*The Battle of Borodino* Alexander Mikaberidze, 2020-01-24 On 7 September 1812 at Borodino 75 miles west of Moscow the armies of the Russian and French empires clashed in one of the climactic battles of the Napoleonic Wars This horrific and controversial contest has fascinated historians ever since The survival of the Russian army after Borodino was a key factor in Napoleon's eventual defeat and the utter destruction of the French army of 1812 In this thought provoking new study Napoleonic historian Alexander Mikaberidze reconsiders the 1812 campaign and retells the terrible story of the Borodino battle as it was seen from the Russian point of view His original and painstakingly researched investigation of this critical episode in Napoleon's invasion of Russia provides the reader with a fresh perspective on the battle and a broader understanding of the underlying reasons for the eventual Russian triumph This book has just received second prize by the Literary Committee of the International Napoleonic Society A total of twelve distinguished works were carefully evaluated and Dr Mikaberidze's volume has met the rigorous criteria established by the Committee The quality of the publication especially in the area of research originality style and analysis represents a significant contribution to Napoleonic Studies

**Myths and Legends of the Eastern Front** Boris Sokolov, 2020-01-19 This English translation of the original Russian work is thought provoking challenging the official version of what happened during World War II Firetrench The memory of the Second World War on the Eastern Front still referred to in modern Russia as the Great Patriotic War is an essential element of Russian identity and history as alive today as it was in Stalin's time It is represented as a defining episode a positive historical myth that sustains the Russian national idea and unites the majority of Russian citizens As a result as Boris Sokolov shows in this powerful and thought provoking study the heroic and tragic side of the war is highlighted while the dark side the incompetent negligent and even criminal way the war was run is overlooked Although almost eighty years have passed since the defeat of Nazi Germany he demonstrates that many of the fabrications put forward during the war and immediately afterwards persist into the present day In a sequence of incisive chapters he uncovers the truth about famous wartime episodes that have been consistently misrepresented His bold reinterpretation should go some way towards dispelling the enduring myths about the Great Patriotic War It is necessary reading for anyone who is keen to understand how it continues to be distorted in Russia today *Региональная экономика: теория и практика* No 39 (414) 2015

, 2017-05-20 □□□□□, 2000 Re-Constructing Grassroots Holocaust Memory Irina Rebrova, 2020-10-26 The main objective of the book is to allocate the grass roots initiatives of remembering the Holocaust victims in a particular region of Russia which has a very diverse ethnic structure and little presence of Jews at the same time It aims to find out how such individual initiatives correspond to the official Russian hero orientated concept of remembering the Second World War with almost no attention to the memory of war victims including Holocaust victims North Caucasus became the last address of thousands of Soviet Jews both evacuees and locals While there was almost no attention paid to the Holocaust victims in the

official Soviet propaganda in the postwar period local activists and historians together with the members of Jewish communities preserved Holocaust memory by installing small obelisks at the killing sites writing novels and making documentaries teaching about the Holocaust at schools and making small thematic exhibitions in the local and school museums Individual types of grass roots activities in the region on remembering Holocaust victims are analyzed in each chapter of the book

**Smersh** Dr. Vadim Birstein, 2013-11-01 SMERSH is the award winning account of the top secret counterintelligence organisation that dealt with Stalin's enemies from within the shadowy recesses of Soviet government As James Bond's nemesis in Ian Fleming's novels SMERSH and its operatives were depicted in exotic duels with 007 rather than fostering the bleak oppression and terror they actually spread in the name of their dictator Stalin drew a veil of secrecy over SMERSH's operations in 1946 but that did not stop him using it to terrify Red Army dissenters in Leningrad and Moscow or to abduct and execute suspected spooks often without cause across mainland Europe Formed to mop up Nazi spy rings at the end of the Second World War SMERSH gained its name from a combination of the Russian words for Death to Spies Successive Communist governments suppressed traces of Stalin's political hit squad now Vadim Birstein lays bare the surgical brutality with which it exerted its influence as part of the paranoid regime both within the Soviet Union and in the wider world SMERSH was the most mysterious and secret of organisations this definitive and magisterial history finally reveals truths that lay buried for nearly fifty years

