Our 110 Days' Fighting Arthur Wilson Page, 1920 *The Bookman* , 1920 **Monthly List of Military Information Carded from Books, Periodicals, and Other Sources** , 1918 *Bulletin of the New York Public Library* New York Public Library, 1920 Includes its Report 1896 19 *Monthly List of Military Information Carded from Books, Periodicals and Other Sources* Army War College (U.S.). Library, 1918 **Newton Free Library Bulletin** Newton Free Library, 1917 *The World's Work* , 1921 *Readers' Guide to Periodical Literature* , 1922 *George Marshall* David L. Roll, 2020-07-07 The extraordinary career of General George C Marshall America s most distinguished soldier statesman since George Washington whose selfless leadership and moral character influenced the course of two world wars and helped define the American century I ve read several biographies of Marshall but I think David Roll s may be the best of the bunch Thomas E Ricks New York Times Book Review Powerful The Wall Street Journal Enthralling Andrew Roberts Important William I Hitchcock Majestic Susan Page Engrossing Andrew J Bacevich Judicious Walter Isaacson Definitive Kirkus Winston Churchill called him World War II s organizer of victory Harry Truman said he was the greatest military man that this country ever produced Today in our era of failed leadership few lives are more worthy of renewed examination than Marshall and his fifty years of loyal service to the defense of his nation and its values Even as a young officer Marshall was heralded as a genius a reputation that grew when in WWI he planned and executed a nighttime movement of more than a half million troops from one battlefield to another that led to the armistice Between the wars he helped modernize combat training and re staffed the U S Army s officer corps with the men who would lead in the next decades But as WWII loomed it was the role of army chief of staff in which Marshall s intellect and backbone were put to the test when his blind commitment to duty would run up against the realities of Washington politics Long seen as a stoic almost statuesque figure he emerges in these pages as a man both remarkable and human thanks to newly discovered sources Set against the backdrop of five major conflicts two world wars Palestine Korea and the Cold War Marshall s education in military diplomatic and political power replete with their nuances and ambiguities runs parallel with America s emergence as a global superpower The result is a defining account of one of our most consequential leaders **African Americans at War** Jonathan Sutherland, 2003-12-05 A fascinating chronicle of the endeavors of African Americans who fought for their country this book recounts their stories their bravery and their contributions African Americans at War puts a human face on this neglected area of history From pre Revolutionary fighting against the French to cutting edge combat against Saddam Hussein these A Z volumes underscore significant military contributions from African Americans The two volumes provide comprehensive coverage of aspects including important historical figures key battles legislation and rulings honors awarded regiments formations and squadrons and significant places Individuals portrayed include celebrated Revolutionary hero Crispus Attucks and Lieutenant Vernon J Baker who led his platoon in a near suicidal attack on German positions in 1945 Often marginalized in support functions and

frequently given suicidal missions African Americans have served with distinction and honor in all U S conflicts Their stories endeavors and bravery are now chronicled in one accessible resource This set investigates each war the interwar years integration periods and acceptance of African American men and women on the military team This is a fascinating compendium spanning all U S history **CMH Publication #24-1 Learning Lessons in the American Expeditionary Forces** Kenneth E. Hamburger, 2020-12-08 Kenneth E Hamburger s book CMH Publication 24 1 Learning Lessons in the American Expeditionary Forces provides a comprehensive analysis of the American military s experiences during World War I Hamburger deftly weaves together primary sources including letters diaries and official reports to offer a vivid portrait of the soldiers day to day struggles and triumphs The book s scholarly approach is evident in its detailed recounting of battle strategies medical practices and the logistical challenges faced by the troops The prose is clear and engaging making it accessible to both historians and general readers interested in military history Hamburger s work stands out for its meticulous research and insightful interpretation of the events of the Great War This book is a valuable addition to the literature on World War I and sheds new light on the American Expeditionary Forces role in the conflict **The Publishers Weekly** ,1919 The Epworth Era ,1919 The Bookseller, Newsdealer and Stationer ,1919 Publishers Weekly ,1920 With Their Bare Hands Gene Fax, 2017-02-23 With Their Bare Hands traces the fate of the US 79th Division men drafted off the streets of Baltimore Washington and Philadelphia from boot camp in Maryland through the final years of World War I focusing on their most famous engagement the attack on Montfaucon the most heavily fortified part of the German Line during the Meuse Argonne Offensive in 1918 Using the 79th as a window into the American Army as a whole Gene Fax examines its mistakes and triumphs the tactics of its commander General John J Pershing and how the lessons it learned during the Great War helped it to fight World War II Fax makes some startling judgments on the role of future Army Chief of Staff Colonel George C Marshall whether the Montfaucon battle had it followed the plan could have shortened the war and if Pershing was justified in ordering his troops to attack right up to the moment of the Armistice Drawing upon original documents including orders field messages and the letters and memoirs of the soldiers themselves Fax tells the engrossing story of the 79th Division s bloody involvement in the final months of World War I **Berkeley Public Library Bulletin** ,1917 **Recent History of the United States** Frederic Logan Paxson, 1921 *The Encyclopædia Britannica* James Louis Garvin, 1926 The Encyclopædia Britannica Hugh Chisholm, James Louis Garvin, 1926
