Oscar Wilde's Last Stand Decadence Conspiracy And The Most Outrageous Trial:

Oscar Wilde's Last Stand Philip Hoare, 2017-01-17 A New York Times Notable Book of the Year that Sir Ian McKellen called a shocking tale of heroes and villains illuminating and upsetting in equal measure The first production of Oscar Wilde's *Salome* in 1918 with American exotic dancer Maud Allan dancing lead ignited a firestorm in London spearheaded by Noel Pemberton Billing a member of Parliament and self appointed guardian of family values Billing attacked Allan in the right wing newspaper *Vigilante* as a member of the Cult of the Clitoris a feminine version of the Cult of the Wilde a catchall for the degeneracy and perversion he was convinced had infected the land He claimed that a black book was in the hands of their enemies the Germans a book that contained the names of thousands of the British establishment who without doubt were members of the cult Threat of exposure was costing England the war Allan sued Billing for libel and the ensuing trial brought to life in this authoritative spellbinding book held the world in thrall Was there or was there not a black book What names did it contain The trial was both hugely entertaining and deadly serious and raised specters of hysteria homophobia and paranoia that like Oscar Wilde himself continue to haunt us As in Wilde's own trial in 1895 libel was hardly the issue the fight was for control over the country's moral compass In *Oscar Wilde's Last Stand* biographer and historian Philip Hoare gives us the full drama of the Billing trial gavel to gavel and brings to life this unique bizarre and fascinating event Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Banned Plays Dawn B. Sova, 2004 An alphabetical listing of plays that have been banned throughout history with a short synopsis and reason for banning as well as profiles of the playwrights and other resource material

Perennial Decay Liz Constable, Dennis Denisoff, Matthew Potolsky, 1999 When Oscar Wilde was convicted of gross indecency in 1895 a reporter for the *National Observer* wrote that there was not a man or a woman in the English speaking world possessed of the treasure of a wholesome mind who is not under a deep debt of gratitude to the marquis of Queensberry for destroying the high Priest of the Decadents But reports of the death of decadence were greatly exaggerated and today more than one hundred years after the famous trial and at the beginning of a new millennium the phenomenon of decadence continues to be a significant cultural force Indeed decadence in the nineteenth century and in our own period has been a concept whose analysis yields a broad set of associations In *Perennial Decay* Emily Apter Charles Bernheimer Sylvia Molloy Michael Riffaterre Barbara Spackman Marc Weiner and others extend the critical field of decadence beyond the traditional themes of morbidity the cult of artificiality exoticism and sexual nonconformism They approach the question of decadence afresh reevaluating the continuing importance of late nineteenth

