Loulou & Yves Christopher Petkanas, 2018-04-17 No one interested in fashion style or the high flying intrigues of cafe society will want to miss Christopher Petkanas's exuberantly entertaining oral biography Loulou possibly also the most neurasthenic In an exquisitely intimate sometimes painful personal and professional relationship Loulou was his creative right hand muse alter ego and the virtuoso behind all the flamboyant accessories that were a crucial component of the YSL look For thirty years until his retirement in 2002 Yves relied on Loulou to inspire him make him laugh and talk him off the ledge the enchanted formula that brought him from one historic collection to the next Yves's many tributes shape Loulou's memory as if everything there was to know about this fugitive Giacometti like figure could be told by her clanking bronze cuffs towering fur toques the turquoise boulders on her fingers and her working

friendship with the man who put women in pants But another darker story lifts the veil on Loulou a classic number two with a contempt for convention and exposes the underbelly of fashion at its highest level Behind Yves s encomiums are a pair of aristocrat parents Loulou s shiftless French father and menacingly chic English mother who abandoned her to a childhood of foster care and sexual abuse Loulou s recurring desperation to leave Yves and go out on her own and the grandiose myths surrounding her family Loulou felt that her life had been kidnapped by the operatic workings of the House of Saint Laurent and in her last years faced financial ruin Loulou Yves unspools an elusive fashion idol nymphomaniacal heedless and up to her bracelets in coke and Boizel champagne at the core of what used to be called le beau monde *Swinging Sixties* Christopher Breward,David Gilbert,Jenny Lister,2006-06 *Swinging Sixties* takes a new look at a revolutionary moment in 20th century fashion Its starting point is the publication in April 1966 of Time magazine s famous issue on London s reinvention as the new world centre of style Forty years on chapters by prominent authors reconsider the role played by designers retail entrepreneurs journalists photographers and film makers in promoting a new way of dressing that reverberated far beyond the British capital Illustrated with stunning new shots of key pieces from the V A s dress collection alongside contemporary photographs posters and other ephemera the book relates the clothes to the rapidly changing social context of the times arguing for the central role played by fashion in the brave new world of Sixties pop culture *Orient-express Magazine* ,2003 **Unpublished London Diaries** Heather Creaton,2003 A unique snapshot of London life as recorded by diarists whose interests range from high politics to housework childbirth to deathbeds burglaries to bowel movements In a city of London s complexity and size it can be difficult to pinpoint the experience of the individual at a specific period Diaries however represent a valuable approach into this elusive world Diarists may concentrate on great events or on the comparative trivia of their everyday round but they all convey some genuine flavour of London life that is hard to find in other sources **Why Do We Wear Clothes?** Helen Hancocks,2019-08-08 Do you know why a chef s hat has 100 pleats Or how many ways there are to tie a tie Packed full of whacky facts and stunning clothes from designers and cultures around the world this book is a must have for anyone who has ever wondered why we wear the clothes we do Thea Porter Laura McLaws Helms,Venetia Porter,2015-04-07 This monograph on fashion and interior designer Thea Porter accompanies an exhibition held at the Fashion and Textile Museum London in 2015 □□□□□□□□□□□□ □□□,2016-06 534 38 100 *White Heat 1964-1970* Dominic Sandbrook,2007-10-11 Dominic Sandbrook looks behind the myths of the swinging sixties to unearth the contradictions of a society caught between optimism and decline The sequel to *Never Had It So Good* this book completes Sandbrook s groundbreaking history of Britain in the 1960s
