Oscar Wilde And His World:

Oscar Wilde and His World Vyvyan Beresford Holland,1978 Oscar Wilde and his world Vyvyan Holland,1960

Oscar Wilde and His World Vyvyan Holland,1978-01-01 Wilde's son blends glimpses of his famous and infamous father's private life into an account of his literary and theatrical work and of his social successes public notoriety and tragic downfall OSCAR WILDE & HIS WORLD 2E 66 V. Holland,

Wilde Jonathan Fryer,2023-03-09 This is the story of how Oscar Wilde pierced the bubble of Victorian pomposity Oscar Wilde self styled master of the bon mot turned Victorian bogeyman was resurrected by a more liberal age as St Oscar slayer of the dragons of pomposity hypocrisy and cant The fat Irishman with the golden tongue had posthumously proved that the world is not black and white His wit and his paradoxes were understood as profound and moral his best plays were recognised as gems of English comedy Perhaps above all his life brilliance and popularity highlighted the failings and baseless self righteousness of the establishment through contrast alone Jonathan Fryer's Wilde is more than just a meticulously researched biography It accurately contextualises a man who has in some ways become part of the literary establishment himself with the passing of time and brings a freshness and vivacity to his story This is a must read for all fans of Wilde and those who enjoy fine biographies Praise for Wilde Perhaps the most balanced book about Oscar Wilde that I have read It doesn't delve as deep into him as some of the other books about Wilde but it paints both a sensitive and objective portrait of the man It also manages to make the extraordinary story of his scintillating rise and subsequent fall and degradation into a befittingly exciting tale Goodreads review Jonathan Fryer is a Manchester born British writer whose career began as a freelance reporting for the Manchester Evening News on the Vietnam War Since then he has travelled in or reported from more than 160 countries and written a number of social histories and literary biographies *Oscar Wilde* Robert N. Keane,2003 Wide ranging in scope this group of essays revised after their first exposure at Hofstra University in April 2000 provides an entry point to fruitful inquiries of the complex and often controversial figure of Oscar Wilde and his diverse literary oeuvre

Stravinsky and His World Tamara Levitz,2013-08-25 A new look at one of the most important composers of the twentieth century Stravinsky and His World brings together an international roster of scholars to explore fresh perspectives on the life and music of Igor Stravinsky Situating Stravinsky in new intellectual and musical contexts the essays in this volume shed valuable light on one of the most important composers of the twentieth century Contributors examine Stravinsky's interaction with Spanish and Latin American modernism rethink the stylistic label neoclassicism with a section on the ideological conflict over his lesser known opera *buffa Mavra* and reassess his connections to his homeland paying special attention to Stravinsky's visit to the Soviet Union in 1962 The essays also explore Stravinsky's musical and religious differences with Arthur Louri delve into Stravinsky's collaboration with Pyotr Suvchinsky and Roland Manuel in the genesis of his groundbreaking *Poetics of Music* and look at how the movement within stasis evident in the scores of Stravinsky's *Orpheus* and *Oedipus Rex* reflected the composer's

fierce belief in fate Rare documents including Spanish and Mexican interviews Russian letters articles by Arthur Louri and rarely seen French and Russian texts supplement the volume bringing to life Stravinsky's rich intellectual milieu and intense personal relationships The contributors are Tatiana Baranova Leon Botstein Jonathan Cross Valérie Dufour Gretchen Horlacher Tamara Levitz Klara Mricz Leonora Saavedra and Svetlana Savenko **Wilde's Other Worlds** Michael F. Davis, Petra Dierkes-Thrun, 2018-05-16 Taking its cue from Baudelaire's important essay *The Painter of Modern Life* in which Baudelaire imagines the modern artist as a man of the world this collection of essays presents Oscar Wilde as a man of the world who eschewed provincial concerns cultural conventions and narrow national interests in favor of the wider world and other worlds both real and imaginary geographical and historical physical and intellectual which provided alternative sites for exploration and experience often including alternative gender expression or sexual alterity Wilde had an unlimited curiosity and a cosmopolitan spirit of inquiry that traveled widely across borders ranging freely over space and time He entered easily and wholly into other countries other cultures other national literatures other periods other mythologies other religions other disciplines and other modes of representation and was able to fully inhabit and navigate them quickly apprehending the conventions by which they operate The fourteen essays in this volume offer fresh critical theoretical and historical perspectives not just on key connections and aspects of Wilde's oeuvre itself but on the development of Wilde's remarkable worldliness in dialogue with many other worlds contemporary developments in art science and culture as well as with other national literatures and cultures Perhaps as a direct result of this cosmopolitan spirit Wilde and Wilde's works have been taken up across the globe as the essays on Wilde's reception in India Japan and Hollywood illustrate Many of the essays gathered here are based on groundbreaking archival research including some never seen before illustrations Together they have the potential to open up important new comparative transnational and historical perspectives on Wilde that can shape and sharpen our future understanding of his work and impact **Oscar Wilde, His Life and Confessions** Frank Harris, 2015-09-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Oscar Wilde - His Life and Confessions - Volumes I & II** Frank Harris, 2020-02-20 First published in 1916 this vintage book