century decadence for contemporary literary and cultural studies **The Modern Woman Revisited** Whitney Chadwick, Tirza True Latimer, 2003 Between the two world wars Paris served as the setting for unparalleled freedom for expatriate as well as native born French women who enjoyed unprecedented access to education and opportunities to participate in public artistic and intellectual life Many of these women including Colette Tamara de Lempicka Sonia Delaunay Djuna Barnes Augusta Savage and Lee Miller made lasting contributions to art and literature **Gender and Ventriloquism in Victorian and Neo-Victorian Fiction** H. Davies, 2012-08-21 Is ventriloquism just for dummies What is at stake in neo Victorian fiction s desire to talk back to the nineteenth century This book explores the sexual politics of dialogues between the nineteenth century and contemporary fiction offering a new insight into the concept of ventriloquism as a textual and metatextual theme in literature *Wilde Writings* William Andrews Clark Memorial Library, University of California, Los Angeles. Center for 17th- & 18th- Century Studies, 2003-01-01 Featuring thirteen original essays that examine Wilde s achievements as an aesthete critic dramatist novelist and poet this provocative and ground breaking volume ushers the field of Oscar Wilde studies into the twenty first century *Queer Bloomsbury* Brenda S. Helt, 2016-04-08 The first collection to bring together contemporary and classic writings on queer Bloomsbury This anthology presents important early essays that laid the foundation for queer studies of the Bloomsbury Group together with new essays that build upon this foundation to provide ground breaking work on Bloomsbury figures and cultural achievements As a whole *Queer Bloomsbury* stands alone as a wide ranging and critical resource that traces the cultural ideological and aesthetic facets of Bloomsbury s development as a queer intellectual and aesthetic subculture Key Features Fifteen wide ranging readings that trace the cultural ideological and aesthetic facets of Bloomsbury s development as a queer subculture Includes Carolyn Heilbrun s influential essay on the sexual dissidence of the Bloomsbury Group with an introduction by scholar Brenda Silver Moves beyond LGBT studies of Bloomsbury to provide substantive information on the queer philosophical and ethical underpinnings of the Bloomsbury Group Rarely seen reproductions of Duncan Grant s work from the Charleston archives as well as Dora Carrington s work from archives and a private collection *Oscar Wilde and Modern Culture* Joseph Bristow, 2009-01-12 *Oscar Wilde and Modern Culture* The Making of a Legend explores the meteoric rise sudden fall and legendary resurgence of an immensely influential writer s reputation from his hectic 1881 American lecture tour to recent Hollywood adaptations of his dramas Always renowned if not notorious for his fashionable persona Wilde courted celebrity at an early age Later he came to prominence as one of the most talented essayists and fiction writers of his time In the years leading up to his two year imprisonment Wilde stood among the foremost dramatists in London But after he was sent down for committing acts of gross indecency it seemed likely that social embarrassment would inflict irreparable damage to his legacy As this volume shows Wilde died in comparative obscurity Little could he have realized that in five years his name would come back into popular circulation thanks to the success of Richard Strauss s opera *Salome* and Robert Ross s edition of *De Profundi* With

each succeeding decade the twentieth century continued to honor Wilde's name by keeping his plays in repertory producing dramas about his life adapting his works for film and devising countless biographical and critical studies of his writings This volume reveals why more than a hundred years after his demise Wilde's value in the academic world the auction house and the entertainment industry stands higher than that of any modern writer

Women, Citizenship, and Sexuality

Melanie C. Hawthorne, 2021-01-23 A survey of the history of women's claims to their own citizenship in Europe and the US from the nineteenth century to the present illustrated through the transnational lives of three expatriate sexually non conforming women Ren e Vivien Romaine Brooks and Natalie Barney

Tom Stoppard in Context

David Kornhaber, James N. Loehlin, 2021-06-17 Tom Stoppard's work as a playwright and screenwriter has always been notable for mixing ideas with entertainment From the early success of Rosencrantz and Guildenstern Are Dead to masterpieces like Arcadia from radio plays about modern art to the Oscar winning screenplay for Shakespeare in Love Stoppard has challenged and delighted audiences with the intellectual and cultural richness of his writing Tom Stoppard in Context provides multiple perspectives on both the life and works of one of the most important modern playwrights This collection covers biographical and historical topics as well as the broad array of intellectual aesthetic and political concerns with which Stoppard has engaged More than thirty essays on subjects ranging from science to screenwriting help illuminate Stoppard's rich body of work

Trending

Now: New Developments in Fashion Studies Laura Petican, Mariam Esseghaier, Angela Nurse, Damayanthie

Eluwawalage, 2019-05-15 This volume was first published by Inter Disciplinary Press in 2013 This volume includes a selection of papers presented at the Fourth Inter Disciplinary net conference Fashion Exploring Critical Issues held at Oxford University's Mansfield College in September 2012 The chapters offer a wide range of disciplinary perspectives to the field of fashion studies They include analyses of collective and individual identity global and local expressions nationalism modes of self presentation sustainability and ethical fashion developments in the luxury markets and various theoretical and conceptual considerations Its authors seek to challenge and contribute to commonly held understandings in fashion related to power dynamics in the fashion industry representations of gender and class fashion's historiography art and fashion socio political considerations fashion as material culture and fashion across media from literature to music and dance The goal of this collection is to advance knowledge in the field of fashion studies and to expand upon current socio cultural

understandings of what constitutes the fashion world

Dialogue and Deviance R. Sturges, 2005-03-01 This book traces the historical relationship between male male erotic desire and the genre of literary or philosophical dialogue It describes three literary philosophical traditions each of which originates in a different Platonic dialogue whose subsequent influence can be traced first through the Roman and medieval periods second through the Renaissance and Enlightenment periods and finally through the modern and postmodern periods Sturges demonstrates that various forms of erotic deviance have been differently valued in these different periods and cultures and that dialogue has consistently proven to be the genre of choice

for expressing these changing values This study provides a valuable historical perspective on current debates over the place of homosexuality in modern Western culture The Cambridge Companion to Religious Studies Robert A. Orsi,2012

