Ethical Living through Stories Wen-chin Ouyang,2025-02-20

Literature has for thousands of years served as a space in which people have negotiated the ethics of daily life In the Islamic tradition the broad concept of adab spans ethical instruction and literary culture Literature classified as adab was intended to cultivate readers minds and characters Similarly the Chinese concept of wen represents the intellectual cultural and ethical foundations of society Adab and wen offer ways to navigate complex social environments with respect and empathy promoting harmony in multicultural societies Such concepts remain highly relevant and valuable in today s global world In this book Wen chin Ouyang shows how our experience of adab stories has the power to transform both our personal relationships and society She draws on classic Arabic stories from the famous Thousand and One Nights and compares them with tales from the canonical Chinese novels Three Kingdoms The Journey to the West and Water Margin The book demonstrates how these stories tell us about ourselves allowing us to define test and refine our ethics of living More than this they have the power to help us experience a profound contemplation of our lives on earth linking us to our shared humanity and showing us how to live meaningfully

The Way of the Linguist Steve Kaufmann,2005-11 The Way of The Linguist A

language learning odyssey It is now a cliché that the world is a smaller place We think nothing of jumping on a plane to travel to another country or continent The most exotic locations are now destinations for mass tourism Small business people are dealing across frontiers and language barriers like never before The Internet brings different languages and cultures to our finger tips English the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication But historically periods of cultural and economic domination have never lasted forever Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures As citizens of this shrunken world would we not be better off if we were able to speak a few languages other than our own The answer is obviously yes Certainly Steve Kaufmann thinks so and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia Why do not more people do the same In his book *The Way of The Linguist* A language learning odyssey Steve offers some answers Steve feels anyone can learn a language if they want to He points out some of the obstacles that hold people back Drawing on his adventures in Europe and Asia as a student and businessman he describes the rewards that come from knowing languages He relates his evolution as a language learner abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency Many people have taken on the challenge of language learning but have been frustrated by their lack of success This book offers detailed advice on the kind of study practices that will achieve language breakthroughs Steve has developed a language learning system available online at www.thelinguist.com