**Military Thought**, 2016 **Soviet History in the Yeltsin Era** R. W. Davies, 1997-06-12 Russian rethinking of the past has immense political significance The author of the acclaimed Soviet History in the Gorbachev Revolution now examines the impact of the collapse of Communism and of the subsequent disillusionment with capitalism on Soviet history The uses of history after the 1991 coup and in the 1995 and 1996 elections are considered in detail Part two evaluates the unfinished revolution which has partly opened the archives while part three offers reflections on the future of the Soviet past

[Time to Kill](#) Paul Addison, Angus Calder, 1997 In the 50 years since the end of the Second World War much has been written about the men at the top but little attention has been given to what soldiering was like for the dog face and squaddy the NCO's and junior officers Redressing the balance this original and powerful book explores the conditions in which the soldiers of many different countries lived and died as well as their hopes and fears and their experience of battle John Erickson John Keegan Theodore Wilson and Omer Bartov are among the distinguished cast of historians whose subjects range from GIs in Europe to Indian troops in North Africa and from the comic overtones of Dad's Army in Britain to the grim earnest of the war on the eastern front where Russian women fought as full combatants

**"If we had wings we would fly to you"** Kiril Feferman, 2020-06-16 This is the first work in any language that offers both an overarching exploration of the flight and evacuation of Soviet Jews viewed at the macro level and a personal history of one Soviet Jewish family It is also the first study to examine Jewish life in the Northern Caucasus a Soviet region that history scholars have rarely addressed Drawing on a collection of family letters Kiril Feferman provides a history

of the Ginsburgs as they debate whether to evacuate their home of Rostov on Don in southern Russia and are eventually swept away by the Soviet German War the German invasion of Soviet Russia and the Holocaust The book makes a significant contribution to the history of the Holocaust and Second World War in the Soviet Union presenting one Soviet region as an illustration of wartime social and media politics **Soviet Women on the Frontline in the Second World War R.**

Markwick,E. Charon Cardona,Euridice Charon Cardona,2012-06-26 This is the first comprehensive study in English of Soviet women who fought against the genocidal misogynist Nazi enemy on the Eastern Front during the Second World War Drawing on a vast array of original archival memoir and published sources this book captures the everyday experiences of Soviet women fighting living and dying on the front **Ulrich's International Periodicals Directory** Carolyn Farquhar

Ulrich,2001 *Roads to the Temple* Leon Aron,2012-06-13 Leon Aron considers the mystery of the Soviet collapse and finds answers in the intellectual and moral self scrutiny of glasnost that brought about a profound shift in values Reviewing the entire output of the key glasnost outlets in 1987 1991 he elucidates and documents key themes in this national soul searching and the ultimate questions that sparked moral awakening of a great nation Who are we How do we live honorably What is a dignified relationship between man and state How do we atone for the moral breakdown of Stalinism Contributing both to the theory of revolutions and history of ideas Aron presents a thorough and original narrative about new ideas dissemination through the various media of the former Soviet Union Aron shows how reaching every corner of the nation these ideas destroyed the moral foundation of the Soviet state de legitimized it and made its collapse inevitable

Reinterpreting Revolutionary Russia I. Thatcher,2006-08-04 This is a stimulating and highly original collection of essays from a team of internationally renowned experts The contributors reinterpret key issues and debates including political social cultural and international aspects of the Russian revolution stretching from the late imperial period into the early Soviet state

