of fate is an adventure fantasy tale about two novels Rainbow Alley and The Sorcerers Shadow which have been mysteriously melded together creating an alternative dimension that has begun to write itself The first novel Rainbow Alley is a mythical and magical novel of pure paradise as told and written by Joseph Collins to his grandson Will Collins The second novel The Sorcerers Shadow is an adventure filled novel full of evil sorcery and mayhem spewed throughout its pages and is the favorite story of Wills brother Bryan Collins As these two novels unify they become more than mere pages as a blend of good and evil begin to emerge into reality Rainbow Alley is a surreal paradise Grandpa Joe has claimed to actually visited when he was younger It can only be accessed through a golden portal by bringing four critical elements together One magical night as the four elements are sought to come together to gain access to Rainbow Alley the unthinkable happens By accidentally placing The Sorcerers Shadow novel underneath the Rainbow Alley novel during the joining of only three of the four critical elements Bryan has unknowingly set off the melding of these two stories This creates their access to a new story and a land unlike anything the boys could ever imagine However this access would prove to be near fatal for Grandpa Joe as he is stricken by a mythical force that sends him into a mysterious coma Will and his best friend and neighbor Jimmy Foster set off on a journey through the golden portal and into the merged stories in an effort to save his stricken grandfather While in this new and sometimes foreboding and pleasurable land Will is driven by a voice claiming to show him the way to heal his grandfather What the boys encounter is incomprehensible as they experience a blend of paradise infiltrated by evil sorcery and mayhem first hand *The Church School Journal* ,1873 **Rainbow's End** Ellis Peters,2015-12-22 When an antiques mogul is murdered in an English village there are many suspects and very few tears making it a difficult case for Superintendent Felse The sleepy village of Middlehope is suddenly jerked into life by antiques mogul Arthur Rainbow In a whirlwind of activity he extravagantly refurbishes the manor house joins the golf club angling society and arts council and in a ruthless coup dislodges the old church organist to take over the position himself But for all his reforming zeal the Middlehope community rejects Rainbow And when Rainbow s crushed body is found in the graveyard of Saint Eata s church there is very little surprise or sorrow but much speculation as to whom the murderer could be After all there are so many candidates from his young beautiful flirtatious wife to the usurped organist and his mutinous choir It falls upon Superintendent George Felse newly promoted head of the Midshire CID to solve this most perplexing murder case Rainbow s End is the 13th book in the Felse Investigations but you may enjoy reading the series in any order
