Nivens Hollywood:

David Nivens Hollywood Outlet, Random House Value Publishing Staff, Rh Value Publishing, 1986-03-01 *David Niven* Michael Munn, 2014-03-20 David Niven appeared in films for over 50 years of his life from swashbucklers such as *The Prisoner of Zenda* and *The Guns of Navarone* to the *Pink Panther* series. Despite his on-screen persona, Niven wasn't always the perfect gentleman. He was insecure both privately and professionally and used people to get ahead. But he did, he said, at least try to be a decent man. He knew he often failed, although it isn't easy to find people who ever had a bad word to say about him. In this fascinating biography of the star, Munn looks at the funny stories and the sad underlying truth from his outrageous days with Errol Flynn and their irrevocable split. You always know where you are with Flynn. He always lets you down and numerous affairs with stars and prostitutes to an attempted suicide, his horrific experiences in war-torn France and the breakdown and blame of his second marriage. This compelling text includes interviews with his second wife, Hjordis John Huston, Rex Harrison, Laurence Olivier, Loretta Young, they discussed marriage once, Niven's long-time friend Michael Trubshawe, Peter Ustinov, Ava Gardner and many more.

Hollywood's Hellfire Club Gregory William Mank, 2007-10-01 They made fans go crazy and censors apoplectic, spent fortunes faster than they made them, forged Rembrandts and hung them in major museums, went on trial for committing statutory rape with necrophiliac teenage girls, reinterpreted Hamlet as an incestuous mama's boy and swilled immeasurable quantities of spirits during week-long parties on wobbly yachts. They were The Bundy Drive Boys and they made the Rat Pack look like Cub Scouts. Their self-destructiveness was spectacular, the misanthropy profound, but behind the boozy bravado was a devoted mutual affection. The Bundy Drive Boys' unbawdlerized stories have never been illustrated so well or told so completely as within *Hollywood's Hellfire Club*. Author Gregory William Mank also wrote *It's Alive: The Classic Cinema Saga of Frankenstein and Hollywood Cauldron*.

Cary Grant Scott Eyman, 2020-10-20 Film historian and acclaimed New York Times bestselling biographer Scott Eyman has written the definitive captivating Associated Press biography of Hollywood legend Cary Grant, one of the most accomplished and beloved actors of his generation who remains as popular as ever today. Born Archibald Leach in 1904, he came to America as a teenaged acrobat to find fame and fortune, but he was always haunted by his past. His father was a feckless alcoholic and his mother was committed to an asylum when Archie was eleven years old. He believed her to be dead until he was informed she was alive when he was thirty-one years old. Because of this experience, Grant would have difficulty forming close attachments throughout his life. He married five times and had numerous affairs. Despite a remarkable degree of success, Grant remained deeply conflicted about his past, his present, his basic identity and even the public that worshipped him in movies such as *Gunga Din*, *Notorious* and *North by Northwest*. This estimable and empathetic biography, *The Washington Post* draws on Grant's own papers, extensive archival research and interviews with family and friends, making it a definitive and complex portrait of Hollywood's original leading man. *Entertainment Weekly* *Athwart History* William F. Buckley (Jr.), William Frank

Vivien Alexander Walker,1994-01-12 Vivien Leigh is best known as the former Mrs Laurence Olivier the beautiful but willful Scarlett O Hara and the fading southern belle with a tenuous grip on reality Blanche Du Bois In life and on the screen these were her public roles Walker s excellent biography fills the gaps giving insights into her private life into what it must have been like to be Vivien Leigh Walker author of Garbo A Portrait CH Mar 81 Dietrich 1984 and Bette Davis A Celebration 1986 is a careful researcher who managed to win the confidence of the right people His interview subjects include Vivien Leigh s only daughter Suzanne Farrington her first agent John Glidden and her last husband Jack Merivale Vivien is personal without being excessively gossipy and informative without being pedantic Walker s book should delight film goers theater goers and

readers curious about prominent people Leigh's achievements were many but her personality had its darker side even her 20 years as half of Britain's reigning theatrical couple the Oliviers took its toll on her physical and mental health Amply supplied with photographs of the actress at all stages of her life Vivien is an engaging book about an engaging figure Undergraduates and general readers J L Cohen Los Angeles County Museum of Art Summary of Sheridan Morley's The Other Side of the Moon Everest Media,2022-08-08T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I had known David Niven almost all of my life I had met him in Hollywood just after the war when I was a child living with my grandmother Gladys Cooper who was to work with him in both The Bishop's Wife and Separate Tables I had written magazine and Times profiles of him occasionally 2 The author realized that David had a book to write after hearing David's son say If you want to know about my father's life you won't find it in his autobiographies They're all about other people 3 The Moon's A Balloon and Bring on the Empty Horses are examples of how David changed his story to fit the needs of his books His autobiographies were the digest of his after dinner stories and his attitude to Hollywood was like that of Richard Gordon to medicine Henry Cecil to the law or James Herriot to the veterinary business 4 The function of the biographer is not to rewrite already existing memoirs in the light of further evidence but to start out from the very beginning as if those often partial and partisan works did not exist Je T'Aime... Wheatley,2010-11-01 A series of limiting definitions have tended to delineate the Franco-British cinematic relationship As this collection of essays reveals there is much more to it than simple oppositions between British critical esteem for the films of France and French dismissal of le cin ma British or the success of Ken Loach et al at the French box office and the relative dearth of French movies on British screens In fact there has long been a rich and productive dialogue between these two cultures in which both their clear differences and their shared concerns have played a vital role This book provides an overview of the history of these relations from the early days of sound cinema to the present day The chapters written by leading experts in the history of French-British and European cinema provide insights into relations between French and British cinematic cultures at the level of production exhibition and distribution reception representation and personnel The book features a diverse range of studies including the exhibition of French cinema in Britain in the 1930s contemporary extreme French cinema stars such as Annabella David Niven and Jane Birkin and the French Resistance on British screens