contains both volumes of Frank Harris's biography Oscar Wilde His Life and Confessions An acquaintance of Wilde's Harris attempts in this biography to do justice to his old friend whom he had helped throughout the controversy and his trial twenty years previous Contents include Oscar's Father And Mother On Trial Oscar Wilde As A Schoolboy Trinity Dublin Magdalen Oxford Formative Influences Oscar's Poems Oscar's Quarrel With Whistler And Marriage Oscar Wilde's Faith And Practice Oscar's Reputation And Supporters Oscar's Growth To Originality About 1890 etc Frank Harris 1855-1931 was an Irish American novelist editor journalist publisher and short story writer who had acquaintances with many famous people of his day Other notable works by this author include The Man Shakespeare and his Tragic Life Story 1909 The Yellow Ticket And Other Stories 1914 and Contemporary Portraits 1915 1923 *The Facts on File Companion to the British Short Story* Andrew Maunday, 2007 A comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth With approximately 450 entries this A to Z guide explores the literary contributions of such writers as Joseph Conrad James Joyce D H Lawrence Rudyard Kipling Oscar Wilde Katherine Mansfield Martin Amis and others [File On Wilde](#) Margery Mary Morgan, 2014-03-10 Writer Files is an important series documenting the work of major dramatists of the last hundred years Oscar Wilde was born in Dublin in 1856 In the years following his graduation from Oxford in 1878 he published poems and stories which included The Picture of Dorian Gray Lady Windermere's Fan was produced in 1892 A Woman of No Importance in 1893 and An Ideal Husband and The Importance of Being Earnest in 1895 Later work included De Profundis and The Ballad of Reading Gaol He died in 1900 Each volume contains a comprehensive checklist of all the writer's plays with a detailed performance history excerpted reviews and a selection of the writer's own comments on their work **The Style and Mythology of Socialism: Socialist Idealism, 1871-1914** Stefan Arvidsson, 2017-10-10 Arguably no modern ideology has diffused as fast as Socialism From the mid nineteenth century to the last quarter of the twentieth socialist ideals played a crucial part not only in the political sphere but also influenced the way people worked and played thought and felt designed and decorated hoped and yearned By proposing general observations on the relationship between socialism imagination myth and utopia as well as bringing the late nineteenth century socialist culture a culture imbued with Biblical narratives Christian symbols classic mythology rituals from freemasonry Viking romanticism and utopian speculations together under the novel term socialist idealism The Style and Mythology of Socialism Socialist Idealism 1871-1914 draws attention to the symbolic artistic and rhetorical ways that socialism originally set the hearts of people on fire *Wilde Discoveries* Joseph Bristow, 2013-12-06 The most significant resource for any researcher wishing to understand the finer details of Oscar Wilde's remarkable career the Oscar Wilde and His Circle archive at the University of California Los Angeles houses the world's largest collection of materials relating to the life and work of the gifted Irish writer Wilde Discoveries brings together thirteen studies based on research done in this archive that span the course of Wilde's work and shed light on previously neglected aspects of Wilde's lively and varied professional and personal life This volume offers fresh

approaches to well known works such as *The Picture of Dorian Gray* while paying serious attention to his lesser known writings and activities including his earliest attempts at emulating the English Romantics his editing of *Woman's World* and his fascination with anarchism A detailed introduction by the volume editor ties the essays together and illustrates the distinctive evolution of research on this great writer's extraordinary career **The World of Oscar Wilde**, Oscar Wilde, 1932

