting this book More than 500 books I have read before I wrote this novel Born out of diversity each of these women lived apart for centuries without any meeting finally provides a context and a narrative style unique to this novel And it unravels a freshness of spirit The tug of war between the ideologies of the east and west the interplay of similarities in human nature spread over a vast expanse of time help interpret and understand herself The story draws its inspiration from my interest in the intriguing nature of feminist ideas alongside spirituality and sexuality It was a sincere effort to highlight my passion for feminist philosophies psychology and politics I chose to write a fiction as I enjoy telling stories and found it a good medium to weave in my other interests in sociology history metaphysics and quantum physics The first part of the novel deals with the recital of life experiences of Mary Magdalene who lived nearly two thousand years ago there was a noble woman called Lexmi who lived in modern era In the second part Lexmi relates to Mary Magdalene her woes as a philosopher and her frustrations reflective of life in today s world War is just like terrorism 20 million people died in the two world Wars and 10 million people vanished at the time of partition of India My novel is seriously discussing these issues Newspaper Shreds Erian A. Baskharone, Ph.D., P.E.,2009-07-15 Seven thousand miles is the distance between

Cairo Egypt and the U S east coast and I have been exposed to the worst kind of abuse on both sides of the Atlantic Ocean Newspaper Shreds spread on my late mother s bed on her honeymoon signaled to my late father that my mother s pregnancy with me was a result of adultery Being convinced of a child s illegitimacy by a non Arab husband wouldn t be such a great deal but to an Egyptian particularly Christian husband the consequences are no less than a disaster a lifetime disaster to both the wife and the child On the late morning of August 17 2008 I determined for myself that I have always been my father s legitimate son My story may be an indictment of the culture in which I was born and raised and of my own father s treatment of my mother and myself However it is important to me just like anything in my life that I tell the Truth I have loved my father a whole lot more than I cared for life itself My story spans more than six decades of witnessing the terrible treatment of women both in Egypt as well as the United States The novel also displays the disastrous effects that those attitudes and that treatment have wrought on the children born to those societies This is not a social commentary but a personal story that really impacted me and almost my beliefs It has black colored the way I see the world At one point in my life due to a serious illness I wrongly thought that I would never be able to father children The night I thought that there was no hope I was sitting with an elderly lady that same night who lived next door to me in Cincinnati As the lady realized that
