Otras Gentes Otros Modos:

Roots and Wings of Action Research for Territorial Development Miren Larrea, 2024-11-25 No es solo el contenido académico lo que hace especial a este libro. Es la propia concepción de la investigación y su comunicación lo que le convierte en una obra que va mucho más allá de su especialidad: la investigación acción para el desarrollo territorial. Esta obra colectiva coordinada por la investigadora Miren Larrea hace una apuesta decidida por modificar los patrones clásicos de la comunicación científica en absoluta consonancia con la naturaleza de la investigación que proponen sus autores. El libro incorpora distintos tipos de textos para recoger un diálogo entre investigadores y agentes implicados y favorecer así una escucha mutua. Pero además recurre al multilingüismo para que los autores comuniquen mejor lo que quieren comunicar y a quienes deben comunicárselo. Ambas opciones: diversidad de textos y multilingüismo conectan mundos que deben estar ligados: investigadores y actores en lo territorial, lo local y lo internacional; el idioma con la investigación apegada al territorio y lo teórico con lo aplicado. De este modo los autores velan porque la investigación permee y llegue a su destino natural, pero también porque crezca gracias al intercambio de conocimientos y experiencias que propician. A través de las formas de comunicación elegidas se pone de manifiesto la necesidad de que la investigación social suceda no solo en el ámbito de lo académico y no solo en inglés. Por eso tiene un valor singular incluso para los no especialistas en este tema que hay que agradecer a su editora, al conjunto de coautores y a la editorial Elea. Giménez Toledo. Investigadora del CSIC.

Otra gente Martin Amis, 2024-01-31 Una mujer anónima recorre las calles de Londres. Un trepidante thriller metafísico de un maestro de las letras inglesas. Mary realmente se llama Mary despierta anónima en una habitación desconocida. Sale a la calle y empieza a vagar por un Londres fantasmagórico en el que se topar con vagabundos, delincuentes, familias disfuncionales, squatters, policías, empleados de un café. En esta sucesión de encuentros, será acosada, explotada, agredida, engañada, pero también despertará deseos y compasión. Y mientras tanto, agazapado, borrado por la amnesia, acecha su turbulento

pasado que en algún momento empezar a recordar Esta es la cuarta novela de Martin Amis la que precede a Dinero el título que lo catapultó a la categoría de estrella literaria internacional Otra gente merece redescubrirse porque en ella el autor ya despliega toda su pericia y malicia narrativa El resultado es un perturbador thriller de tintes metafísicos que se mueve entre lo grotesco y lo trágico **Translating Catechisms, Translating Cultures**, 2017-09-18 Translating Catechisms

Translating Cultures explores the dimensions of early modern transcultural Christianities the leeway of religious negotiation in and outside of Europe by comparing catechisms and their translation in the context of several Jesuit missionary strategies The volume challenges the often assumed paramount Europeaness of Western Christianity In the early modern period the idea of Tridentine Catholicism was translated into many different regions where it was appropriated and adopted to local conditions Missionary work always entails translation linguistic as well as cultural which results in a modification of the content Catechisms were central instruments to communicate Christian belief and therefore they are central media for all kinds of translation processes The comparative approach including China India Japan Ethiopia Northern America and England enables the evaluation of different factors like power relations social differentiation cultural patterns gender roles etc Contributors are Takao Ab Anand Amaladas Leonhard Cohen Renate D r Antje Fl chter Ana Hosne Giulia Nardini John demark John Steckley Alexandra Walsham Rouven Wirbser **La Cantabria** Enrique Flórez, 1768 **La Cantabria:**