Words, Space, and the Audience M. Bennett, 2012-07-16 In this unique study Michael Y Bennett re-reads four influential modern plays alongside their contemporary debates between rationalism and empiricism to show how these monumental achievements were thoroughly a product of their time but also universal in their epistemological quest to understand the world through a rational and/or empirical model Bennett contends that these plays directly engage in their contemporary epistemological debates rather than through the lens of a specific philosophy Besides producing new insightful readings of heavily studied plays the interdisciplinary historical philosophical dramatic theatrical and literary frame Bennett constructs allows him to investigate one of the most fundamental questions of the theatre how does meaning get made Bennett suggests that the key to unlocking theatrical meaning is exploring the tension between empirical and rational modes of understanding The book concludes with an interview with performance artist Coco Fusco Degeneration, Normativity and the Gothic at the Fin de Siècle

S. Karschay, 2015-01-06 This exciting new study looks at degeneration and deviance in nineteenth century science and late Victorian Gothic fiction The questions it raises are as relevant today as they were at the nineteenth century's fin de siècle What constitutes the norm from which a deviation has occurred What exactly does it mean to be normal or abnormal **Victorian Literature in the Looking Glass of Psychology** Melinda Gorgan, 24-11-08

Victorian Literature in the Looking Glass of Psychology is an interdisciplinary study that observes the changes in literary character construction throughout the Victorian Age Pursuing the epistemologically altered character construction over the years from the beginning to the end of the Victorian era the book covers a range of titles that demonstrate that the progress of psychology was responsible for the way the workings of the mind were understood It addresses the changes that characters underwent in the fifty years passing from *Jane Eyre* to *Dracula* The influence of psychology on literature is tracked step by step through the Victorian age starting with Charlotte Brontë's *Bildungsroman* and Dickens's realism and ending with the inward turn the focus on the psychological mechanisms of the individual in Henry James Robert Louis Stevenson Oscar Wilde and Bram Stoker For scholars interested in an up-to-date critical approach to Victorian literature focusing on interdisciplinarity discourse negotiations and psychosynthetic literary analysis the book will be a valuable reference source **Quintessential Wilde** Annette M. Magid, 2017-01-06

This volume presents interpretive essays utilizing a variety of approaches to honor the 160th anniversary of Oscar Wilde's birth celebrating the writer's genius This unique collection of scholarship explores a broad spectrum of subjects including his travels sexuality children's literature jail writings novel poetry individualism masks homosexuality influence on others and morality It offers historical biographical

psychological and sociological perspectives written by international experts and features a broad spectrum of subjects which will appeal to a range of scholars seeking original and alternative approaches to understanding Oscar Wilde his aesthetics and his influence in a variety of genres in the twenty first century The multiplicity of interest in the writer expands across genres disciplines cultures and time Quintessential Wilde examines his intellectual strength in His Worldly Place analyzes his ingenious thoughts in His Penetrating Philosophy and recounts his enduring place in His Influential Aestheticism

CliffsNotes on Wilde's The Importance of Being Earnest Susan Van Kirk, 2004-01-16 The original CliffsNotes study guides offer a look into critical elements and ideas within classic works of literature The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format CliffsNotes on The Importance of Being Earnest offers a concise look at this Victorian farce which tweaks the complacency and aristocratic attitudes prevalent among the wealthy upper class of the time Hidden identities fierce repartee underlying passions and surprises punctuate this lively play This study guide shows through its expert commentaries just how three sets of lovers clear up mishap and misunderstandings and end up happily ever after Other features that help you figure out this survey of Victorian social issues include A close look at the author's life which itself was rife with scandal and ruin Summaries and commentaries act by act Descriptive character analyses A character map that reveal key relationships Critical essays on Victorian views on compassion religion marriage and more A review section that tests your knowledge and suggested essay topics Classic literature or modern day treasure you'll understand it all with expert information and insight from CliffsNotes study guides

Oscar Wilde And His World Introduction

In today's digital age, the availability of Oscar Wilde And His World books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Oscar Wilde And His World books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Oscar Wilde And His World books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Oscar Wilde And His World versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Oscar Wilde And His World books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Oscar Wilde And His World books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Oscar Wilde And His World books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Oscar Wilde And His World books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Oscar Wilde And His World books and manuals for download and embark on your journey of knowledge?

FAQs About Oscar Wilde And His World Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Oscar Wilde And His World is one of the best book in our library for free trial. We provide copy of Oscar Wilde And His World in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Oscar Wilde And His World. Where to download Oscar Wilde And His World online for free? Are you looking for Oscar Wilde And His World PDF? This is definitely going to save you time and cash in something you should think about.
