No More Words A Journal Of My Mother Anne Morrow Lindbergh:

No More Words Reeve Lindbergh, 2002-10-15 In 1999 Anne Morrow Lindbergh the famed aviator and author moved from her home in Connecticut to the farm in Vermont where her daughter Reeve and Reeve's family live Mrs Lindbergh was in her nineties and had been rendered nearly speechless years earlier by a series of small strokes that also left her frail and dependent on others for her care *No More Words* is a moving and compassionate memoir by Reeve Lindbergh of the final seventeen months of her mother's life Reeve Lindbergh is an accomplished author who had learned to write in part by reading her mother's many books among them the international bestseller *Gift from the Sea* and also by absorbing her mother's careful and intimate way of examining the world around her So Reeve's inability to communicate with her mother a woman long recognized in her family and throughout the world as a gifted communicator left her daughter deeply saddened and frustrated Worse from time to time Mrs Lindbergh would offer a comment or observation that seemed harsh shocking or simply unrelated to the events around her leaving Reeve anxious and distressed about what her mother might be thinking Anyone who has had to care for an elderly parent disabled by Alzheimer's or stroke will understand immediately the heartache and anguish Reeve suffered Reeve writes with great sensitivity and sympathy for her mother's plight while also analyzing her own conflicting feelings Mrs Lindbergh was fortunate to have full time care but a tremendous emotional burden still fell on Reeve And even as she worried about her mother's long silences and enigmatic remarks and monitored her daily care Reeve had her husband and son to look after But mixed with the sadness and responsibility were moments of humor and happiness and even an eventual understanding all the more treasured for being so unexpected *No More Words* is a tender tribute from daughter to mother from one writer to another who was her model and mentor It is a loving and poignant work rich with insight into life's final stage Anne Morrow Lindbergh Kathleen C. Winters, 2025-06-25 Few people know that Anne Morrow Lindbergh was an accomplished and innovative pilot in her own right In fact she was one of the defining figures of American aviation a bright and adventurous woman who helped to pioneer air routes traveled around the world and came to be adored by the American public In this revealing biography author and pilot Kathleen C Winters vividly recreates the adventure and excitement of many of Anne's early flights including never before revealed flight details from the Lindbergh archives An intimate portrayal of a remarkable woman Anne Morrow Lindbergh also offers a dazzling picture of the exciting and dangerous early years of aviation's Golden Age Charles Lindbergh Christopher Gehr, 2021-08-17 The narrative surrounding Charles Lindbergh's life has been as varying and complex as the man himself Once best known as an aviator the first to complete a solo nonstop transatlantic flight he has since become increasingly identified with his sympathies for white supremacy eugenics and the Nazi regime in Germany Underexplored amid all this is Lindbergh's spiritual life What beliefs drove the contradictory impulses of this twentieth century icon An apostle of technological progress who encountered God in the wildernesses he sought to protect an anti Semitic opponent of US

intervention in World War II who had a Jewish scripture inscribed on his gravestone and a critic of Christianity who admired Christ Lindbergh defies conventional categories But spirituality undoubtedly mattered to him a great deal Influenced by his wife Anne Morrow Lindbergh a self described lapsed Presbyterian who longed to live in grace and friends like Alexis Carrel a Nobel Prize winning surgeon eugenicist and Catholic mystic and Jim Newton an evangelical businessman he spent much of his adult life reflecting on mortality divinity and metaphysics In this short biography Christopher Gehrz represents Lindbergh as he was neither an adherent nor an atheist a historical case study of an increasingly familiar contemporary phenomenon the spiritual but not religious For all his earnest curiosity Lindbergh remained unwilling throughout his life to submit to any spiritual authority beyond himself and ultimately rejected the ordering influence of church tradition scripture or creed In the end the man who flew solo across the Atlantic insisted on charting his own spiritual path drawing on multiple sources in such a way that satisfied his spiritual hunger but left some of his cruelest convictions unchallenged **The Poetics and Politics**