**Ivan's War** Catherine Merridale,2024-09-04 May be the best historical portrait of life in the Red Army yet published researched with extraordinary patience and a wonderful ear for nuance Anne Applebaum The New York Review of Books Of the thirty million who fought in the eastern front of World War II eight million died driven forward in suicidal charges shattered by German shells and tanks They were the men and women of the Red Army a ragtag mass of soldiers who confronted Europe s most lethal fighting force and by 1945 had defeated it Sixty years have passed since their epic triumph but the heart and mind of Ivan as the ordinary Russian soldier was called remain a mystery We know something about how the soldiers died but nearly nothing about how they lived how they saw the world or why they fought Sourced from previously inaccessible military archives personal diaries and intimate veterans narratives author Catherine Merridale unveils the untold journey of these soldiers from their first encounter with the German offensive to their hard earned victory in Stalingrad a place where survival was measured in mere hours Accompany these brave hearts into the morose streets of Berlin as they face their anger fear and finally a bitter homecoming denied of the new life for which they sacrificed

everything Discover this unique fusion of patriotism courage and human spirit that drove these undernourished poorly led troops to overthrow the Nazi menace Ivan s War emphatically places these invisible millions at the core of their deserved historical context accounting for their major role in shaping a new era A marvelous book confirms that Merridale is a superb historian Tony Judt author of Postwar **Archives, Ancestors, Practices** Nathan Schlanger, Jarl Nordbladh, 2008-06-01 In line with the resurgence of interest in the history of archaeology manifested over the past decade this volume aims to highlight state of the art research across several topics and areas and to stimulate new approaches and studies in the field With their shared historiographical commitment the authors leading scholars and emerging researchers draw from a wide range of case studies to address major themes such as historical sources and methods questions of archaeological practices and the practical aspects of knowledge production visualizing archaeology and the multiple roles of iconography and imagery and questions of identity at local national and international levels *Other People's Anthropologies* Aleksandar Bošković, 2008-03-01 Anthropological practice has been dominated by the so called great traditions Anglo American French and German However processes of decolonization along with critical interrogation of these dominant narratives have led to greater visibility of what used to be seen as peripheral scholarship With contributions from leading anthropologists and social scientists from different countries and anthropological traditions this volume gives voice to scholars outside these great traditions It shows the immense variety of methodologies training and approaches that scholars from these regions bring to anthropology and the social sciences in general thus enriching the disciplines in important ways at an age marked by multiculturalism globalization and transnationalism *Life and Death in Besieged Leningrad, 1941-1944* J. Barber, A. Dzeniskevich, 2004-11-12 From 1941 1944 Leningrad saw by far the largest scale famine ever to occur in a developed society This book examines the nature and consequences of the extreme conditions created by the German blockade of Leningrad between September 1941 and January 1944 Using declassified documents from Party and State archives in Moscow and St Petersburg and interviews with survivors the authors have produced the most informed and detailed analysis to date of the impact of the siege on the lives and health of the people of Leningrad *Protest, Reform and Repression in Khrushchev's Soviet Union* Robert Hornsby, 2013-02-14 Protest Reform and Repression in Khrushchev s Soviet Union explores the nature of political protest in the USSR during the decade following the death of Stalin Using sources drawn from the archives of the Soviet Procurator s office the Communist Party the Komsomol and elsewhere Hornsby examines the emergence of underground groups mass riots and public attacks on authority as well as the ways in which the Soviet regime under Khrushchev viewed and responded to these challenges including deeper KGB penetration of society and the use of labour camps and psychiatric repression He sheds important new light on the progress and implications of de Stalinization the relationship between citizens and authority and the emergence of an increasingly materialistic social order inside the USSR This is a fascinating study which significantly revises our understanding of the nature of Soviet power following the

abandonment of mass terror      Coping with Hunger and Shortage under German Occupation in World War II Tatjana Tönsmeier, Peter Haslinger, Agnes Laba, 2018-06-22 This volume demonstrates how German expansion in the Second World War II led to shortages of food and other necessities including medicine for the occupied populations causing many to die from severe hunger or starvation While the various chapters look at a range of topics the main focus is on the experiences of ordinary people under occupation their everyday life and how this quickly became dominated by the search for supplies and different strategies to fight scarcity The book discusses various such strategies for surviving increasingly catastrophic circumstances ranging from how people dealt with rationing systems to the use of substitute products and recycling barter black marketeering and smuggling and even survival prostitution In addressing examples from Norway to Greece and from France to Russia this volume offers the first pan European perspective on the history of shortage malnutrition and hunger resulting from the war occupation and aggressive German exploitation policies
