## **Otto Of The Silver Hand Library Edition:**

**Otto of the Silver Hand** Howard Pyle, 2020-11-17 A personification of divine forgiveness Jill P May From American history books to Pirates of the Caribbean the work of Howard Pyle continues to captivate us Big Think it has a significant universal theme and it presents the details of daily life in Germany of the thirteenth century accurately and unobtrusively making the period real and alive Malcolm Usrey He is as careful and painstaking and artistic with his children's books as the very best novelist are with their novels But best of them all is Pyle's Otto of the Silver Hand It is a story of German chivalry in the days of the robber barons Willa Cather Otto of the Silver Hand 1888 Howard Pyle's first novel for children is a grim yet empowering narrative of medieval Germany following the adventures of a young hero caught between the power struggles of two families With its gripping battle scenes romance and villainous warlords this is a reading experience that continues to thrill over one hundred years after its initial publication Otto a gentle boy born to a noble germanic family in the middle ages has been raised in the compassionate seclusion of a monastery to protect him from the violent rivalries of his family When the boy turns twelve years old he is retrieved back to Drachenhausen his ancestral castle to begin his training in knighthood Soon Otto discovers that his father the Baron Conrad a brutal robber baron is in the midst of a savage vendetta with his the family of his slain foe the Baron Fredrick When Otto's father and his knights are summoned to the Imperial Court the Fredrick clan attacks Castle Drachenhausen burns it to the ground and kidnaps the boy Baron Henry the heir of Fredrick's clan keeps Otto in the dungeon of his own fortress Until his father arrives to rescue him Otto experiences both terrible brutality and the gentle affections of Henry's beautiful daughter Through Otto's ordeals and suffering he recognized the deficiencies of the human character yet he rose above the wickedness with his gentleness and love With an eye catching new cover and professionally typeset manuscript this edition of Otto of the Silver Hand is both modern and readable
