Thomas, 2003-04-10

Since the Anglo Norman period itself the relations between the English and the Normans have formed a subject of lively debate For most of that time however complacency about the inevitability of assimilation and of the Anglicization of Normans after 1066 has ruled This book first challenges that complacency then goes on to provide the fullest explanation yet for why the two peoples merged and the Normans became English Drawing on anthropological theory the latest scholarship on Anglo Norman England and sources ranging from charters and legal documents to saints lives and romances it provides a complex exploration of ethnic relations on the levels of personal interaction cultural assimilation and the construction of identity As a result the work provides an important case study in pre modern ethnic relations that combines both old and new approaches and sheds new light on some of the most important developments in English history     *The Hospitallers, the Mediterranean and Europe* Prof Dr Karl Borchardt, Prof Dr Nikolas Jaspert, Professor Helen J Nicholson, 2013-06-28

Modern study of the Hospitallers of other military religious orders and of their activities both in the Mediterranean and in Europe has been deeply influenced by the work of Anthony Luttrell To mark his 75th birthday in October 2007 twenty three colleagues from ten different countries have contributed to this volume The first section focuses on the crusading period in the Holy Land considering the Hospital in Jerusalem relations with the Assassins finances indulgences transportation and the careers of the brothers and knights The second and third sections move to the later Middle Ages when the Hospitallers had their centre on Rhodes and military and charitable activities in the East had to be supported with men and money from the West The papers in the second section consider the Hospitallers on Rhodes relations between Rhodes and the West and plans for crusades while the third section includes papers on the Hospitallers in the Iberian Peninsula and in Hungary the territorial administration of the Order of Montesa in Valencia a plan to transfer the headquarters of the Teutonic Order from Prussia to Frisia and a Hospitaller reconsideration of warfare and learning on the eve of the council of Trent The final paper proposes new definitions and guidelines for future work on the military religious orders The authors include both well known experts and younger scholars who promise to follow in the footsteps of Anthony Luttrell and to continue research into the Hospitallers and their fellow
