Michelle Scott,2014-08-20 This vital book considers the compelling and addictive hold that racism has had on centuries of

Americans explores historical and contemporary norms complicit in the problem and appeals to the U S government to improve race relations rectify existent social imperfections and guard against future race based abuses Despite an assertion by the founding fathers that all men are created equal and the Fourteenth Amendment to the U S Constitution that guarantees equal protection the race based oppression that has characterized most of America s history shows that in practice our society has rarely measured up to principle Why has deep seated racial conflict in America continued for so long This unprecedented examination into the topic explores the evidence and consequences of what seems to be an addiction to racism in the United States analyzing the related disconnect between our nation s stated moral principles and social realities and assessing how U S citizens of all races can take individual action to start the long needed healing process The contributors to this work present interdisciplinary perspectives and discussions on American history politics philosophy and 21st century psycho social conditions as they relate to the oppression social injustice and racism that have occurred and continue to occur in the United States The discussions allow readers to grasp the serious challenges at hand and direct them towards recognizing the potential for conflict transformation and reconciliation through a non conventional co created Truth Reconciliation and Peace Process TRPP to begin resolving America s dysfunction This is essential reading for anyone who seeks to understand the sources of perpetual racially based conflict disparity and hatred in the United States identify the social injuries of exposure to centuries of racism move America towards harmonious interracial relationships and improve its international standing as a peace building nation that is truly committed to human rights throughout the world
