## **Other Half Wives Of Alcoholics:**

**The Other Half** Jacqueline P. Wiseman, 1991 This current study has emerged from two decades of the author's investigations in related areas alcoholism and domestic relations Its canvas is broadly comparative drawing on interviews and data gathered in the United States and Finland The domestic drama of *The Other Half* is played out both in the private scene of the home and the more public scene of the workplace and against these two differing national backgrounds Despite the many expected and perceived cultural differences between the countries the effects of alcoholism on the family are shown to be the same Dr Wiseman's study offers theoretical insights gleaned from its perspective on alcoholism as an interactive phenomenon to which the concepts of G H Mead and Blumer can be applied to illuminate the carefully presented data and go beyond them New terrain in studies of alcoholism is thereby explored including such themes as the social construction by the subjects of their husbands drinking their marriage and their self images the strategy of coping mechanisms and the effects of the crisis of alcoholism on gender sex roles and power differentials *The Other Half* complements Dr Wiseman's prize winning work on the treatment of Skid Row alcoholics Stations of the Lost while involving issues of greater complexity on both the methodological and theoretical plane *The Other Half* Jacqueline

Wiseman, 2018-04-20 This current study has emerged from two decades of the author's investigations in related areas alcoholism and domestic relations Its canvas is broadly comparative drawing on interviews and data gathered in the United States and Finland The domestic drama of *The Other Half* is played out both in the private scene of the home and the more public scene of the workplace and against these two differing national backgrounds Despite the many expected and perceived cultural differences between the countries the effects of alcoholism on the family are shown to be the same Dr Wiseman's study offers theoretical insights gleaned from its perspective on alcoholism as an interactive phenomenon to which the concepts of G H Mead and Blumer can be applied to illuminate the carefully presented data and go beyond them New terrain in studies of alcoholism is thereby explored including such themes as the social construction by the subjects of their husbands drinking their marriage and their self images the strategy of coping mechanisms and the effects of the crisis of alcoholism on gender sex roles and power differentials *The Other Half* complements Dr Wiseman's prize winning work on the treatment of Skid Row alcoholics Stations of the Lost while involving issues of greater complexity on both the methodological and theoretical plane *The Alcoholic Society* Reece McGee, 2017-07-12 Offering a unique theoretical foundation to understanding the lived experience of the active alcoholic Denzin asserts that alcoholism is a disease in which negative emotions divide the self into warring inner factions fueled and distorted by alcoholic intoxication The work is solidly anchored in a long term study of the socialization experiences that began in alcoholism treatment centers and continue in Alcoholics Anonymous recovery programs It covers the treatment process the restructuring of self the alcoholic's interaction with his recovery treatment program and the modalities of self transcendence that result from treatment *Coping with*

*Alcohol and Drug Problems* Jim Orford,Guillermina Natera,Alex Copello,Carol Atkinson,Jazmin Mora,Richard Velleman,Ian Crundall,Marcela Tiburcio,Lorna Templeton,Gwen Walley,2013-01-11 What difference does culture make Coping with Alcohol and Drug Problems The Experiences of Family Members in Three Contrasting Cultures aims to deepen and extend understanding of the experiences of family members trying to cope with the excessive drinking or drug taking of a relative Comprehensive and thoroughly up to date this book draws on the results of the cross cultural study of alcohol and drug problems in the family and places these results within the broader context of the international literature on the subject By investigating the similarities and differences in the experiences of family members in three parts of the world the authors reveal results which have far reaching implications for professional intervention and prevention Subjects covered include models of understanding how families continue to be pathologised and misunderstood how family members cope an integrated view of alcohol and drug problems in the family ways of empowering family members This book aims to demonstrate the possibility of a constructive alliance between professionals substance misusing relatives and the affected family members by thoroughly investigating the dilemmas that face family members and the lack of support they experience This fascinating insight into the impact of alcohol and drug problems on family members will be a valuable resource for all those who are interested in substance misuse in family and cultural contexts and particularly those who are interested in the treatment of alcohol and other drug problems Alcoholism and Other Drug Problems James E. Royce,1996 **Bacchus in Romantic England** A. Taylor,1998-11-11 Bacchus in Romantic England describes real drunkenness among writers and ordinary people in the Romantic age It grounds this reality in writings by doctors and philanthropists from 1780 onwards who describe an epidemic of drunkenness These commentators provide a context for the different ways that poets and novelists of the age represent drunkards Wordsworth writes poems and essays evaluating the drunken career of his model Robert Burns Charles Lamb s essays and letters reveal a real and metaphorical preoccupation with his own drinking as a way of disguising his personal suffering his companion Coleridge writes drinking songs essays about drunkenness and meditations about his own weakness of will that show both festive inebriety and consciousness of an inward abyss Coleridge s son Hartley whose fate his father had prophesied experiences drunkenness as the life long humiliation described in his poems and letters Keats s complex dionysianism runs through Endymion and the late odes setting him at odds with his temperate hero Milton Men in the Romantic age such as Sheridan Byron Moor and Clare celebrate rowdy friendship with tales and songs of drinking Romantic women novelists such as Smith Edgeworth and Wollstonecraft depict these men stumbling home to abuse their wives Although excessive drinking is real in the period observers and participants can still maintain ambivalence about its power to release or to debase the human being *Women and Their Health* Virginia L.
