Oskar Kokoschka Early Portraits From Vienna And Berlin 19091914:

Oskar Kokoschka Tobias Günter Natter, 2002 Oskar Kokoschka 1886 1980 is one of Austria's finest and most revered Expressionist artists His paintings are renowned and admired for their vivid color and restless energy This significant book focuses on the early portraits that Kokoschka painted in Vienna and Berlin on the eve of World War I Perhaps the best known and most highly esteemed of all his works these portraits are wonderful examples of Kokoschka's use of exaggeration and distortion of color to convey deep emotion and psychological tension They also present a fascinating look at many of the important intellectual figures of the era for their subjects include Peter Altenberg Adolf Loos Alma Mahler and Kokoschka himself in his Self Portrait as Knight Errant This beautifully illustrated book includes not only these arresting oil portraits but also some of Kokoschka's drawings of the same sitters and a selection of the postcards fans and posters he made for the Wiener Werkstätte in the period before the portraits were completed all of which shed light on his early development There are also discussions by eminent authorities on the culture and history of Vienna and Berlin in the prewar period Kokoschka's shift from Art Nouveau to Expressionism his place within the German and Austrian Expressionist movements his reception in the United States and much more

Portraits and Philosophy Hans Maes, 2019-11-20 Portraits are everywhere One finds them not only in museums and galleries but also in newspapers and magazines in the homes of people and in the boardrooms of companies on stamps and coins on millions of cell phones and computers Despite its huge popularity however portraiture hasn't received much philosophical attention While there are countless art historical studies of portraiture contemporary philosophy has largely remained silent on the subject This book aims to address that lacuna It brings together philosophers and philosophically minded historians with different areas of expertise to discuss this enduring and continuously fascinating genre The chapters in this collection are ranged under five broad themes Part I examines the general nature of portraiture and what makes it distinctive as a genre Part II looks at some of the subgenres of portraiture such as double portraiture and at some special cases such as sport card portraits and portraits of people not present How emotions are expressed and evoked by portraits is the central focus of Part III while Part IV explores the relation between portraiture fiction and depiction more generally Finally in Part V some of the ethical issues surrounding portraiture are addressed The book closes with an epilogue about portraits of philosophers **Portraits and Philosophy** tangles with deep questions about the nature and effects of portraiture in ways that will substantially advance the scholarly discussion of the genre It will be of interest to scholars and students working in philosophy of art history of art and the visual arts

The Viennese Café and Fin-de-Siècle Culture Charlotte Ashby, Tag Gronberg, Simon Shaw-Miller, 2013-01-01 The Viennese café was a key site of urban modernity around 1900 In the rapidly growing city it functioned simultaneously as home and workplace affording opportunities for both leisure and intellectual exchange This volume explores the nature and function of the coffeehouse in the social cultural and political world of fin de siècle Vienna Just as the café served as a creative meeting place within the city

so this volume initiates conversations between different disciplines focusing on Vienna at the beginning of the twentieth century Contributions are drawn from the fields of social and cultural history literary studies Jewish studies and art and architectural and design history A fresh perspective is also provided by a selection of comparative articles exploring coffeehouse culture elsewhere in Eastern Europe

The Age of Insight Eric Kandel, 2012-03-27 A brilliant book by Nobel Prize winner Eric R Kandel The Age of Insight takes us to Vienna 1900 where leaders in science medicine and art began a revolution that changed forever how we think about the human mind our conscious and unconscious thoughts and emotions and how mind and brain relate to art At the turn of the century Vienna was the cultural capital of Europe Artists and scientists met in glittering salons where they freely exchanged ideas that led to revolutionary breakthroughs in psychology brain science literature and art Kandel takes us into the world of Vienna to trace in rich and rewarding detail the ideas and advances made then and their enduring influence today The Vienna School of Medicine led the way with its realization that truth lies hidden beneath the surface That principle infused Viennese culture and strongly influenced the other pioneers of Vienna 1900 Sigmund Freud shocked the world with his insights into how our everyday unconscious aggressive and erotic desires are repressed and disguised in symbols dreams and behavior Arthur Schnitzler revealed women s unconscious sexuality in his novels through his innovative use of the interior monologue Gustav Klimt Oscar Kokoschka and Egon Schiele created startlingly evocative and honest portraits that expressed unconscious lust desire anxiety and the fear of death Kandel tells the story of how these pioneers Freud Schnitzler Klimt Kokoschka and Schiele inspired by the Vienna School of Medicine in turn influenced the founders of the Vienna School of Art History to ask pivotal questions such as What does the viewer bring to a work of art How does the beholder respond to it These questions prompted new and ongoing discoveries in psychology and brain biology leading to revelations about how we see and perceive how we think and feel and how we respond to and create works of art Kandel one of the leading scientific thinkers of our time places these five innovators in the context of today s cutting edge science and gives us a new understanding of the modernist art of Klimt Kokoschka and Schiele as well as the school of thought of Freud and Schnitzler Reinvigorating the intellectual enquiry that began in Vienna 1900 The Age of Insight is a wonderfully written superbly researched and beautifully illustrated book that also provides a foundation for future work in neuroscience and the humanities It is an extraordinary book from an international leader in neuroscience and intellectual history

Portraiture Shearer West, 2004-04-08 This fascinating new book explores the world of portraiture from a number of vantage points and asks key questions about its nature How has portraiture changed over the centuries How have portraits represented their subjects and how have they been interpreted Issues of identity modernity and gender are considered within a cultural and historical context Shearer West uncovers much intriguing detail about a genre that has often been seen as purely representational featuring examples from African tribes to Renaissance princes and from stars such as David and Victoria Beckham to ordinary people In the process she shows us how to communicate with the past
