Three Modern Italian Poets Joseph Cary, 1993-10-16 Focusing on the most recent triad of Italian poetic genius Umberto Saba Giuseppe Ungaretti and Eugenio Montale Joseph Cary not only presents striking biographical portraits as he facilitates our understanding of their poetry he also guides us through the first few

decades of twentieth century Italy a most difficult period in its literary and cultural development **Twentieth-century Italian Literature in English Translation** Robin Healey, 1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence **Broken Glass** Alex Beam, 2020 In 1945 Edith Farnsworth asked the German architect Mies van der Rohe already renowned for his avant garde buildings to design a weekend home for her outside of Chicago Edith was a woman ahead of her time unmarried she was a distinguished medical researcher whose discoveries put her in contention for the Nobel Prize as well as an accomplished violinist translator and poet The two quickly began an intimate relationship spending weekends together sharing interests in transcendental philosophy Catholic mysticism wine soaked picnics and architecture Their collaboration would produce one of the most important works of architecture of all time a blindingly original house made up almost entirely of glass and steel But the minimalist marvel built in 1951 was plagued by cost over runs and a sudden chilling of the two friends mutual affection Though the building became world famous Farnsworth found it impossible to live in the transparent house and she began a public campaign against him cheered on by Frank Lloyd Wright Mies in turn sued her for unpaid monies The ensuing trial covered not just the missing funds and the structural weaknesses of the home but turned into a trial of modernist art and architecture itself Interweaving personal drama and cultural history Alex Beam presents a stylish enthralling tapestry of a tale illuminating the fascinating history behind one of the twentieth century s most beautiful and significant architectural projects We Need Silence to Find Out What We Think Shirley Hazzard, 2016-01-05 Spanning the 1960s to the 2000s these nonfiction writings showcase Shirley Hazzard s extensive thinking on global politics international relations the history and fraught present of Western literary culture and postwar life in Europe and Asia They add essential clarity to the themes that dominate her award winning fiction and expand the intellectual registers in which her writings work Hazzard writes about her employment at the United Nations and the institution s manifold failings She shares her personal experience with the aftermath of the Hiroshima atomic bombing and the nature of life in late 1940s Hong Kong She speaks to the decline of the hero as a public figure in Western literature and affirms the ongoing power of fiction to console inspire and direct human life despite or maybe because of the world s disheartening realities Cementing Hazzard s place as one of the twentieth century s sharpest and most versatile thinkers this collection also encapsulates for readers the critical events defining postwar letters thought and politics **Muse** Jonathan Galassi, 2015-06-02 From the publisher of Farrar Straus and Giroux a first novel at once hilarious and tender about the decades long rivalry between two publishing lions and the iconic alluring writer who has obsessed them both Paul Dukach is heir apparent at Purcell how to swim with the literary sharks at the Frankfurt Book Fair and most important how to nurse the fragile egos of the dazzling volatile authors he adores But Paul s deepest admiration has always been reserved for one writer poet Ida Perkins whose audacious verse and notorious private life have shaped

America's contemporary literary landscape and whose longtime publisher also her cousin and erstwhile lover happens to be Homer's biggest rival And when Paul at last has the chance to meet Ida at her Venetian palazzo she entrusts him with her greatest secret one that will change all of their lives forever Studded with juicy details only a quintessential insider could know written with both satiric verve and openhearted nostalgia *Muse* is a brilliant haunting book about the beguiling interplay between life and art and the eternal romance of literature

Left-handed Jonathan Galassi, 2013-10-08 An emotionally riveting collection that tells a powerful story of passion loss and transformation *Left handed* unfolds in the manner of an intense searching novella At its center is a one way dialogue with an elusive character who beguiles and torments but also inspires the unnamed narrator who at midlife is telling the tale These poems decisive wrenching exquisite show an overpowering force at once disruptive and creative invading a settled existence They take us from the streets of New York City to a house in the country from the island of Naxos to the Roman Forum They reach back to the sonnets of Shakespeare but find inspiration too in contemporary life Naked and raw lyrical yet formally inventive rich with the melancholy wisdom of age this is a work of resonant and shimmering beauty