Informative and provocative this book introduces readers to debates in the contemporary study of religion and suggests future research possibilities **Immaculate Forms** Helen King,2025-01-28 Never has medical history been more

entertaining Dr Jennifer Gunter author of The Vagina Bible than in this turbulent history of women s bodies from classical Greece to the modern age Breasts clitoris hymen and womb Across history these body parts have told women who they are and what they should do Although knowledge of each part has changed through time none of them tells a simple story The way they work and in some cases even their existence have been debated They can be seen as powerful or as disgusting as relevant only to reproduction or as sources of sexual pleasure In Immaculate Forms classicist and historian Helen King explores the symbiotic relationship between religion and medicine and their twinned history of gatekeeping over these key organs that have been used to define woman illustrating how conceptions of women s bodies have owed more to imagination and myth than to observation and science Throughout history the way we understand the body has always been debated and it is still shaped by human intervention and read according to cultural interpretations Astute and engaging Immaculate Forms is for everyone who has wondered what history has to say about today s raging debates over the human body and who is really female Focus On: 100 Most Popular English People of Welsh Descent Wikipedia contributors, **Performing**

Queer Modernism Penny Farfan,2017-07-12 Focusing on some of the best known and most visible stage plays and dance performances of the late nineteenth and early twentieth centuries Penny Farfan s interdisciplinary study demonstrates that queer performance was integral to and productive of modernism that queer modernist performance played a key role in the historical emergence of modern sexual identities and that it anticipated and was in a sense foundational to the insights of contemporary queer modernist studies Chapters on works from Vaslav Nijinsky s Afternoon of a Faun to No l Coward s Private Lives highlight manifestations of and suggest ways of reading queer modernist performance Together these case studies clarify aspects of both the queer and the modernist and how their co productive intersection was articulated in and through performance on the late nineteenth and early twentieth century stage Performing Queer Modernism thus contributes to an expanded understanding of modernism across a range of performance genres the central role of performance within modernism more generally and the integral relation between performance history and the history of sexuality It also contributes to the ongoing transformation of the field of modernist studies in which drama and performance remain under represented and to revisionist historiographies that approach modernist performance through feminist and queer critical perspectives and interdisciplinary frameworks and that consider how formally innovative as well as more conventional works collectively engaged with modernity at once reflecting and contributing to historical change in the domains of gender and sexuality **Race and the Modernist Imagination** Urmila Seshagiri,2010 In addition to her readings of a fascinating

array of works *The Picture of Dorian Gray* *Heart of Darkness* *The silent morning* Trudi Tate, Kate Kennedy, 2016-01-04 This is the first book to study the cultural impact of the Armistice of 11 November 1918 It contains 14 new essays from scholars working in literature music art history and military history The Armistice brought hopes for a better future as well as sadness disappointment and rage Many people in all the combatant nations asked hard questions about the purpose of the war These questions are explored in complex and nuanced ways in the literature music and art of the period This book revisits the silence of the Armistice and asks how its effect was to echo into the following decades The essays are genuinely interdisciplinary and are written in a clear accessible style *George Ohr* Ellen J. Lippert, 2013-11-08 A contextual investigation of the Mad Potter of Biloxi showing him to be far more thoughtful and artful than he was eccentric **Idol of Suburbia** Annette Federico, 2000 Despite the ridicule of reviewers Marie Corelli 1855-1924 was the most popular novelist of her time Federico English James Madison University points out the creative combative and contradictory nature of Corelli's participation in the culture and argues that her attempts to create her own image illuminate continuing debates about literary value class hegemony and gender politics Annotation copyrighted by Book News Inc Portland OR
