Gavin, 2012-11-01 This compelling New Casebook is the first essay collection devoted to the work of groundbreaking American author Robert Cormier Written by a team of international children's literature experts the volume offers a variety of critical and theoretical approaches to the range of

Cormier's controversial young adult novels. The newly commissioned essays explore the author's earlier best known writings for teenagers as well as his later less critically examined texts focussing on key issues such as adolescence identity bullying and child corruption. Recognizing Cormier's achievement this long overdue critical resource is essential reading for anyone with an interest in his influential work and lasting impact on young adult fiction. *Robert Cormier: Daring to Disturb the Universe* Patty Campbell, 2012-02-29 Beginning with the publication of *The Chocolate War* in 1974 and continuing throughout the entirety of his career Robert Cormier dared to disturb the universe. The moment Jerry Renault refused to sell his first chocolate bar Robert Cormier began a life long career that would push the boundaries of traditional young adult literature. He would go on to prove again and again that a YA novel could be both realistic and unflinchingly honest. And that fiction for teens could be great literature. In this book YA librarian and Cormier biographer Patty Campbell explores each of Cormier's books for young readers. From the boundary breaking modern classic *The Chocolate War* and the award winning *I Am the Cheese* to the tender *Frenchtown* *Summer* and the shocking and disturbing *Tenderness* Campbell's literary analysis illuminates why Robert Cormier has been called the single most important writer in young adult literature. And how his work has touched generations of young readers hearts and minds daring them again and again to disturb their own universe.

Spirituality in Young Adult Literature Patty Campbell, 2015-06-24 In a time when almost any gritty topic can be featured in a young adult novel there is one subject that is avoided by writers and publishers. Faith and belief in God seldom appear in traditional form in novels for teens. The lack of such ideas in mainstream adolescent literature can be interpreted by teens to mean that these matters are not important. Yet a significant part of growing up is struggling with issues of spirituality. The underlying problem of course is that there are so few writers who are willing to talk to teenagers about God even indirectly or who themselves have the religious literacy for the task. *Spirituality in Young Adult Literature: The Last Taboo* tackles a subject rarely portrayed in fiction aimed at teens. In this volume Patty Campbell examines not only realistic fiction but young adult literature that deals with mysticism apocalyptic end times and even YA novels that depict the Divine Encounter. Campbell maintains that fantasy works are inherently spiritual because the plots nearly always progress toward a showdown between good and evil. As such the author surmises that the popularity of fantasy among teens may represent their interest in the mystical dimensions of faith and the otherworldly. In this study Campbell examines works of fiction that express perspectives from Christianity Judaism Islam Buddhism Hinduism and Sikhism. Distinguished YA novelist Chris Crowe provides a chapter on Mormon values and Mormon YA authors and how their novels integrate those values into their books. By looking at how spirituality is represented in novels aimed at teens this book asks what progress if any has been made in slaying the taboo. Although most of the books discussed in this study are recent an appendix lists YA books from 1967 to the present that have dealt with issues of faith. A timely look at an important subject *Spirituality in Young Adult Literature* will be of interest to young adult librarians junior and senior high school teachers and students and instructors of

college courses in adolescent literature as well as to parents of teens Spectator [Philadelphia]. An American Review of Insurance ,1922 Robert Cormier Patricia J.
